The Online platform to measure the level of risk of the spread of the new Corona virus

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information on a daily basis, you can access the following link:

<https://bit.ly/DRM-RiskLevelInMunicipalities>

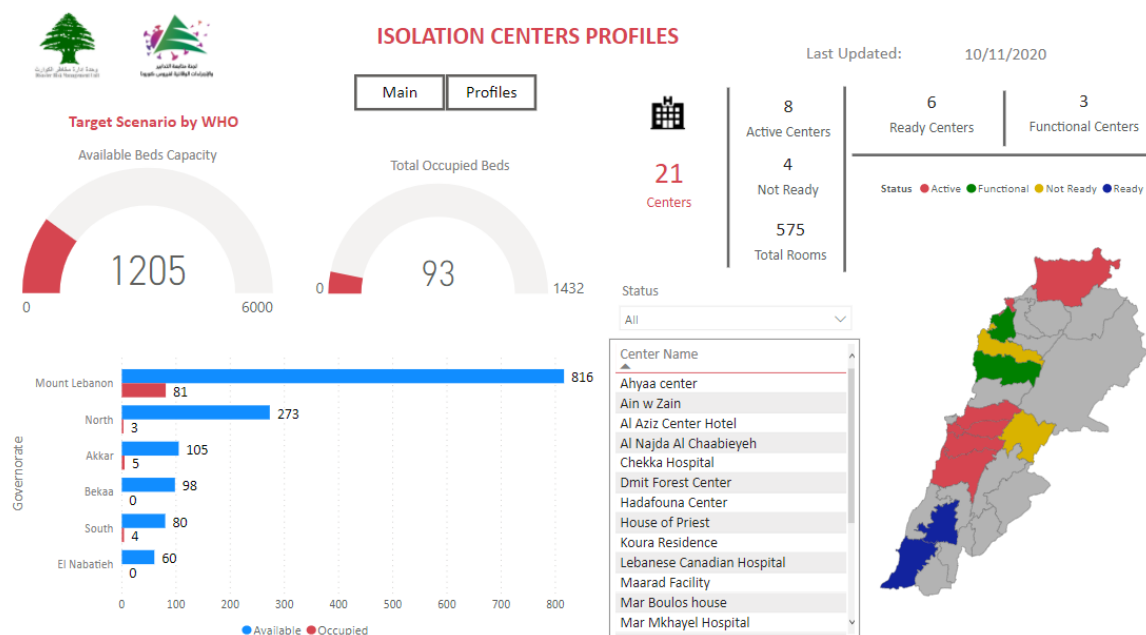

Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link:

<http://bit.ly/covidsectordata>

Occupancy rate of isolation centers for cases infected with Coronavirus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation between the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus and Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon and the Syndicate of Specialists in Social Work.

Cases per day

The percentage of positive cases out of the number of daily checks (28 September to 11 October 2020)

Distribution of Active Cases by Districts

Recoveries

Distribution of deaths by Governorates

Distribution of deaths by Age

Comparison of the rate of doubling of the number of deaths in Lebanon with other countries (death doubling rate)

The distribution of the recorded deaths during the past 24 hours

Hospital	Residence	Gender	Age	Chronic
Saint George	Beirut	Male	67	Yes
Saint George	Beirut	Male	56	Yes
Saint George	Baabda	Male	61	No
Harire Gov.	Beirut	Male	74	Yes

Distribution of cases by nationality

Lebanese : 49189 cases out of 53568 (88%)

Number of individuals in home isolation and percentage of commitment to isolation

Exposure

Distribution according to gender

■ Contact with confirmed case ■ Travel related ■ Under investigation ■ Unidentified source

■ Female ■ Male

Distribution by age

Decisions and actions taken – 10/11/2020

Ministry of Public Health

The Ministry of Public Health is following up the procedures for identifying contacts with municipalities, especially in the towns that are registering an increasing number of positive cases, in addition to organizing campaigns for conducting PCR tests in various Lebanese regions.

Arriving from	Company	Flight Number	Number of Positive Cases
N/A			
Total			0

Lebanese Red Cross

234,025	Number of PCR tests transferred to laboratories	48,439 (166 New)	Number of additional ambulance centers ready to respond	48	ambulance centers	6,171 (61 New)	cases transferred to hospitals
166	Number of volunteers trained to transfer PCR tests	1,498	Number of trained paramedics	8,732	total number of respondents	80,964	number of those benefiting from awareness *sessions
967	The number of university volunteers trained to follow up on prevention measures in companies and institutions	291	Number of university volunteers trained to conduct awareness sessions	550	total LRC volunteers for covid19	8,601	number of trained managers for isolation centers
4,266 (5 New)	Number of beneficiaries from educational electronic platforms COVID-19	95,122	Number of distributed equipment	1,240,561	total distributed posters, brochures, and flyers on covid19 prevention	606	number of prisons that have been disinfected

General Directorate of Internal Security Forces

The number of seizure records during the past 24 hours					The total number of records since 03/08/2020	
Written records of violating institutions (absorptive capacity and preventive measures)				0		
Written records of persons violating the decision to wear a mask				0	Beirut	20,646
Written records of people violating the general mobilization decision (Aragil* and social distancing)				23	Mount Leb	18,917

General announcements

The Ministry of Interior and Municipalities issued Decision No. 1250 on 10/11/2020 related to the closure of some villages and towns due to the high number of cases of Coronavirus in them, based on the recommendations of the Committee for Follow-up of Measures and Preventive Measures of Coronavirus. The main highlights of the decision:

- Closure of the towns listed in the decision starting from 6:00 a.m. on Monday 10/10/2020 until 6:00 a.m. on Monday, 10/19/2020, provided that work stops in all official and private departments and institutions within those villages and cancellation All social events, parties, parties and gatherings of all kinds, and coordination with the clergy to close the houses of worship. The decision specified the sectors excluded from the closure decision.
- Keeping work at the time of preventing exit and entering the streets and roads between the first hour of midnight until six in the morning.
- Determining the number of people traveling by public and private transportation (3 people in public cars, 4 people in private cars, half the carrying capacity of common transport vehicles and buses).
- A complete closure until further notice, without any exceptions, for all bars, cabarets, and nightclubs all over Lebanese territory, subject to the risk of referring the violators to the competent court.
- The commitment of citizens in all regions to wear masks, maintain safe distances, and avoid overcrowding.
- Assigning governors to determine the municipal zone in the major towns included in the decision and overlapping with other towns, taking appropriate measures to implement the content of the decision, stressing citizens in the villages and towns that will be closed with the necessity to stay in homes and not to walk around and to wear masks when forced movement.
- Assigning the General Directorate of Internal Security to strictly enforce this decision and suppress violations, and to organize arrest reports against violators.

The Ministry of Education and Higher Education issued Decision No. 463 / M / 2020 on 10/9/2020 regarding the date of the commencement of teaching in public and private schools and high schools for the academic year 2020/2021. The main highlights of the decision:

- The start of teaching in public and private schools and high schools starting from 10/21/2020 for students in the ninth, second and third grades of secondary, 10/26/2020 for students in the grades of kindergartens, seventh and eighth primary and first secondary, 11/2/2020 for students in the classes of the first and second grades.
- Beginning of teaching in private and public schools and high schools for non-Lebanese students in the afternoon shift starting from 10/21/2020.
- Adopting the blended learning scenario, considering the specificity of each educational institution, provided that the classroom occupancy rate does not exceed 50%.
- The class remains one group if the total number of students does not exceed 18, provided that the principle of spacing and a safe distance between students is respected.
- Organizing lists of students' names, phone numbers, and place of residence for notification if the school is closed, pursuant to the decision of the Minister of Interior and Municipalities to limit the spread of the epidemic.

Note: The decisions can be found at www.drm.pcm.gov.l

Examples of lack of adherence to safety measures

Failure of some municipalities to abide by the Ministry of Interior and Municipalities Decision No. 1025/2020 related to the closure of towns that have a high risk of the spread of the epidemic.

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in several stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459
