Ministry of Public Health

The Ministry of Public Health has issued an updated table about government and private laboratories qualified to conduct laboratory diagnosis of the Coronavirus by PCR-RT method, in addition to laboratories qualified to take samples of "nasal swabs" by the drive-thru method.

The Ministry of Public Health reported the completion of PCR tests for flights that arrived in Beirut and were conducted at the airport on June 17, 18, 19 and 20, and the results showed the presence of fifty-two (52) positive cases, distributed on the following flights:

2021/6/17			
Direction	Company	Flight nb	Cases
Addis Ababa	Ethiopian	406	3
Cairo	MEA	305	1

General Decisions / Announcements

The meeting of the Follow-up Committee on Preventive Measures and Measures for the Coronavirus, held on 16/6/2021, issued the following recommendations:

1. The Ministry of Public Health, in coordination with the Ministry of Works and Transport, shall establish a center to conduct PCR tests in the port of Tripoli, for the necessity of arrivals to Lebanon through the port.
2. The Ministry of Public Works and Transport - the Directorate General of Civil Aviation should add the country of Côte d'Ivoire to the list of countries from which arrivals of people for whom 14 days have passed since they received the second dose of the vaccine are exempted from conducting a PCR examination before their arrival to Lebanon.
3. The Ministry of Tourism: Work to reduce the number of hotels designated for quarantine with regard to arrivals from Britain and Brazil, according to the need, and deposit them in the Ministry of Public Works and Transport - the General Directorate of Civil Aviation, to take the necessary action by it.
4. The Ministry of Foreign Affairs and Emigrants, in coordination with the Ministry of Public Health, is contacting various countries to sign memoranda of understanding for the mutual dependence of vaccination cards issued by the competent authorities.

The General Directorate of Civil Aviation issued Circular No. 25/2 in sympathy with Circulars No. 19/2 and No. 24/2 regarding procedures related to passengers coming to Lebanon from the United Kingdom and Brazil, where the exceptions clause was amended to become as follows:

1. Passengers wishing to come to Lebanon who have received the second dose of the Covid-19 vaccine or a full dose of the Covid-19 vaccine (which is a single dose), are exempted for a period of no less than two weeks, or they contracted the Corona virus within a period of ninety days. The date of their travel to Lebanon, after presenting an official document proving this, is preceded by a PCR examination in the United Kingdom and Brazil, and they are subject to a PCR examination upon their arrival at Rafic Hariri International Airport according to the mechanism specified in Circular 7/2, and they are also disqualified from hotel reservation.
2. The national and foreign diplomatic missions and their families are excluded from the hotel quarantine, provided that they adhere to the quarantine for a period of five days at their place of residence.

Ref : Ministry of Public Health

All reports and related decisions can be found at: <http://drm.pcm.gov.lb>

Or social media @DRM_Lebanon

3. Also excluded from the hotel quarantine: Passengers who wish to come to Lebanon and who have received a single dose of any Covid-19 vaccine for a period of no less than two weeks before their travel to Lebanon, passengers transiting by land to Syria through Rafic Hariri International Airport in Beirut, minor passengers Under the age of 18, whether they are coming alone or accompanied by their parents, passengers who left Lebanon and want to return during one day of the week and returned on the same day during the following week, in addition to being exempted from conducting a PCR examination in the countries from which they wish to return and are subject to a PCR examination upon their arrival at Rafic Hariri Airport International Airport in Beirut, as stated in Circular No. 7/2 dated 27/1/2021

The National Disaster Management Operations Room issued a statement related to updating the strategy to confront the Coronavirus and the stages of gradual easing of the closure restrictions in light of the positive development in the epidemiological reality in Lebanon and the decrease in the number of injuries, as the procedures within the public sector covered by the reopening and the continuity of work were modified according to the following:

Sector	Timing	Notes
Ministries Public administrations and institutions Municipalities and their federations	According to the official working hours specified under the laws and regulations	The attendance rate for all employees and employees is 100%, while adhering to the preventive measures and procedures such as sterilizing and putting on masks

The General Secretariat for the Presidency of the Council of Ministers issued the following statement: Based on Circular No. 5/2021 issued by the Prime Minister on 03/26/2021 by virtue of which he requested all public departments, public institutions and municipalities to approve work rotation with an attendance rate of no less than 50 % Of the total number of employees, employees and workers, and provided that it is left to the minister or head of administration to increase this percentage when necessary to ensure the continuity of the operation of the public facility until the issuance of a circular or a contrary decision, and as long as it has not issued any circular or contrary decision by the Presidency of the Council of Ministers, it continues This circular shall work without change or modification

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01-594459
