## Decisions and actions taken during the past 48 hours

### Ministry of Public Health

The Ministry of Public Health announced in a statement that the Pfizer Marathon is still under study and will not cover people under sixty years of age.

An agreement was signed between the Ministry of Public Health and MP Michel Daher to secure Pfizer vaccines through the Ministry of Public Health.

The Minister of Public Health discussed with the Turkish ambassador the possible future steps to develop cooperation between the two countries in the field of health, in addition to the details of activating medical and health work in the Turkish hospital in Sidon.

### Lebanese Red Cross

Cases that have been transferred to hospitals	The number of PCR assays That have been taken to hospitals	The number of beneficiaries Awareness seminars	The number of beneficiaries of the electronic platforms
29,143 (9 New)	95,413	147,550	6,265 (1 New)

### Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Distributing food aid in various Lebanese regions through the CIMIC Office.
- Supporting the security services in implementing the decisions issued by the Council of Ministers.

### General Directorate of State Security

- Reporting the number of new positive cases in the various governorates and the cases in home quarantine.
- Follow up the procedures approved at the air, land and sea borders, in cooperation with the teams of the Ministry of Public Health

### General Directorate of Internal Security Forces

**51,100** written minutes have been written against violators of the decisions of general mobilization since 01/14/2021.

The total of the minutes written against the violators of the decisions of the general mobilization since 3/8/2021 are distributed according to the regions as follows:

Minutes Since 08/03/2021	
Beirut	54197
Mount Lebanon	68357
Beqaa Gharby	27689
North	21176
South	21207
Total	192626

### General Directorate of General Security

Carrying out patrols in various governorates, establishing fixed and mobile monitoring points to follow up the implementation of the general closure decision, issuing violations against violators in cooperation with municipalities, and alerting citizens to adhere to preventive measures.

**Beirut Rafic Hariri International Airport:**

Departing Flights		Arriving Flights

Beirut	Containers	Laranka	1			
	Gasoline	Vasilikos	1			
Tripoli	Containers	Tassuko	1	Metals	Greece	1
				Containers	Tassuko	1
Total			3			2

**General Decisions / Announcements**

The National Disaster Management Operations Room issued a statement related to updating the strategy to confront the Coronavirus and the stages of gradual easing of the closure restrictions in light of the positive development in the epidemiological reality in Lebanon and the decrease in the number of injuries, as the procedures within the public sector covered by the reopening and the continuity of work were modified according to the following:

Sector	Timing	Notes
Ministries Public administrations and institutions Municipalities and their federations	According to the official working hours specified under the laws and regulations	The attendance rate for all employees and employees is 100%, while adhering to the preventive measures and procedures such as sterilizing and putting on masks

The General Secretariat for the Presidency of the Council of Ministers issued the following statement: Based on Circular No. 5/2021 issued by the Prime Minister on 03/26/2021 by virtue of which he requested all public departments, public institutions and municipalities to approve work rotation with an attendance rate of no less than 50 % Of the total number of employees, employees and workers, and provided that it is left to the minister or head of administration to increase this percentage when necessary to ensure the continuity of the operation of the public facility until the issuance of a circular or a contrary decision, and as long as it has not issued any circular or contrary decision by the Presidency of the Council of Ministers, it continues This circular shall work without change or modification

The following recommendations were issued by the meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on 27/05/2021:

1. His result is negative 96 hours before the date of travel to Lebanon, provided that the expatriate undergoes another examination at Rafic Hariri International Airport and adheres to quarantine for a period of 4 nights / 5 days in one of the hotels specified by the Ministry of Tourism during which he is subjected to a PCR examination and is required to comply with home quarantine in case they are The result is positive.
2. The exclusion of national and foreign diplomatic missions from the aforementioned procedure for the hotel quarantine, provided that they adhere to the quarantine for a period of 5 days at their residence, as well as those coming from those countries to Lebanon who have received the second dose of the vaccine for a period of two weeks or have contracted the Coronavirus within a period of ninety On the day before the date of travel after they show an official document proving this.
3. Amending the timing of the opening of commercial complexes until 12:30 at night, as well as reopening the amusement center at the same time by 50% of their capacity, while adhering to all preventive measures and procedures for Coronavirus.
4. Allow the holding of all events (weddings, conferences, exhibitions ...) within open and closed spaces, provided that the number of attendees does not exceed 250 persons and 50% of its capacity, with the necessity to register the event on the IMPACT platform and the possession of all workers within it a negative PCR test result, it is also possible to conduct an Antigen scan for participants if the possibility is provided by the organizers.
5. Emphasis on the previous recommendation of a body that tightens the control of the tourism sectors under its authority, and to ensure its commitment to all obligations and preventive measures against the Coronavirus, and to take the necessary administrative measures against the violator, leading to closing it with red wax for a period of at least five days.

Sector	Timing	Notes
(Amusement Center)	08.00 00.30	carrying capacity %50
Commercial complexes	08.00 00.30	
All occasions (weddings, conferences, exhibitions...)	According to the organizers	Within the open and closed spaces, provided that the number of attendees does not exceed 250 persons and 50% of its capacity.

		Record the appropriate on the IMPACT platform and possess all of its personnel a negative PCR result
