## The National Awareness Campaign to register on the Coronavirus Vaccine Platform

Does the COVID-19 vaccine provide protection against the New Delta Variant?

Studies show that in countries where the variant is spread, unvaccinated populations are more likely to be hospitalized after infection. **Two doses of the vaccine should be administered to provide protection from the Delta Variant.**

In every life, a new beginning.

MINISTRY OF HEALTH

How can we protect ourselves from the Delta Variant?

Take the full course of vaccination to achieve full protection.

Abide by all preventive measures (safe distancing, mask wearing, hand hygiene)

The infographic features a blue background with white text. At the top right, there are three red virus particles with 'Delta' written on them. Below the title, there is a large red circle containing two white syringes, one labeled 'Vaccine' and the other 'Booster'. To the right of this, there are two smaller red circles: one showing a person wearing a white face mask, and another showing two people standing apart with a double-headed arrow between them labeled '1.5m'. Below these, there is a red circle showing hands being washed under a running faucet. At the bottom, there is a row of logos: a yellow oil lamp, the 'REPUBLIC OF UZBEKISTAN MINISTRY OF HEALTH' logo, the 'U.S. EMBASSY IN TASHKENT' logo, the 'Uzbek Republic' logo, the 'unicef' logo, and the 'uzmedcenter' logo.

## Decisions and actions taken during the past 48 hours

### Ministry of Public Health

In a field tour, the Minister of Public Health revealed tons of medicines stored in more than one area, opened one of them to the public and referred those concerned to the judiciary, stating that this is criminality and illegal trafficking in the health of the citizen.

The Minister of Public Health, via Twitter, issued a warning to public warehouses that smuggle medicines to known locations with the devices; advising them to dispense the drug to pharmacies, as the electronic tracking system works well and with extreme accuracy; And that they will be obliged to present the exchange bills according to the rules, and they may expose themselves to what the perpetrators met last night, concluding his tweet that the citizen is a partner in monitoring and accountability.

### Lebanese Red Cross

Cases that have been transferred to hospitals	The number of PCR assays That have been taken to hospitals	The number of people who were transported to the vaccination centers	The number of beneficiaries Awareness seminars	Number of home visits to register COVID-19 vaccine recipients	The number of beneficiaries of the electronic platforms
31,379 (66 New)	100,054 (291 New)	3,272 (8 New)	149,701 (54 New)	49,595 (813 New)	6,389 (2 New)

### Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Supporting the security services in implementing the decisions issued by the Council of Ministers.
- Reporting that /429/ PCR examination of members of the army, where it was found that there were /62/ positive cases: /38/ actual service, /24/ civilian, /3/ military medical.

### General Directorate of State Security

- Reporting the number of new positive cases in the various governorates.
- Report on the vaccination campaigns that are being implemented in various Lebanese regions through the Ministry of Public Health.

### General Directorate of Internal Security Forces

**51,378** written minutes have been written against violators of the decisions of general mobilization since 01/14/2021.

The General Directorate of the Internal Security Forces - Public Relations Division issued the recommendations of the periodic meeting of the emergency committee to raise the state of alert in Lebanese prisons, which came as follows:

- Strictly implementing the necessary measures to prevent the spread of the Corona virus, especially in light of the emergence of the rapidly spreading "Delta" mutant.
- Continuing to vaccinate prisoners and detainees in all prisons and places of arrest and detention, and follow-up awareness campaigns on this issue.
- Follow-up communication with international organizations and specialized associations in terms of monitoring the equipment and maintenance of vital facilities in prisons.

### General Directorate of General Security

- It was reported that there were 8 new injuries among the elements of the General Directorate of Public Security.
- Reporting the number of new positive cases in the various governorates and districts.
- Follow up on the procedures adopted at the air, land and sea borders in cooperation with the teams of the Ministry of Public Health

## Ministry of Public Works and Transportation

## General Decisions / Announcements

The meeting of the Follow-up Committee on Preventive Measures and Measures for the Coronavirus, held on 12/08/2021, issued the following recommendations:

- Emphasis on the previous recommendation regarding making the necessary circulars by: the General Directorate of the Presidency of the Council of Ministers, the Ministries of Interior and Municipalities, Economy and Trade, Tourism, Public Health, Education and Higher Education and Labor in terms of the obligation to grant the vaccine to all workers in the public and private sectors Under its supervision, it is the responsibility of the persons who refuse to receive the vaccine to present a negative PCR result every 72 hours so that the material cost of the examination is at their own expense.
- Ministry of Tourism, Ministry of Interior and Municipalities - General Directorate of Internal Security Forces, General Directorate of State Security: Strict crackdown on violations related to non-compliance with hotel quarantine, subject of General Directorate of Civil Aviation Circular No. 31/2, especially against persons who deliberately leave their passports and claiming to lose it later or making fake hotel reservations
- The General Directorate of Civil Aviation: Making the necessary circular to exempt passengers who left Lebanon and want to return within a week from conducting a PCR examination in the countries from which they wish to return, if they are subject to a PCR examination upon their arrival at Rafic Hariri International Airport, as well as exempting them from the hotel quarantine in the event Their coming from one of the countries subjects of Circular No. 31/2.

The Middle East Airlines - Lebanese Airways, announced in a statement that, starting from 6/8/2021, all passengers arriving in Lebanon will be subject to the following procedures:

- Categories obligated to hotel quarantine: Passengers coming from the United Kingdom - Cyprus - Turkey - Brazil - United Arab Emirates - Iraq - India - Malawi - Ethiopia - Zambia - Liberia - Kenya - Gambia and Sierra Leone (not passengers transiting through these countries) with mandatory possession of a reservation My hotel is at their own expense, for 4 days / 3 nights in one of the approved hotels. Passengers who do not have a hotel reservation are not allowed to board the plane.
- **Categories excluded from hotel quarantine:**
  - ❖ National and foreign diplomatic missions and their families, if they adhere to the quarantine for a period of four days at their place of residence.
  - ❖ Passengers who have previously received at least one dose of any Covid-19 vaccine without a specified duration.
  - ❖ Passengers who were infected with the Corona virus and recovered from it within a period of ninety days before the date of their travel to Lebanon, after presenting an official document proving this.
  - ❖ Passengers transiting by land to Syria through Rafic Hariri International Airport - Beirut.
  - ❖ Minor passengers under 18 years of age, whether they are coming alone or accompanied by their parents.

- Categories obligated to conduct a PCR examination before coming to Lebanon: All passengers must have performed a PCR examination with the mandatory presence of a QR code in one of the approved laboratories, within a maximum of 96 hours from the date of issuance of the examination result until arriving in Lebanon and that they show the result of the examination upon registration bags. Passengers who do not have a negative test result are not allowed to board the plane coming to Lebanon
- Categories excluded from conducting a PCR examination before coming to Lebanon:
  - ❖ Passengers who have received the second dose of Covid-19 vaccine or a full dose of Covid-19 vaccine (which is only one dose), for a period of no less than two weeks.
  - ❖ Passengers who were infected with the Corona virus within a period of ninety days preceding the date of their travel to Lebanon, after presenting an official document proving this.

**Note: All passengers arriving in Lebanon are subject to a PCR examination upon their arrival at Rafic Hariri International Airport - Beirut, except for children under 12 years and UNIFIL forces.**
