Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

Decisions and actions taken during the past 24 hours

Ministry of Public Health

The Ministry of Public Health announced that the approved certificate of vaccination is given electronically to those who received two doses of the vaccine, and it is an electronic certificate that contains a bar code and issued on the data page of the concerned vaccinator through the electronic platform, without the need to sign or stamp it from the ministry.

The Ministry of Public Health issued Decision No. 381/1 based on the necessity to issue an official document confirming the vaccination of people outside the electronic national platform, which includes the measures to be taken by people who received the first dose of the vaccine outside Lebanon and brought the second dose with them, or who received the vaccine Through special initiatives with the aim of including them in the national platform for fertilization, which is as follows:

- Conducting an IgG test two weeks after completing the second dose of the vaccine and obtaining an official document from an accredited laboratory on or outside the Lebanese territory confirming the results of this test.
- Presenting a medical report on a unified medical prescription, signed and stamped with the seal of a doctor registered in one of the two Lebanese Medical Syndicates.
- The Preventive Medicine Department at the Ministry of Public Health issues an official document certifying that the person concerned will be vaccinated after submitting all documents and checking them.

Lebanese Red Cross

Cases transferred to the hospital	26,476 (122 New)	Ambulance centers	48	Number of additional ambulance centers ready to respond	88,507 (322 New)	Number of PCR tests transferred to laboratories	241,227

General Decisions / Announcements

Following the decision of extending the general mobilization till 30 August 2021 and after evaluating the epidemiological reality and the decisions that should be taken in order to prevent the spread of Corona virus and based on the high prevalence of the pandemic in all governorates, the below should be taken into consideration:

1. Obligation of wearing face masks under the circumstance of fining the violators.
2. Implement a total curfew from Monday, 12 April 2021, with a period of one month, starting 2130hrs till 0500hrs, with the exemption of personnel who satisfy the conditions that are mentioned in the decision No: 96 issued on 06 February 2021, in addition to individuals who are not covered by the decision who can obtain a transportation clearance through covid.pcm.gov.lb for the below sectors:
3. Hotels, Hospitals, Pharmacies, Gas station, vegetables, fruits and fish markets,
4. Request to all religious figures to warn from not abiding by the imposed preventive measures and urged to implement strict measures in worship places during prayers with a maximum capacity of 30%.
5. Travelers to/from BRHIA are exempted from the curfew based on possessing valid documents (ticket, boarding pass, ...etc.).

Ref : Ministry of Public Health

All reports and related decisions can be found at: <http://drm.pcm.gov.lb>

Or social media @DRM_Lebanon

6. It is forbidden to hold banquets, feasts, Ramadan tents, with the exception of charities and institutions who will be allowed to deliver food after obtaining a permit from the MoIM (Ministry of Interior and Municipalities).
7. The below table shows the exempted sectors, its working schedule and the mechanism of obtaining clearances for its respective employees (The circular can be found in detail at the link: <http://drm.pcm.gov.lb>)

The Presidency of the Council of Ministers issued Circular No. 5/2021 on 3/26/2021, whereby, based on the proposal of the Ministerial Committee, all public departments and institutions are required to work with an attendance rate not exceeding 50%

- Re-extension of the general mobilization status for a period of six months, starting from 1/4/2021 until 9/30/2021 inclusive, with the enforcement of the measures and procedures imposed and their implementation during the general mobilization extension period.
- Request the technical committee charged with following up on the control of the Coronavirus, to complete communication with the concerned authorities, trade unions and associations, in order to put it into practice and to adhere to the procedures and measures that contribute to mitigating the spread of the epidemic.

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
