General Directorate of Internal Security Forces

46,317 written minutes have been written against violators of the decisions of general mobilization since 01/14/2021

The General Directorate of Internal Security Forces - Public Relations Division announced that it is in implementation of the decision issued by the National Operations Room for Disaster Management, which prohibits leaving and entering the streets and roads from 5.00 a.m. on the morning of 1-5-2021 until 5:00 p.m. 4-5-2021, with the exception of sectors excluded in the decision that are allowed to operate during this period. In order to preserve public safety and reduce the risk of the spread of the Corona epidemic, the internal security forces will strictly implement the content of this resolution, which states the following:

- Stress the obligation of citizens to wear a mask under the pain of organizing an arrest warrant against every violator.
- Roaming is limited to persons who have been excluded according to Decision No. / 96 / M. s. Date 6-2-2021, according to the conditions specified in the body. As for people not included in the exception and subject to the decision to close, they can move after obtaining permission from the "Impact" platform.

The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 18/2 on April 29, 2021 regarding procedures related to passengers coming to Lebanon from India and Brazil, requesting all aviation partnerships and ground services companies operating at Rafic Hariri International Airport to stop transporting all Passengers arriving from India and Brazil, and passengers wishing to come from these two countries must stay in another country for a period of no less than 14 days before coming to Lebanon, starting from 03/05/2021.

The following meeting of the Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus on April 28, 2021, issued the following recommendation:

- Banning the entry of travelers from India and Brazil to Lebanon through Beirut International Airport, land and sea crossings, unless they have been abroad in a third country for a period of at least 14 days.

Following the decision of extending the general mobilization till 30 August 2021 and after evaluating the epidemiological reality and the decisions that should be taken in order to prevent the spread of Corona virus and based on the high prevalence of the pandemic in all governorates, the below should be taken into consideration:

1. Obligation of wearing face masks under the circumstance of fining the violators.
2. Implement a total curfew from Monday, 12 April 2021, with a period of one month, starting 2130hrs till 0500hrs, with the exemption of personnel who satisfy the conditions that are mentioned in the decision No: 96 issued on 06 February 2021, in addition to individuals who are not covered by the decision who can obtain a transportation clearance through covid.pcm.gov.lb for the below sectors:
3. Hotels, Hospitals, Pharmacies, Gas station, vegetables, fruits and fish markets,
4. Request to all religious figures to warn from not abiding by the imposed preventive measures and urged to implement strict measures in worship places during prayers with a maximum capacity of 30%.
5. Travelers to/from BRHIA are exempted from the curfew based on possessing valid documents (ticket, boarding pass, ...etc.).
6. It is forbidden to hold banquets, feasts, Ramadan tents, with the exception of charities and institutions who will be allowed to deliver food after obtaining a permit from the MoIM (Ministry of Interior and Municipalities).
7. The below table shows the exempted sectors, its working schedule and the mechanism of obtaining clearances for its respective employees (The circular can be found in detail at the link: <http://drm.pcm.gov.lb>)

The Ministry of Interior and Municipalities issued Memorandum No. 23 / A / M / 2021 on April 12, 2021 regarding the conditions and instructions related to authorizing organizations and charities to distribute food during the blessed month of Ramadan based on the first item of the recommendations of the Follow-up Committee on Measures and Preventive Measures for Coronavirus issued on 7/4 / 2021. The memo included the following:

- Instructions and conditions that apply to charities and organizations that distribute breakfast meals to fasting people.
- Mechanism for charitable organizations and societies to obtain special permission from the Ministry of Interior and Municipalities to distribute food.
- The General Directorate of Internal Security strictly monitors the adherence of non-governmental organizations and associations to the conditions and instructions issued in the decision and organizes seizure records against violators

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
