## Age-Specific Cumulative Incidence rate (/100000)

## Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

**Ministry of Public Health**

The Minister of Public Health inaugurated the section devoted to vaccination against Corona virus at the Turkish Specialist Hospital in Sidon in the presence of the Turkish ambassador and the mayor

The Ministry of Public Health issued a report of the national vaccination campaign from 13 to 27 February 2021, which showed that 46,971 citizens had received the vaccine on date, 34,884 of them according to a predetermined date through the platform and 12,087 of them according to a predetermined date with the centers approved for vaccination by the ministry. For more details about the distribution of vaccines among the centers according to the governorates, the ministry's website can be increased: <https://moph.gov.lb>

The Ministry of Public Health reported that PCR tests were completed for flights that arrived in Beirut and were conducted at the airport on March 1, 2021, when twenty-nine (29) positive cases were recorded, and they were distributed as follows:

Direction	Company	Flight Number	Number of Cases

## Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Distributing food aid in various Lebanese regions through the CIMIC Office.
- Breaking up gatherings and directing citizens to the necessity to adhere to preventive measures.

## General Directorate of Internal Security Forces

Coinciding with the phase of gradually easing the closure restrictions, the General Directorate of Internal Security Forces began, periodically and intensively, to direct periodically from its operational units to inspect the institutions that have reopened their doors, to ensure the extent of their commitment to the necessary and safe procedures to start work, so that the number of these institutions reached 2930 / On various Lebanese lands (banks, supermarkets, maintenance companies, factories, and others ...). It stated that the elements of the Internal Security Forces are taking appropriate measures during the detection, such as ensuring the correct registration of these institutions, their employees through the official platform, as well as the results of their PCR examinations, and if they are duly listed, through the aforementioned platform. And make sure that the institutions take all preventive measures.

The General Directorate of Public Security announced that, based on the decision of the Presidency of the Council of Ministers related to updating the strategy to confront the "Corona" virus and the stages of gradually easing the closure restrictions, the Lebanese and their family members stranded in Syria and wishing to return to Lebanon will be allowed to enter Lebanon through the Al-Masnaa and Aboudieh border centers on 10/03/2021. From 9:00 to 18:00 hours, if they have a PCR examination with a negative result of no more than 96 hours from Syria, provided that they undergo a PCR examination at the border again by the teams of the Ministry of Public Health

The reports that were written against the violators of the decisions of the general mobilization during the past 24 hours were distributed according to the regions as follows:

The number of seizure records during the past 24 hours					The total number of records since 03/08/2020	
Written records of violating institutions					2	
Written records of persons that violate curfew decision					31	
Written records of persons violating the decision to wear a mask					86	
<b>Total</b>					<b>119</b>	
					Beirut	51,699
					Mount Leb	64,846
					Begaa	25,140
					North	20,573
					South	20,611
Beirut	Mount Leb	Begaa	North	South	<b>Total</b>	
52	27	26	11	3	<b>182,869</b>	

## General Directorate of State Security

Reporting the number of new positive cases in the various governorates and the cases in home quarantine.

Follow-up of the procedures carried out by the medical teams at the arrival's examination centers at the airport and at the land borders.

## General Directorate of General Security

Carrying out patrols in various governorates, establishing fixed and mobile monitoring points to follow up the implementation of the general closure decision, issuing violations against violators in cooperation with municipalities, and alerting citizens to adhere to preventive measures.

Reporting demand gatherings, riots, cutting roads, and burning tires in various Lebanese regions.

The notification of the Minister of Public Health's going to inspect the Turkish Specialist Hospital in Sidon to open the section devoted to vaccination against the Coronavirus

Notification of the percentage of compliance with the general mobilization decision in the governorates, which came as follows within the past 24 hours:

Beirut	South	North	Akkar	Begaa	Nabatiyeh	Baalbek Hermel	Mount Leb

## General Decisions / Announcements

The Ministry of Education and Higher Education issued Decision No. 67 / M / 2021 regarding the suspension of distance teaching work in all schools, high schools, and public and private institutes from the morning of Monday 8 March 2021 until the evening of Sunday 14 March 2021.

The Committee for Follow-up of Preventive Measures and Procedures headed by the Secretary-General of the Supreme Council for Defense Major General Mahmoud Al-Asmar held a meeting on 4/3/2021, where a recommendation was raised to the Ministry of Public Health to deposit the National Operations Room for Disaster Management at the Presidency of the Council of Ministers within a week from its date of the following data for months December 2020, January and February 2021

- The number of people according to the age group of people with corona who were admitted to hospitals (regular rooms) and the number of days they spent in treatment
- The number of people according to the age group of people with corona who were admitted to hospitals (intensive care rooms) and the number of days they spent in treatment
- The daily number of Corona patients who (entered / discharged) from hospitals (normal beds / intensive care)
- The number of deaths due to corona infection (normal beds / intensive care)
- The daily number of people infected with Corona who were transferred to hospitals from normal beds to intensive care and vice versa.

The National Operations Room for Disaster Management issued a statement requesting the security forces to take the necessary measures to control the violations of the ski centers in the regions of faraya and Kafr Dibian in terms of ensuring the permissions and respecting the generalized preventive measures and procedures and the seizure minutes against the violators with the aim of limiting the spread of the Corona virus

A statement was issued by the National Operations Room for Disaster Management on 2/3/2021, supplementing the executive statements of Resolution No. 96 / PM on 6/2/2021, especially the statement issued on 2/28/2021 related to the update of the Coronavirus Response Strategy and the stages of gradual easing of the closure restrictions Where the institutions that do not need to be registered on the platform have been modified and without citizens having to obtain permission to go to them, which will be eligible for reopening according to their ability to comply with all the mandatory measures listed in the link: <https://bit.ly/3dUFQ8f>

Which includes: agricultural activities (pruning, harvesting, nurseries), vegetable, fruit and fish markets, mills, animal and bee farms, fishers, auto repair centers and stores, spare parts stores, care homes, meter reading and collection staff, store keeper, accident experts Traffic, gas stations, domestic gas distribution points, car rental offices, NGOs and UN agencies except for UNIFIL and UN personnel holding a diplomatic passport, Municipal employees residing outside their municipalities, administration of tobacco and tobacco inventory, distribution warehouses, distributors of paper, means of transporting foodstuffs, sawdust factories, pharmacies, medical clinics, waste transportation machinery, distributors of sterilization and cleaning materials, flower nurseries and outdoor sports fields designated for practicing sports Individual only and practiced outdoors and does not require direct physical contact.

A statement was issued by the National Operations Room for Disaster Management on 2/28/2021, supplementing the executive statements of Resolution No. 96 / M on 6/2/2021 related to updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions, in which it was decided:

- That the ban on exit and entry remains in effect from 20:00 until 5:00, with compulsory wearing of the muzzle when traveling and wandering.
- Gatherings on beaches and sidewalks are prohibited (except for individual sports), and public parks remain closed.
- All religious and social gatherings and events are prohibited.
- The number of 3 persons with the driver is implicitly adhered to when transporting by public cars and 50% of the capacity of the rest of public transport, with the obligation to wear the muzzle.
- Workers in sectors permitted to work 24 hours are excluded from the provisions of Clause No. 1 above, as they can move within the time of the curfew according to their working hours.
- Determine the institutions and sectors that citizens must obtain permission to go to through the electronic platform <https://covid.pcm.gov.lb>.
- Specifying the institutions that should be registered on the platform <https://bit.ly/3dUFQ8f> without citizens having to obtain permission from the platform.
- Determine the institutions that are not required to be registered on the platform, and citizens do not have to obtain permission to go to them.

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 about updating The strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister, who specified the stages for the gradual easing of the closure restrictions as follows:

First Phase	Starting from Monday 02/08/2021 until 5 AM Monday 22/02/2021.
Second Phase	Starting from the end of the second phase until five o'clock on Monday 08/03/2021.
Third Phase	Starting from the end of the third stage until five o'clock on Monday 22/03/2021.
Fourth Phase	Start from the end of the third stage.

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

## Examples of lack of adherence to safety measures

Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.

Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.

### Laboratories that did not comply with the procedures approved by the MoPH About the information required to be recorded for infected cases within the past 24 hours

Laboratories that did not specify the Governorate	
Laboratory/Hospitals	Cases
BDD012-Hayaa Sohia, Bir Abed	10
BDH505-Rafic Hariri University hospital	10
