The following recommendations were issued by the Committee on Follow-up of Preventive Measures and Measures to Confront the Coronavirus on May 06, 2021:

- Evaluating the reality of receiving the vaccine in the Republic of Côte d'Ivoire in preparation for adding it to the list of countries from which arrivals are exempt 15 days after receiving the second dose of the vaccine from conducting the PCR examination in those countries and the General Directorate of Civil Aviation will deposit the result of this evaluation for the necessary action by it.
- Developing the epidemiological surveillance program in the ministry and setting up a plan for a mechanism for conducting future examinations for Corona - Testing Strategy - in cooperation with the World Health Organization and university hospitals.
- Assigning governmental and private hospitals to provide the ministry with the number of daily PCR examinations conducted by it and the percentage of positive ones, and depositing them to the committee through the ministry for the purpose of continuous evaluation of the epidemiological reality.

The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 18/2 on April 29, 2021 regarding procedures related to passengers coming to Lebanon from India and Brazil, requesting all aviation partnerships and ground services companies operating at Rafic Hariri International Airport to stop transporting all Passengers arriving from India and Brazil, and passengers wishing to come from these two countries must stay in another country for a period of no less than 14 days before coming to Lebanon, starting from 03/05/2021.

The following meeting of the Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus on April 28, 2021, issued the following recommendation:

- Banning the entry of travelers from India and Brazil to Lebanon through Beirut International Airport, land and sea crossings, unless they have been abroad in a third country for a period of at least 14 days.

The Ministry of Interior and Municipalities issued Memorandum No. 23 / A / M / 2021 on April 12, 2021 regarding the conditions and instructions related to authorizing organizations and charities to distribute food during the blessed month of Ramadan based on the first item of the recommendations of the Follow-up Committee on Measures and Preventive Measures for Coronavirus issued on 7/4 / 2021. The memo included the following:

- Instructions and conditions that apply to charities and organizations that distribute breakfast meals to fasting people.
- Mechanism for charitable organizations and societies to obtain special permission from the Ministry of Interior and Municipalities to distribute food.
- The General Directorate of Internal Security strictly monitors the adherence of non-governmental organizations and associations to the conditions and instructions issued in the decision and organizes seizure records against violators

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

### Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
