The Online platform to measure the level of risk of the spread of the new Corona virus

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information on a daily basis, you can access the following link: https://bit.ly/DRM-RiskLevelInMunicipalities

Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link: http://bit.ly/covidsectordata

Occupancy rate of isolation centers for cases infected with Coronavirus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: http://bit.ly/DRM-IsolationCentersProfiles

Note: These centers have been equipped in cooperation between the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus and Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon and the Syndicate of Specialists in Social Work.

General announcements

The Ministry of Education and Higher Education issued Decision No. 463 / M / 2020 on 10/9/2020 regarding the date for the start of teaching in public and private schools and high schools for the academic year 2020/2021. The main highlights of the decision:

- The start of teaching in public and private schools and high schools starting from 10/21/2020 for students in the ninth, second and third grades of secondary, 10/26/2020 for students in the grades of kindergartens, seventh and eighth primary and first secondary, 11/2/2020 for students in the classes of the first and second grades.
- Beginning of teaching in private and public schools and high schools for non-Lebanese students in the afternoon shift starting from 10/21/2020.
- Adopting the blended learning scenario, taking into account the specificity of each educational institution, provided that the classroom occupancy rate does not exceed 50%.
- The class remains one group if the total number of students does not exceed 18, provided that the principle of spacing and a safe distance between students is respected.
- Organizing lists of students' names, phone numbers, and place of residence for notification in the event that the school is closed, pursuant to the decision of the Minister of Interior and Municipalities to limit the spread of the epidemic.

The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 57/2 dated 10/9/2020 to all airlines and ground services companies operating at Rafic Hariri International Airport in Beirut regarding procedures related to passengers arriving from Iraq starting from 10/12 / 2020, as all passengers coming from Iraq must have performed a PCR examination within a maximum period of 96 hours from the date of issuance of the test result until arrival in Lebanon, in laboratories accredited by the Ministry of Public Health as follows:

- Trips coming from Baghdad: An examination issued by the Private Nursing Home Hospital in Medicine City and the Medical Consultant Laboratory in Yarmouk.
- For flights coming from Basra and Najaf: a test issued by any laboratory and must be sealed with the seal of the health department issued by it.
- Trips coming from Erbil: an examination issued by any laboratory in the governorate that is sealed with the seal of the health department in the governorate.

All passengers coming from Iraq are subject to a check upon their arrival at Beirut airport according to the approved mechanism, with a commitment to home or hotel quarantine for a period of 48 hours from the date of their arrival in Lebanon until they are notified of the result of the examination they conducted at the airport, and the requirement for a hotel reservation in advance is canceled.

The Committee on Follow-up of Preventive Measures and Procedures to Confront the Coronavirus, in its meeting on 7/10/2020, issued the following recommendations:

The start of the academic year 2020-2021 through blended, partial and progressive education, starting 10/12/2020 for the ninth, eleventh and twelfth grades in academic education and their equivalent in vocational education, provided that the rest of the grades are gradually followed up according to a program established by the Ministry of Education and Higher Education.

• Educational institutions in towns with a record high daily injury rate, which will be determined by the Ministry of Interior and Municipalities at a time, shall be closed. Students, teachers, administrators and workers living in these towns are also prohibited from moving to their work centers throughout the closure period.

Amending Circular of the Ministry of Public Works and Transport

- General Directorate of Civil Aviation No. 52/2 on 9/21/2020 and canceling the clause requiring passengers coming from Iraq, except for Lebanese and foreigners residing in Lebanon, to have a prepaid hotel reservation for 72 hours in one of the specified hotels Provided that the cases coming from Iraq will be tracked by the Ministry of Public Health in cooperation with the Ministry of Foreign Affairs and Expatriates and the Iraqi Embassy in Lebanon.

Close all nightclubs, discotheques and bars until further notice, according to the development of the epidemiological reality.

- The Ministry of Public Health, in cooperation with the Ministry of Interior and Municipalities, activated the IMPACT platform to track positive cases and circulate them to all accredited laboratories to conduct PCR tests
- Determining the towns with the standard high daily casualty rate on a weekly basis, provided that they are covered by the closure decision issued by the Ministry of Interior and Municipalities for a week.
- Excluding the food and industry sectors, institutions working in the field of fuel and gas distribution, and establishments operating in the distribution of drugs and cables in Lebanon, from the closure decision issued in the decision of the Ministry of Interior and Municipalities.
- The Ministry of Labor issued a circular to all official and private institutions not to take any administrative or behavioral measures against workers residing in towns covered by the closure decision.
- The Committee for the Follow-up of Preventive Measures and Procedures to Confront the Coronavirus Invites all media outlets to cooperate in order to develop an awareness plan against the dangers of the Coronavirus, in coordination with NGOs and clerics.
- The implementation of the Ministry of Interior and Municipalities Decision No. 1205 of 10/2/2020 related to the closure of some villages and towns due to the high number of Coronavirus infections in them, as the decision kept on working with the timing of preventing exit and entering the streets and roads between the first hour after midnight until six o'clock In the morning, the decision also included the closure of 111 towns in various Lebanese regions based on an analysis of the epidemiological situation in them for a full week, starting from Sunday 10/4/2020 until 12/10/2020 with specifying exceptions and the implementation mechanism for implementing the decision in cooperation between the governors, municipalities and security services all.

Note: The decisions can be found at www.drm.pcm.gov.l

Examples of lack of adherence to safety measures

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.
