Decisions and actions taken – 03/02/2021

Ministry of Public Health

-Within the framework of the Ministry of Public Health's strategy to achieve the highest level of immunization in the shortest possible period of time to face Coronavirus, the Minister of Public Health chaired the first meeting of the scientific-technical committee that he formed to research permitting the granting of emergency permission for the use of quality and effective COVID-19 vaccines if it meets the conditions for practicing the profession of pharmacy in Lebanon, where six applications submitted by private companies to bring Russian, Chinese and Indian vaccines and their scientific files have been studied.

- The Minister of Public Health and the Minister of Justice launched the joint electronic platform between the two ministries (impact.hospitals.gov.lb), which aims to receive and follow up on reviews and complaints related to the health and hospital sectors and refer them to the competent court.

- The Minister of Public Health issued a decree allowing centers for visual professions to work for three hours a day from ten in the morning until one in the afternoon, while adhering to all preventive measures.
