Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Distributing food aid in various Lebanese regions through the CIMIC Office.

General Directorate of Internal Security Forces

Coinciding with the phase of gradually easing the closure restrictions, the General Directorate of Internal Security Forces began, periodically and intensively, to direct periodically from its operational units to inspect the institutions that have reopened their doors, to ensure the extent of their commitment to the necessary and safe procedures to start work, so that the number of these institutions reached 2930 / On various Lebanese lands (banks, supermarkets, maintenance companies, factories, and others ...). It stated that the elements of the Internal Security Forces are taking appropriate measures during the detection, such as ensuring the correct registration of these institutions, their employees through the official platform, as well as the results of their PCR examinations, and if they are duly listed, through the aforementioned platform. And make sure that the institutions take all preventive measures.

The reports that were written against the violators of the decisions of the general mobilization during the past 24 hours were distributed according to the regions as follows:

The number of seizure records during the past 24 hours					The total number of records since 03/08/2020	
Written records of violating institutions					0	
Written records of persons that violate curfew decision					15	
Written records of persons violating the decision to wear a mask					4	
Total					19	
					Beirut	51,836
					Mount Leb	65,072
					Beqaa	25,360
					North	20,660
					South	20,622
					Total	183,550

General Directorate of State Security

Reporting the number of new positive cases in the various governorates and the cases in home quarantine.

Follow up on the procedures performed by the medical teams at the arrival's examination centers at the airport and at the land borders.

The General Directorate of Public Security announced that, based on the decision of the Presidency of the Council of Ministers related to updating the strategy to confront the "Corona" virus and the stages of gradually easing the closure restrictions, the Lebanese and their family members stranded in Syria and wishing to return to Lebanon will be allowed to enter Lebanon through the Al-Masnaa and Aboudieh border centers on 10/03/2021. From 9:00 until 18:00, if they have a PCR examination with a negative result of no more than 96 hours from Syria, if they undergo a PCR examination at the border again by the teams of the Ministry of Public Health.

General Directorate of General Security

Carrying out patrols in various governorates, establishing fixed and mobile monitoring points to follow up the implementation of the general closure decision, issuing violations against violators in cooperation with municipalities, and alerting citizens to adhere to preventive measures.

Reporting demand gatherings, roadblocks, and tire burning in various Lebanese regions.

Reporting that several Palestinian refugees have closed UNRWA offices in Taalabaya due to the deterioration of their living conditions

The statement of a sit-in by several notaries who won the matches in front of the Palace of Justice to protest against their lack of appointment in the centers and to demand their rights

Reporting a sit-in by several merchants in the town of Dahr Al-Ahmar / Rashaya to protest the restriction of the distribution of subsidized materials to supermarkets, because that leads to cutting off livelihoods and stirring up discord

Notification of the percentage of compliance with the general mobilization decision in the governorates, which came as follows within the past 24 hours:

A statement was issued by the National Operations Room for Disaster Management on 3/7/2021, supplementing the executive statements of Resolution No. 96 / M on 6/2/2021 related to updating the strategy to confront the Coronavirus and the stages of gradual easing of the closure restrictions, particularly in terms of starting the third phase scheduled for 08 / 03/2021 and according to the data issued on 2/2021 and 2/3/2021, which are still valid, as the institutions that do not need to be registered on the platform have been modified without the citizens having to obtain permission to go to them and which will be eligible to reopen according to their ability To comply with all mandatory measures listed in the link <https://bit.ly/3dUFQ8f> which includes:

- Departments of the Ministry of Education and Higher Education and the Car Registration Authority with all its branches and services: You do not need permission from the platform, but citizens must obtain permission from the platform to go to it.
- Offices (institutions / companies), hotels, hair salons: they do not require a work permit, but citizens must obtain permission to go to them.
- Professionals (carpentry, plumbing, etc.): They do not need permission or anyone who wants to go to it. (The employer must conduct PCR tests for workers and present them upon request)

The Ministry of Education and Higher Education issued Decision No. 67 / M / 2021 regarding the suspension of distance teaching work in all schools, high schools, and public and private institutes from the morning of Monday 8 March 2021 until the evening of Sunday 14 March 2021.

The Committee for Follow-up of Preventive Measures and Procedures headed by the Secretary-General of the Supreme Council for Defense Major General Mahmoud Al-Asmar held a meeting on 4/3/2021, where a recommendation was raised to the Ministry of Public Health to deposit the National Operations Room for Disaster Management at the Presidency of the Council of Ministers within a week from its date of the following data for months December 2020, January and February 2021

- The number of people according to the age group of people with corona who were admitted to hospitals (regular rooms) and the number of days they spent in treatment
- The number of people according to the age group of people with corona who were admitted to hospitals (intensive care rooms) and the number of days they spent in treatment
- The daily number of Corona patients who (entered / discharged) from hospitals (normal beds / intensive care)
- The number of deaths due to corona infection (normal beds / intensive care)
- The daily number of people infected with Corona who were transferred to hospitals from normal beds to intensive care and vice versa.

A statement was issued by the National Operations Room for Disaster Management on 2/28/2021, supplementing the executive statements of Resolution No. 96 / M on 6/2/2021 related to updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions, in which it was decided:

- That the ban on exit and entry remains in effect from 20:00 until 5:00, with compulsory wearing of the muzzle when traveling and wandering.
- Gatherings on beaches and sidewalks are prohibited (except for individual sports), and public parks remain closed.
- All religious and social gatherings and events are prohibited.
- The number of 3 persons with the driver is implicitly adhered to when transporting by public cars and 50% of the capacity of the rest of public transport, with the obligation to wear the muzzle.
- Workers in sectors permitted to work 24 hours are excluded from the provisions of Clause No. 1 above, as they can move within the time of the curfew according to their working hours.
- Determine the institutions and sectors that citizens must obtain permission to go to through the electronic platform <https://covid.pcm.gpv.lb>.
- Specifying the institutions that should be registered on the platform <https://bit.ly/3dUFQ8f> without citizens having to obtain permission from the platform.
- Determine the institutions that are not required to be registered on the platform, and citizens do not have to obtain permission to go to them.

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.

Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.

Laboratories that did not comply with the procedures approved by the MoPH About the information required to be recorded for infected cases within the past 24 hours

Laboratories that did not specify the Governorate

Laboratory/Hospitals	Cases
BDH505-Rafic Hariri University hospital	9
