The National Awareness Campaign to register on the Coronavirus Vaccine Platform

The percentage of positive cases out of the number of daily checks during the past 14 days

Cumulative cases per day

Cumulative cases by age group

Decisions and actions taken during the past 24 hours

Ministry of Public Health

- The Minister of Public Health received a number of deputies who raised the drug crisis, some of whom affirmed support for all required measures, and others wished the Central Bank to respond to the solution.
- The Minister of Public Health tweeted via Twitter, saying: "With the increase in the number of corona infections and after covering the age groups 30-49 AstraZeneca and 50 and above Pfizer, the Ministry of Public Health is launching a Pfizer campaign to cover the age groups 1997-1992 who are registered on the platform until July 31. He added that it has become available to register 12 years of age and over on the platform in preparation for later coverage.

General Decisions / Announcements

The meeting of the Follow-up Committee on Preventive Measures and Measures for the Coronavirus, held on 12/08/2021, issued the following recommendations:

- Emphasis on the previous recommendation regarding making the necessary circulars by: the General Directorate of the Presidency of the Council of Ministers, the Ministries of Interior and Municipalities, Economy and Trade, Tourism, Public Health, Education and Higher Education and Labor in terms of the obligation to grant the vaccine to all workers in the public and private sectors Under its supervision, it is the responsibility of the persons who refuse to receive the vaccine to present a negative PCR result every 72 hours so that the material cost of the examination is at their own expense.
- Ministry of Tourism, Ministry of Interior and Municipalities General Directorate of Internal Security Forces, General Directorate of State Security: Strict crackdown on violations related to non-compliance with hotel quarantine, subject of General Directorate of Civil Aviation Circular No. 31/2, especially against persons who deliberately leave their passports and claiming to lose it later or making fake hotel reservations
- The General Directorate of Civil Aviation: Making the necessary circular to exempt passengers who left Lebanon and want to return within a week from conducting a PCR examination in the countries from which they wish to return, if they are subject to a PCR examination upon their arrival at Rafic Hariri International Airport, as well as exempting them from the hotel quarantine in the event Their coming from one of the countries subjects of Circular No. 31/2.

The Middle East Airlines - Lebanese Airways, announced in a statement that, starting from 6/8/2021, all passengers arriving in Lebanon will be subject to the following procedures:

Categories obligated to hotel quarantine: Passengers coming from the United Kingdom - Cyprus - Turkey - Brazil - United Arab Emirates - Iraq - India - Malawi - Ethiopia - Zambia - Liberia - Kenya - Gambia and Sierra Leone (not passengers transiting through these countries) with mandatory possession of a reservation My hotel is at their own expense, for 4 days / 3 nights in one of the approved hotels. Passengers who do not have a hotel reservation are not allowed to board the plane.

• Categories excluded from hotel quarantine:

- National and foreign diplomatic missions and their families, if they adhere to the quarantine for a period of four days at their place of residence.
- Passengers who have previously received at least one dose of any Covid-19 vaccine without a specified duration.
- Passengers who were infected with the Corona virus and recovered from it within a period of ninety days before the date of their travel to Lebanon, after presenting an official document proving this.
- Passengers transiting by land to Syria through Rafic Hariri International Airport Beirut.
- Minor passengers under 18 years of age, whether they are coming alone or accompanied by their parents.
- Categories obligated to conduct a PCR examination before coming to Lebanon: All passengers must have
 performed a PCR examination with the mandatory presence of a QR code in one of the approved laboratories,
 within a maximum of 96 hours from the date of issuance of the examination result until arriving in Lebanon and
 that they show the result of the examination upon registration bags. Passengers who do not have a negative
 test result are not allowed to board the plane coming to Lebanon
- Categories excluded from conducting a PCR examination before coming to Lebanon:
 - Passengers who have received the second dose of Covid-19 vaccine or a full dose of Covid-19 vaccine (which is only one dose), for a period of no less than two weeks.
 - Passengers who were infected with the Corona virus within a period of ninety days preceding the date of their travel to Lebanon, after presenting an official document proving this.

Note: All passengers arriving in Lebanon are subject to a PCR examination upon their arrival at Rafic Hariri International Airport - Beirut, except for children under 12 years and UNIFIL forces.
