Decisions and actions taken – 12/09/2020

Ministry of Public Health

- The Minister of Public Health announced that the final contract with the "Pfizer" company will be signed on 12/12/2020, as it was agreed with the Prime Minister, Minister of Finance and Governor of the Central Bank of Lebanon to secure 4 million dollars as a first payment of the price of the vaccine, noting that Lebanon will pay eighteen million dollars. The price of the "Pfizer" vaccine from the Treasury is twenty million dollars, the price of the vaccine that was booked through the Kovacs platform from the World Bank loan. The Minister also announced that the Ministry is currently working on equipping centers in the governorates and districts with the equipment required to administer the vaccine, provided that the nominal regulations of the target groups are ready upon the arrival of the vaccine, which will primarily target advanced age groups and various age groups suffering from chronic and intractable diseases in addition to medical and health personnel and professionals who They are in constant contact with society and may constitute a source of infection, with the assurance that the vaccine, by government decision, will be free of charge, as it is considered part of the comprehensive immunization calendar.

-The Ministry of Public Health announced the arrival of three hundred thousand (300,000) additional vaccines from the seasonal influenza vaccine INFLUVAC-TETRA, with the aim of covering the additional demand for this vaccine coinciding with the Corona pandemic, especially for the target groups according to the Memorandum of the Minister of Public Health No. 149/1, where the distribution will be This quantity is at the price of twenty-six thousand two hundred thirty Lebanese pounds (26,230 Lebanese pounds) for a vaccine.

General Decisions / Announcements

Based on the recommendations of the Corona virus Preventive Measures and Procedures Follow-up Committee, and the recommendations of the Prime Minister and due to the necessities of the public interest and safety requirements, the Ministry of Interior and Municipalities issued Decision No. 1524 of 12/5/2020 regarding the extension of decision No. 1459 issued on 11/21/2020 related to the preventive measures and procedures to confront Corona, until five in the morning on Monday 12/14/2020.

The Decision No. 1495 was issued by the Ministry of Interior and Municipalities on 11/29/2020 regarding the amendment of preventive measures and procedures to confront the Corona epidemic, and the most prominent of what was stated in it:

- Determining the times of entry and entry into the streets from 23:00 until 5:00 in the next morning
- Transport instructions for private and public vehicles and trucks.
- Opening times for the public sector and the economic and commercial sectors in all Lebanese regions.
- Limiting the decision to open or close educational institutions and administrative units in all towns and villages to the Minister of Education and Higher Education.
- Keeping bars, cabarets and nightclubs closed without any exceptions and prohibiting all social events, in addition to coordinating with the religious authorities in terms of organizing and determining the numbers of worshippers in places of worship (50% of the capacity).
- General provisions related to the numbers of people traveling by specific public and private means of transport, public prevention and safety measures, mandatory wearing of a mask, personal hygiene and especially hand washing, permanent sterilization and not overcrowding while maintaining distances between people and organizing roles on payment boxes.
- Exclusions related to movement and curfews (military personnel, health sector employees, workers in the diplomatic corps, media professionals, port employees, maritime agencies and the airport, in addition to the Electricity of Lebanon and Kadisha, water establishments and their service providers, mill workers, sweeping companies, waste collection and transportation, military vehicles, civil defense mechanisms, firefighting, municipal police and the cross) The Lebanese Red Army, ambulances and medical equipment, the diplomatic corps, the United Nations, the media and the media, the lifts and the vehicles designated for transporting and towing cars, the vehicles designated for people with special needs and those with a card from the Ministry of Social Affairs, arrivals, departures, and those who take them to and from the airport, provided that they possess a copy of the travel ticket.
- The tasks of mayors in implementing the decision.
- The units of the General Directorate of Internal Security are strict in implementing this decision.
- Note: The full decision can be found at: <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Violations of the Ministry of Interior Decision No. 1432: promenade on the sea corniche, violations of authorized and single motor vehicle traffic, and violations of commercial establishments and stores that did not adhere to the decision.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a mask or face mask, sterilizing hands, maintaining a safe distance).
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, directly call the hotline of the Ministry of Public Health: 1214 or 01/594459
