Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

Decisions and actions taken during the past 48 hours

Ministry of Public Health

The Minister of Public Health and the Minister of Education and Higher Education launched the vaccination campaign for Lebanese professors, employees and students at the Pierre Gemayel University Complex.

The Minister of Public Health undertook a field tour to a number of Akkar towns, and inspected a number of sites proposed by the municipalities with the aim of establishing a government hospital with a grant from the State of Kuwait to this region.

General Decisions / Announcements

The meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on April 14, 2021 issued the following recommendations:

- Emphasize the commitment and strictness to apply the timing of preventing exit and entering the streets and roads from 21:30 until 5:00 and prohibiting the opening of economic sectors not excluded during this period within all governorates and evaluating the application and results of this procedure. For public health requirements.
- Strict application of preventive measures and measures for the Coronavirus in popular markets, which are allowed to resume their activities outside the timing of preventing exit and entry to the streets and roads.
- Allowing the opening of the internal spaces for children's games inside the commercial complexes with a capacity of one child / 16 square meters, with mandatory wearing of the muzzle for those over two years of age and adherence to the preventive measures and measures to limit the spread of the Corona virus.
- Allowing the holding of the Beirut International Marathon, while adhering to all preventive measures and measures to limit the spread of the Coronavirus, which were presented by the organizers.

The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 15/2 of April 15, 2021 regarding procedures related to passengers arriving in Lebanon, according to which all airlines and ground services companies operating at Rafic Hariri International Airport in Beirut, starting from 17 / 4/2021: Exempting passengers arriving to Lebanon and those who have received the second dose of the COVID-19 vaccine for a period of no less than 15 days from conducting a PCR examination in the countries from which they are coming, provided that they undergo a PCR examination upon their arrival at the airport in Beirut according to the specified mechanism In Circular No. 7/2. This circular applies to passengers who received the second dose of the vaccine in Lebanon or in one of the following countries: the United States of America, Canada, Australia, New Zealand, European countries, Egypt, Algeria, Morocco and Tunisia.

The Minister of Education and Higher Education announced the return to blended learning before noon and after noon, starting from April 21, 2021 for high school diploma students, and on May 5, 2021 for intermediate and kindergarten certificates. It has also been decided to conduct the official exams for the high school diploma in all its branches on Monday, July 26, 2021, and the required materials for each of the general branches and optional subjects will be determined.

The meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on April 14, 2021 issued the following recommendation:

- Resumption of activity in the educational sector in all its branches and stages (general education, vocational and technical education, and higher education) gradually within an integrated curriculum that considers all measures and preventive measures for the Coronavirus, in accordance with the general health guide in this regard and according to time stages determined by the Ministry of Education and Higher Education

Note: Details can be found at: <http://drm.pcm.gov.lb>

The Ministry of Interior and Municipalities issued Memorandum No. 23 / A / M / 2021 on April 12, 2021 regarding the conditions and instructions related to authorizing organizations and charities to distribute food during the blessed month of Ramadan based on the first item of the recommendations of the Follow-up Committee on Measures and Preventive Measures for Coronavirus issued on 7/4 / 2021. The memo included the following:

- Instructions and conditions that apply to charities and organizations that distribute breakfast meals to fasting people.
- Mechanism for charitable organizations and societies to obtain special permission from the Ministry of Interior and Municipalities to distribute food.
- The General Directorate of Internal Security strictly monitors the adherence of non-governmental organizations and associations to the conditions and instructions issued in the decision and organizes seizure records against violators

A statement issued by the National Operations Room on 12/4/2021 following the statement circulated on 4/10/2021 and in implementation of the decree to extend the general mobilization in the face of the Coronavirus until 9/30/2021, related to adding the following sectors that are allowed to operate during the period of the exit ban And access to the streets and roads and the roaming document for its workers (permission for the company to work from the platform with an ID card):

- Factories of personal protective equipment (masks, PPEs, ...), financial intermediation companies, foodstuff factories of all kinds, pharmaceutical and medical supplies factories, centers for filling and distributing oxygen, manufacturing medical and industrial clothing for excluded sectors, manufacturing clothing, shoes and leather (clothes, shoes) Medical, masks), sterilization and cleaning materials factories, manufacturing machines, equipment, electronic and electrical equipment, recycling factories, distributors of sterilization and cleaning materials, security companies and money transfer companies, maintenance items (elevators, medical devices, internet, generators, cables, machines And factory equipment) and internet companies

The Ministry of Information has published, on its website, a new list containing 51 questions and answers about the Corona vaccine, developed in cooperation with the Ministries of Public Health and Information, the World Health Organization and UNICEF. The regulation includes:

- General information about the anti-Corona vaccines, their effectiveness, their side effects, and the time it takes to protect the recipient of the vaccine.
- Information about the "AstraZeneca" vaccine and the assurance that it is safe, effective and does not cause blood clots.
- Information about the difference between the different vaccines, and their effectiveness against new mutations of the mutated Covid-19 virus.
- Information on the mechanism of purchasing, storing and distributing vaccines, and controlling their quality.
- Information about the possibility of special cases such as pregnant and lactating women and those suffering from chronic diseases obtaining the anti-corona vaccine, and the effect of the vaccine on pregnancy and fertility.

Following the decision of extending the general mobilization till 30 August 2021 and after evaluating the epidemiological reality and the decisions that should be taken in order to prevent the spread of Corona virus and based on the high prevalence of the pandemic in all governorates, the below should be taken into consideration:

1. Obligation of wearing face masks under the circumstance of fining the violators.
2. Implement a total curfew from Monday, 12 April 2021, with a period of one month, starting 2130hrs till 0500hrs, with the exemption of personnel who satisfy the conditions that are mentioned in the decision No: 96 issued on 06 February 2021, in addition to individuals who are not covered by the decision who can obtain a transportation clearance through covid.pcm.gov.lb for the below sectors:
3. Hotels, Hospitals, Pharmacies, Gas station, vegetables, fruits and fish markets,
4. Request to all religious figures to warn from not abiding by the imposed preventive measures and urged to implement strict measures in worship places during prayers with a maximum capacity of 30%.
5. Travelers to/from BRHIA are exempted from the curfew based on possessing valid documents (ticket, boarding pass, ...etc.).
6. It is forbidden to hold banquets, feasts, Ramadan tents, with the exception of charities and institutions who will be allowed to deliver food after obtaining a permit from the MoM (Ministry of Interior and Municipalities).
7. The below table shows the exempted sectors, its working schedule and the mechanism of obtaining clearances for its respective employees (The circular can be found in detail at the link: <http://drm.pcm.gov.lb>)

The Presidency of the Council of Ministers issued Circular No. 5/2021 on 3/26/2021, whereby, based on the proposal of the Ministerial Committee, all public departments and institutions are required to work with an attendance rate not exceeding 50%

- Re-extension of the general mobilization status for a period of six months, starting from 1/4/2021 until 9/30/2021 inclusive, with the enforcement of the measures and procedures imposed and their implementation during the general mobilization extension period.
- Request the technical committee charged with following up on the control of the Coronavirus, to complete communication with the concerned authorities, trade unions and associations, in order to put it into practice and to adhere to the procedures and measures that contribute to mitigating the spread of the epidemic.

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.

Laboratories that did not comply with the procedures approved by the MoPH About the information required to be recorded for infected cases within the past 24 hours

Laboratories that did not specify the Governorate	
Laboratory/Hospitals	Cases
BDH505-Rafic Hariri University hospital	5
BLH201-Hospital Baalbeck Gouvernemental	3
MTH548-Hospital Serhal / Rabieh	2
BDH558-Hospital Sahel General	2
MTH569-Hospital Bellevue Medical Center	2
NBH316-Hospital Ragheb Harb	1
SDL002-Family Medical Laboratories	1
BDL003-Laboratoire Inovie / Fayyadieh	1

Number of positive cases without specifying the place of residence	
Laboratory/Hospitals	Cases
