## General Decisions / Announcements

A statement was issued by the National Operations Room for Disaster Management on 2/28/2021, supplementing the executive statements of Resolution No. 96 / M on 6/2/2021 related to updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions, in which it was decided:

- That the ban on exit and entry remains in effect from 20:00 until 5:00, with compulsory wearing of the muzzle when traveling and wandering.
- Gatherings on beaches and sidewalks are prohibited (except for individual sports), and public parks remain closed.
- All religious and social gatherings and events are prohibited.
- The number of 3 persons with the driver is implicitly adhered to when transporting by public cars and 50% of the capacity of the rest of public transport, with the obligation to wear the muzzle.
- Workers in sectors permitted to work 24 hours are excluded from the provisions of Clause No. 1 above, as they can move within the time of the curfew according to their working hours.
- Determine the institutions and sectors that citizens must obtain permission to go to through the electronic platform <https://covid.pcm.gov.lb>.
- Specifying the institutions that should be registered on the platform <https://bit.ly/3dUFQ8f> without citizens having to obtain permission from the platform.
- Determine the institutions that are not required to be registered on the platform, and citizens do not have to obtain permission to go to them.

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

The Director General of the National Social Security Fund issued Memorandum No. 660 stipulating the addition of the medical laboratory in Beirut Governmental Hospital in Karantina to conduct a corona examination, bringing the total number of accredited laboratories to date to 107 laboratories, with an emphasis on the need for the commitment of hospitals and laboratories contracting with the fund to the laboratory for the laboratory diagnosis of the virus Corona is based on the mechanism specified by the information note Base No.632 of March 11, 2020, especially with regard to the tariffs, controls and conditions necessary to conduct this examination in addition to the accuracy before issuing the results, whether negative or positive.

The Director General of the Ministry of Justice issued Book No. 71 related to the resumption of work in the Notaries Public Departments, as all departments of notaries public in all Lebanese regions are opened from Tuesday 3/2/2021 from eight in the morning until two in the afternoon, with full compliance With the prevention measures previously defined and with a commitment not to overcrowding, and to set appointments for each transaction by phone contacting the notary public.

The Minister of Education and Higher Education issued Decision No. 63 / M / 2021 on 26/2/2021 regarding the organization of emergency work in the Ministry of Education and Higher Education, the Lebanese University and the Educational Center for Research and Development during the period from Monday morning 3/1/2021 until Monday morning 8 / 3/2021 within the second phase of the gradual easing of the closure restrictions.

Based on the decision of the Presidency of the Council of Ministers related to updating the strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, the General Directorate of General Security announced that the Lebanese and their family members stranded in Syria and wishing to return to Lebanon would be allowed to enter, via the Al-Masnaa and Aboudieh border centers on 03/03/2021 , effective From 9:00 to 18:00, provided that they have a PCR examination with a negative result of no more than 96 hours from Syria, provided that they undergo a PCR examination at the border again by the teams of the Ministry of Public Health

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 regarding updating The strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister, who specified the stages for the gradual easing of the closure restrictions as follows:

First Phase	Starting from Monday 02/08/2021 until 5 AM Monday 22/02/2021.
Second Phase	Starting from the end of the second phase until five o'clock on Monday 08/03/2021.
Third Phase	Starting from the end of the third stage until five o'clock on Monday 22/03/2021.
Fourth Phase	Start from the end of the third stage.
