Decisions and actions taken – 11/02/2021

Ministry of Public Health

- The Ministry of Public Health announced the imminent arrival of the Covid 19 vaccine, as the vaccine targets in the early stages of the vaccination process those most at risk according to their job, workplace, age and health condition
- The Ministry of Public Health reported that a coordination meeting was held in the ministry, where the readiness of a number of centers in which the vaccination campaign would be launched next Monday, and linking these centers electronically to the registration platform for the vaccine, in addition to the preparations of the field, monitoring and logistical teams that will accompany and handle the vaccination operations
- The media office of the Minister of Public Health denied the information circulating about the arrival of quantities of the Pfizer vaccine to Lebanon and its distribution to the patronage of political and partisan parties.
- The Ministry of Public Health stated that the AstraZeneca vaccine, which the ministry booked on the Covax platform, has received approval from the World Health Organization, which constitutes a positive development, especially since the date of the arrival of this vaccine is expected at the beginning of the fourth week of February.

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 regarding updating The strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister. The main highlights of the decision:

First: Updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions raised by the Ministerial Committee, which included:

- ✓ Community response plan.
- ✓ Surveillance and tracking plan.
- ✓ The development of the number of government hospital beds.
- ✓ National vaccination plan

The mechanism for easing restrictions imposed on sectors and the movement of individuals is organized into four detailed stages attached to the decision, provided that the process of moving from one stage to another is subject to periodic evaluation by the relevant ministerial committee:

- ✓ The first phase: starts from five o'clock in the morning of Monday, 02/08/2021, until five o'clock in the morning of Monday, 02/22/2021.
- ✓ The second phase: starts from the end of the second phase until five o'clock on Monday 08/03/2021.
- ✓ The third phase: starts from the end of the third phase until the fifth hour of Monday morning, 3/22/2021
- ✓ The fourth stage: starts from the end of the third stage

Second: Extending the work of the first paragraph of Resolution No. 26 / M PB issued on 01/11/2021 with regard to:

- ✓ Preventing the movement of arriving travelers through land and sea border crossings, with the exception of transit ones, without including shipping operations, provided that the land borders are open one day a week for the passage of the Lebanese.
- ✓ The committee, consisting of the ministers of the interior, municipalities, public health, tourism, public works and transport, to determine the minutes of implementing procedures related to the movement of navigation and arrivals through the airport, on a regular basis.

Third: It is forbidden to go out and enter the streets and roads from five o'clock in the morning of Monday on 02/08/2021 until five in the morning of Monday on 02/22/2021 with the exception of some bodies, institutions and persons specified in the tables attached to the decision, provided that everyone abides by the obligation to obtain Required permissions to navigate through the website covid.pcm.gov.lb, or by text message on the number 1120, in addition to adhering to safety standards. As for the groups excluded from the obligation to obtain permission to move, and specified in detail in the decision, they must use the job cards while on the move.

Fourth: All ministries, in coordination with the concerned agencies, are required to take all measures that would put this decision into immediate implementation, strictly apply it, respect safety and prevent Coronavirus

Fifth: Exemptions or exclusions of some emergency and new cases are reviewed according to a decision issued by the Presidency of the Council of Ministers after consulting the concerned ministers and based on a request submitted through the website.

Sixth: The decision is submitted to the Council of Ministers for a settlement
