In implementation of the Cabinet Presidency Book No. 487 / p on 3/26/2021 related to confronting the Coronavirus, and due to the improvement in the epidemiological situation and the remarkable decrease in the number of infections, the closure shall be implemented during the Happy Eid Al Fitr period for a period of two days, starting from the first day of the Eid, as it was issued by the Chamber National operations in the Grand Serail are a detailed list that shows the sectors that are excluded from closure and the continuity of their work, with an emphasis on the following:

1. Emphasizing the necessity of compulsory wearing of the muzzle under the pain of underlining records of arrest against violators and preventing the holding of celebrations and gatherings of all kinds
2. Preventing going out and entering the streets and roads as of five o'clock in the morning on the first day of Eid Al-Fitr for a period of two days. And for persons not included in the exception who are subject to the closure decision after obtaining a permission to move through the link covid.pcm.gov.lb to the following places: vegetable, fruit and fish markets, pharmacy and veterinary clinics, in-furnace sales halls, medical clinics, hospitals and their direct services, pharmacies, Supermarket, mini-market, retail stores (poultry, meat, eggs, vegetables, fruits, foodstuffs), gas stations, laboratories.
3. It is allowed to hold prayers in places of worship while adhering to the preventive measures and procedures for Coronavirus and social distancing within 30% of their absorptive capacity
4. Persons traveling to and from Beirut International Airport are allowed to transfer after showing the necessary documents (travel ticket, boarding pass,).
5. The attached table with the decision specifies the sectors covered by the exception, the timing of their work, and the mechanism for obtaining roaming permits by their workers.
6. Upon the expiration of the aforementioned closing period, all previous circulars issued by the National Operations Room shall be restarted.
7. The work time for restaurants in open areas is extended until 12:30 at night, starting on Saturday 15/5/2021, with an emphasis on taking all preventive measures and measures to prevent the spread of the epidemic, while the timing of restaurants inside closed places remains without modification.

The following recommendations were issued by the Committee on Follow-up of Preventive Measures and Measures to Confront the Coronavirus on May 06, 2021:

1. Evaluating the reality of receiving the vaccine in the Republic of Côte d'Ivoire in preparation for adding it to the list of countries from which arrivals are exempt 15 days after receiving the second dose of the vaccine from conducting the PCR examination in those countries and the General Directorate of Civil Aviation will deposit the result of this evaluation for the necessary action by it.
2. Developing the epidemiological surveillance program in the ministry and setting up a plan for a mechanism for conducting future examinations for Corona - Testing Strategy - in cooperation with the World Health Organization and university hospitals.
3. Assigning governmental and private hospitals to provide the ministry with the number of daily PCR examinations conducted by it and the percentage of positive ones, and depositing them to the committee through the ministry for the purpose of continuous evaluation of the epidemiological reality.

The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 18/2 on April 29, 2021 regarding procedures related to passengers coming to Lebanon from India and Brazil, requesting all aviation partnerships and ground services companies operating at Rafic Hariri International Airport to stop transporting all Passengers arriving from India and Brazil, and passengers wishing to come from these two countries must stay in another country for a period of no less than 14 days before coming to Lebanon, starting from 03/05/2021.

The Ministry of Interior and Municipalities issued Memorandum No. 23 / A / M / 2021 on April 12, 2021 regarding the conditions and instructions related to authorizing organizations and charities to distribute food during the blessed month of Ramadan based on the first item of the recommendations of the Follow-up Committee on Measures and Preventive Measures for Coronavirus issued on 7/4 / 2021. The memo included the following:

1. Instructions and conditions that apply to charities and organizations that distribute breakfast meals to fasting people.
2. Mechanism for charitable organizations and societies to obtain special permission from the Ministry of Interior and Municipalities to distribute food.
3. The General Directorate of Internal Security strictly monitors the adherence of non-governmental organizations and associations to the conditions and instructions issued in the decision and organizes seizure records against violators

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
