Ministry of Public Health

The Minister of Public Health announced that the Ministry had received one hundred and fifty thousand Pfizer vaccines out of the seven hundred and eighty thousand scheduled during the month of June, and that a marathon for the Pfizer vaccine will be organized soon.

The Minister of Public Health confirmed that the AstraZeneca Marathon will be repeated weekly according to need and according to the number of available vaccines, and he expects that community immunity will reach 75% by the end of July.

The Ministry of Public Health reported that PCR examinations had been completed for flights that arrived in Beirut and were performed at the airport on May 27, 28 and 29; The results showed that there were twenty-eight (28) positive cases, and they were distributed over the following flights:

27/05/2021				28/05/2021			
Direction	Company	Flight Nb	Cases	Direction	Company	Flight Nb	Cases

The National Disaster Management Operations Room issued a statement related to updating the strategy to confront the Coronavirus and the stages of gradual easing of the closure restrictions in light of the positive development in the epidemiological reality in Lebanon and the decrease in the number of injuries, as the procedures within the public sector covered by the reopening and the continuity of work were modified according to the following:

Sector	Timing	Notes
Ministries Public administrations and institutions Municipalities and their federations	According to the official working hours specified under the laws and regulations	The attendance rate for all employees and employees is 100%, while adhering to the preventive measures and procedures such as sterilizing and putting on masks

The following recommendations were issued by the meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on 27/05/2021:

1. His result is negative 96 hours before the date of travel to Lebanon, provided that the expatriate undergoes another examination at Rafic Hariri International Airport and adheres to quarantine for a period of 4 nights / 5 days in one of the hotels specified by the Ministry of Tourism during which he is subjected to a PCR examination and is required to comply with home quarantine in case they are The result is positive.
2. The exclusion of national and foreign diplomatic missions from the aforementioned procedure for the hotel quarantine, provided that they adhere to the quarantine for a period of 5 days at their residence, as well as those coming from those countries to Lebanon who have received the second dose of the vaccine for a period of two weeks or have contracted the Coronavirus within a period of ninety On the day before the date of travel after they show an official document proving this.
3. Amending the timing of the opening of commercial complexes until 12:30 at night, as well as reopening the amusement center at the same time by 50% of their capacity, while adhering to all preventive measures and procedures for Coronavirus.
4. Allow the holding of all events (weddings, conferences, exhibitions ...) within open and closed spaces, provided that the number of attendees does not exceed 250 persons and 50% of its capacity, with the necessity to register the event on the IMPACT platform and the possession of all workers within it a negative PCR test result, it is also possible to conduct an Antigen scan for participants if the possibility is provided by the organizers.
5. Emphasis on the previous recommendation of a body that tightens the control of the tourism sectors under its authority, and to ensure its commitment to all obligations and preventive measures against the Coronavirus, and to take the necessary administrative measures against the violator, leading to closing it with red wax for a period of at least five days.

Sector	Timing		Notes
(Amusement Center)	08.00	00.30	carrying capacity %50
Commercial complexes	08.00	00.30	
All occasions (weddings, conferences, exhibitions...)	According to the organizers		Within the open and closed spaces, provided that the number of attendees does not exceed 250 persons and 50% of its capacity. Record the appropriate on the IMPACT platform and possess all of its personnel a negative PCR result
