General Decisions / Announcements

The meeting of the Follow-up Committee on Preventive Measures and Measures for the Coronavirus, held on 9/6/2021, issued the following recommendations:

1. Suspension of the generalized ban on entry and exit to the roads from 22:00 until 5:00.
2. The Ministry of Public Health coordinates with donors to determine the exact need for nurses, after the decrease in the number of people infected with corona and the closure of the departments designated for them in many hospitals, and work to modify the funding programs allocated for this purpose in line with the ministry's strategy in confronting the epidemic.
3. The Ministry of Tourism is working to identify six additional hotels to require mandatory quarantine for arrivals from Brazil and the United Kingdom, in accordance with the criteria approved by the Ministry for this purpose.
4. The Ministry of Public Works and Transport - Directorate General of Civil Aviation Make the necessary circular regarding exempting arrivals from the United Kingdom who have been 14 days since receiving one dose of the anti-Corona vaccine from the mandatory quarantine imposed on arrivals from this country.
5. The Ministries of Interior, Municipalities, Public Health and the General Directorate of State Security Study and approve the procedures related to accompanying travelers from the United Kingdom and Brazil to the attached airport, provided that the General Directorate of Internal Security Forces will conduct patrols at approved hotels to arrest violators, especially those who have failed to residency and ensure contact with them and take the necessary legal measures against them.

The General Directorate of Civil Aviation issued Circular No. 25/2 in sympathy with Circulars No. 19/2 and No. 24/2 regarding procedures related to passengers coming to Lebanon from the United Kingdom and Brazil, where the exceptions clause was amended to become as follows:

1. Passengers wishing to come to Lebanon who have received the second dose of the Covid-19 vaccine or a full dose of the Covid-19 vaccine (which is a single dose), are exempted for a period of no less than two weeks, or they contracted the Corona virus within a period of ninety days. The date of their travel to Lebanon, after presenting an official document proving this, is preceded by a PCR examination in the United Kingdom and Brazil, and they are subject to a PCR examination upon their arrival at Rafic Hariri International Airport according to the mechanism specified in Circular 7/2, and they are also disqualified from hotel reservation
2. The national and foreign diplomatic missions and their families are excluded from the hotel quarantine, provided that they adhere to the quarantine for a period of five days at their place of residence.

Ref : Ministry of Public Health

All reports and related decisions can be found at: <http://drm.pcm.gov.lb>

Or social media @DRM_Lebanon

- Also excluded from the hotel quarantine: Passengers who wish to come to Lebanon and who have received a single dose of any Covid-19 vaccine for a period of no less than two weeks before their travel to Lebanon, passengers transiting by land to Syria through Rafic Hariri International Airport in Beirut, minor passengers Under the age of 18, whether they are coming alone or accompanied by their parents, passengers who left Lebanon and want to return during one day of the week and returned on the same day during the following week, in addition to being exempted from conducting a PCR examination in the countries from which they wish to return and are subject to a PCR examination upon their arrival at Rafic Hariri Airport International Airport in Beirut, as stated in Circular No. 7/2 dated 27/1/2021

The National Disaster Management Operations Room issued a statement related to updating the strategy to confront the Coronavirus and the stages of gradual easing of the closure restrictions in light of the positive development in the epidemiological reality in Lebanon and the decrease in the number of injuries, as the procedures within the public sector covered by the reopening and the continuity of work were modified according to the following:

Sector	Timing	Notes
Ministries Public administrations and institutions Municipalities and their federations	According to the official working hours specified under the laws and regulations	The attendance rate for all employees and employees is 100%, while adhering to the preventive measures and procedures such as sterilizing and putting on masks

The General Secretariat for the Presidency of the Council of Ministers issued the following statement: Based on Circular No. 5/2021 issued by the Prime Minister on 03/26/2021 by virtue of which he requested all public departments, public institutions and municipalities to approve work rotation with an attendance rate of no less than 50 % Of the total number of employees, employees and workers, and provided that it is left to the minister or head of administration to increase this percentage when necessary to ensure the continuity of the operation of the public facility until the issuance of a circular or a contrary decision, and as long as it has not issued any circular or contrary decision by the Presidency of the Council of Ministers, it continues This circular shall work without change or modification

In implementation of Resolution No. 96/m dated 6/2/2021 regarding updating the strategy to confront the Corona virus and the stages of gradual easing of closure restrictions, the National Disaster Management Operations Room in the Grand Serail issued a statement on 5/28/2021 regarding the additional sectors covered by reopening and working hours The terms and conditions of its operation are as follows:

Sector	Timing	Notes
)Amusement Center(08.00 00.30	%50of its carrying capacity
Commercial complexes	08.00 00.30	
All occasions (weddings, conferences, exhibitions...)	According to the organizers	Within the open and closed spaces, provided that the number of attendees does not exceed 250 persons and 50% of its capacity. Record the appropriate on the IMPACT platform and possess all of its personnel a negative PCR result
