**General announcements**

---

On 8/31/2020, the National Committee for Follow-up of Preventive Measures and Measures to Confront the New Coronavirus issued the following recommendations based on an assessment of the reality of the epidemic:

- Activating the mechanism approved between the Ministry of Public Health and the Lebanese Red Cross to distribute and transfer suspected cases of Coronavirus to governmental and private hospitals through the call center established in the Ministry of Health, provided that the Red Cross is provided with daily regulations about the hospital occupancy rate.
- Activating the work of the electronic platform IMPACT at the Ministry of Interior and Municipalities to monitor the situation of those infected with Coronavirus.
- Reopening amusement centers with an occupancy rate of 50% only, while adhering to the highest preventive measures
- Reopening the external wedding gardens only, subject to obtaining approval from the Ministry of Interior and Municipalities, and monitoring by the municipal police, provided that the occupancy rate does not exceed 50%.
- Conducting an analytical statistical study of the spread of the Coronavirus, in cooperation with the Ministry of Communications and the Lebanese University.

**Note: The decisions can be found at [www.drm.pcm.gov.lb](http://www.drm.pcm.gov.lb)**

## Examples of lack of adherence to safety measures

- The tourist officer at the Ministry of Tourism wrote a report of seizure against the Ballroom Foundation and Nightclub, which are located in the Jounieh Haret Sakher area, the Analogue Club in Ashrafieh, the MOOD Club in Broumana and the Mr. Dollar in Zouk, due to the violation of General Mobilization Resolution No. 1032/2020, failure to comply with preventive measures, and the permitted number of customers, which were sealed with red wax.
- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

**If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459**
