### **Ministry of Public Health**

The Executive Committee of the Corona Vaccine at the Ministry of Public Health has warned all citizens who may receive the vaccine from outside the official platform that they will not be able to obtain an official vaccination certificate.

The Ministry of Public Health issued a circular in which the Ministry confirms its approval of the electronic vaccination certificate as an official vaccination certificate without the need for it to be ratified or signed by any competent authority in the ministry.

The Ministry of Public Health reported the completion of PCR tests for flights that arrived in Beirut and were conducted at the airport on July 2, 3 and 4, and the results showed the presence of seventy-one (71) positive cases distributed on the following flights:

### **General Decisions / Announcements**

The meeting of the Follow-up Committee on Preventive Measures and Measures for the Coronavirus, held on 07/07/2021, issued the following recommendations:

- 1- The Ministry of Public Works and Transport Directorate General of Civil Aviation: The necessary circular is made to the authority to implement the same procedure adopted in its circular No. 19/2 regarding the obligation of those wishing to come to Lebanon from some countries to have a hotel reservation at their own expense, provided that the period becomes 3 nights 4 days to implement the quarantine, except for those who received at least one dose of the vaccine, for those coming from the following countries: United Arab Emirates, Ethiopia, Zambia, Sierra Leone, Malawi, Kenya, Liberia, The Gambia.
- 2- The Ministry of Interior and Municipalities: Working to limit the number of people wishing to receive arrivals to Lebanon with one person, while maintaining all other measures taken within the framework of organizing the process of receiving and transporting arrivals through Beirut International Airport.
- 3- The Ministry of Public Health, the Interior and Municipalities, and the Lebanese Red Cross: Establishing a work cell to monitor new cases and those related to new variants of the virus.

The General Directorate of Civil Aviation issued the following statement:

- 1. All those wishing to come to Lebanon must have a negative PCR test from one of the accredited laboratories in the countries they come from, except for those under 12 years of age, within a maximum of 96 hours.
- 2. All those wishing to come to Lebanon from the United Kingdom, Brazil, United Arab Emirates, India, Malawi, Ethiopia, Zambia, Liberia, Kenya, Gambia or Sierra Leone must have a hotel reservation at their own expense for 4 days/3 nights in a hotel It is approved that hotel buses take over the transportation of passengers, and the traveler is also subject to another PCR examination during their stay.
- 3. All feet to Rafic Hariri International Airport are subject to a PCR examination, except for those under 12 years old and UNIFIL forces.

### Exceptions:

- Those coming to Lebanon who received the Corona vaccine in a period of no less than two weeks or were
  infected with the Corona virus within a period of 90 days preceding the date of their travel to Lebanon are
  exempted from conducting a PCR examination from the countries from which they came, provided that they
  undergo a PCR examination at the airport.
- 2. The incoming aircraft crews are allowed for a period not exceeding 48 hours from conducting a PCR examination at the airport, provided that they adhere to the guarantine until their departure.
- 3. Excluded from the hotel quarantine: national and foreign diplomatic missions and their families, passengers who received the vaccine within a period of not less than two weeks before their travel to Lebanon, passengers transiting to Syria, minor passengers (under 18 years old), passengers who left Lebanon and returned within a week on To undergo a PCR examination upon arrival at Rafic Hariri International Airport.
