## General Decisions / Announcements

In its meeting held on Wednesday, 12/30/2020, the Follow-up Committee on Preventive Measures and Procedures issued a recommendation to the Ministry of Public Health that the committee should be deposited

- The results of the study that you are conducting about deaths resulting from infection with the Corona virus in intensive care rooms
- A structured report on the evaluation of governmental and private hospitals in terms of readiness, procedures, and medical equipment

The Committee for the Follow-up of Preventive Measures and Measures to Confront the Coronavirus, in its meeting held today, Monday, 12/21/2020, issued a recommendation regarding the measures to be taken in light of the emergence of the new strain of Coronavirus in the United Kingdom based on the scientific data available to its history and based on the possibility of the spread of this strain. New in several European countries, as it was decided that the Ministry of Public Health would conduct a PCR examination for all arrivals from the United Kingdom to Lebanon upon their arrival at Beirut International Airport at the expense of the Middle East Airlines, with compulsory those arrivals to perform a PCR examination for the second time 72 hours after entering The Lebanese territories are in one of the laboratories approved by the Ministry of Public Health, provided that the Ministry of Public Health shall provide the Ministry of Interior and Municipalities with all information related to the addresses of these arrivals so that they can be traced, and that positive cases are quarantined when the results appear in the approved quarantine centers until an examination is conducted that determines the strain of the virus Infected with it.

Implementing the decision issued by the Ministry of Interior and Municipalities based on the recommendations of the Committee for Follow-up of Preventive Measures and Procedures to Confront the Coronavirus, No. 1612 of 12/21/2020 regarding the amendment of preventive measures and procedures to confront the Corona epidemic, from 12/23/2020 until 12/31/2020 .
