The percentage of positive cases out of the number of daily tests (30, Jan– 12 Feb,2021)

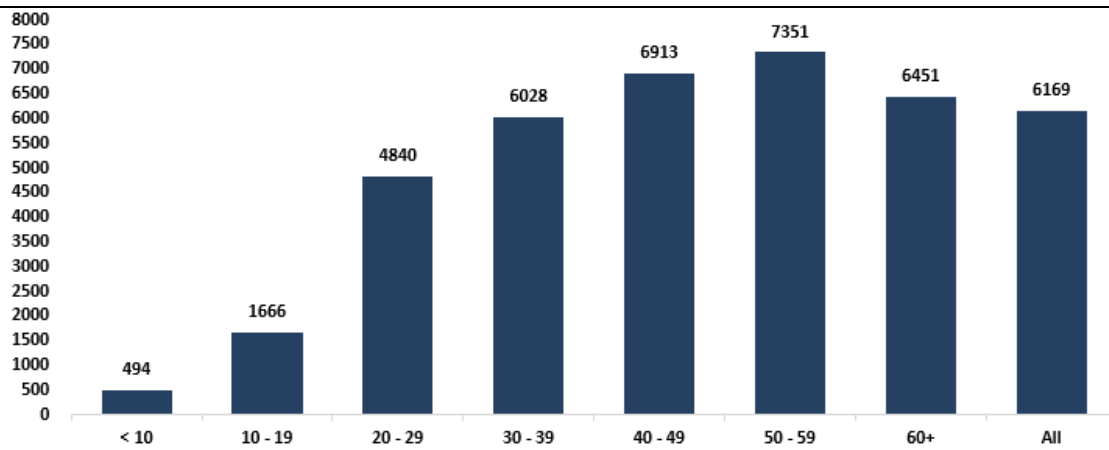

Cumulative cases per day

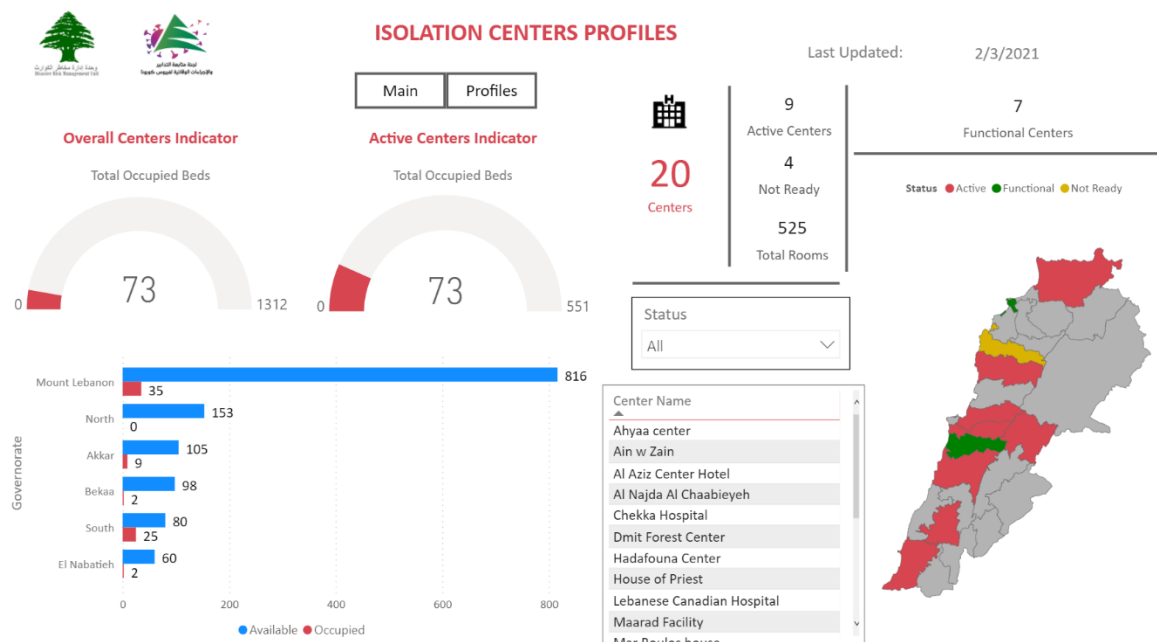

Number of individuals in home isolation and percentage of commitment to isolation

Age-Specific Cumulative Incidence rate (/100000)

Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

Decisions and actions taken – 12/02/2021

Ministry of Public Health

-The Ministry of Public Health stated that the Covid vaccine will arrive to Lebanon on Saturday 13/2/2021, provided that the vaccination for the first category beneficiaries of the first phase will begin according to the ministry's plan on Sunday 14/2/2021.

- The Minister of Public Health and the Minister of Education announced in a joint press conference that the educational sector comes in priority after the health sector, as the health plan was presented to keep pace with the partial and gradual opening of the educational sector that starts from taking basic preventive measures in schools and colleges from the use of masks and the separation between people and sterilization, in addition to the mechanism for reporting cases, whether between students, teachers, or the administrative body and contacts.

-The Minister of Public Health announced that international partner organizations of the Ministry of Public Health have provided eighty thousand Antigen Rapid Tests to serve and protect the educational sector. He also announced the initiative of the Lebanese University to cover the age groups above sixteen years with the vaccine, i.e. high school students, by providing fifty thousand vaccines from AstraZeneca for the public and private educational sectors.

- The Ministry of Public Health will hold intensive meetings to discuss the preparedness of the centers from which the vaccination campaign will start next Monday and the mechanism of linking these centers electronically with the vaccine registration platform, in addition to the preparations of the field, monitoring and logistical teams that will accompany and handle the vaccination operations.

- The Ministry of Public Health reported that PCR tests had been completed for flights that arrived to Beirut and were conducted at the airport on February 9th, when twelve (12) positive cases were recorded, distributed over the following flights:

Destination	Num cases	Flight num	Company
Doha	2	416	Qatar Airways
Yerevan	2	276	MEA
Francfort	1	218	MEA
Dubai	1	953	UAE
Istanbul	1	826	Turkish
Adana	1	7836	AJ
Istanbul	4	286	MEA
Total	12		

Lebanese Red Cross

Cases transferred to the hospital	18,8690 (123 New)	Ambulance centers	48	Number of additional ambulance centers ready to respond	74,430 (48 New)	Number of PCR tests transferred to laboratories	241,165

General Decisions / Announcements

- The meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus, which was held on Friday 12/2/2021, issued the following recommendations:

- Amending the proposed preventive health protocol for the commercial sector as follows:
 - ✓ Carry out a periodic PCR examination for all employees working in the commercial sector when it is reopened.
 - ✓ Emphasizing that all customers must possess a transfer permit from the IMPACT platform before they shop in the store.
 - ✓ Forming a working group that includes a representative of the Committee on Preventive Measures and Measures to Confront the Coronavirus, and representatives of the Beirut Merchants Association, associations, committees and trade unions and the Federation of Chambers of Commerce, Industry and Agriculture in Lebanon to develop an implementation mechanism for the proposed protocol and the time frame for its implementation.
- The Ministry of Economy and Trade, in coordination with the Ministry of Finance, work to develop a financial stimulus plan for the commercial sector in light of the losses it suffered as a result of the Corona epidemic.

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 regarding updating The strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister. The main highlights of the decision:

First: Updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions raised by the Ministerial Committee, which included:

- ✓ Community response plan.
- ✓ Surveillance and tracking plan.
- ✓ The development of the number of government hospital beds.
- ✓ National vaccination plan

The mechanism for easing restrictions imposed on sectors and the movement of individuals is organized into four detailed stages attached to the decision, provided that the process of moving from one stage to another is subject to periodic evaluation by the relevant ministerial committee:

- ✓ The first phase: starts from five o'clock in the morning of Monday, 02/08/2021, until five o'clock in the morning of Monday, 02/22/2021.
- ✓ The second phase: starts from the end of the second phase until five o'clock on Monday 08/03/2021.
- ✓ The third phase: starts from the end of the third phase until the fifth hour of Monday morning, 3/22/2021
- ✓ The fourth stage: starts from the end of the third stage

Second: Extending the work of the first paragraph of Resolution No. 26 / M PB issued on 01/11/2021 with regard to:

- ✓ Preventing the movement of arriving travelers through land and sea border crossings, with the exception of transit ones, without including shipping operations, provided that the land borders are open one day a week for the passage of the Lebanese.
- ✓ The committee, consisting of the ministers of the interior, municipalities, public health, tourism, public works and transport, to determine the minutes of implementing procedures related to the movement of navigation and arrivals through the airport, on a regular basis.

Third: It is forbidden to go out and enter the streets and roads from five o'clock in the morning of Monday on 02/08/2021 until five in the morning of Monday on 02/22/2021 with the exception of some bodies, institutions and persons specified in the tables attached to the decision, provided that everyone abides by the obligation to obtain Required permissions to navigate through the website covid.pcm.gov.lb, or by text message on the number 1120, in addition to adhering to safety standards. As for the groups excluded from the obligation to obtain permission to move, and specified in detail in the decision, they must use the job cards while on the move.

Fourth: All ministries, in coordination with the concerned agencies, are required to take all measures that would put this decision into immediate implementation, strictly apply it, respect safety and prevent Coronavirus

Fifth: Exemptions or exclusions of some emergency and new cases are reviewed according to a decision issued by the Presidency of the Council of Ministers after consulting the concerned ministers and based on a request submitted through the website.

Sixth: The decision is submitted to the Council of Ministers for a settlement

The Follow-up Committee on Preventive Measures and Procedures for Coronavirus, which was held on 02/05/2021 at 10:00 am headed by Major General Mahmoud Al-Asmar, issued recommendations to adopt a plan to open the specified sectors in four phases, separating each phase from another two weeks, provided that the first phase begins on 02/08/2021 while maintaining the curfew 24/7. During this stage, health indicators of the spread of the epidemic will be evaluated continuously.

- The Presidency of the Council of Ministers issued Resolution No. 46 / PM on 21/2/2021 based on the recommendation of the Ministerial Committee in charge of following up on the issue of preventive measures and procedures for the Coronavirus in its meeting on January 21/2021, where the President of the Republic and the Prime Minister decided to give an exceptional approval to extend the full closure decision No. 26 / PM on 11/1/2021 until 5 a.m. on Monday corresponding to 8/2/2021. The exceptions or some emergency and new cases are reconsidered according to a decision issued by the Chairman of the Council Ministers after consulting the concerned ministers and based on a request submitted to the National Operations Room at the Presidency of the Council of Ministers by text message on the number 1120 or through the website [covid.pcm.gov.lb](http://drm.pcm.gov.lb) or through a special application created for this purpose.

- The National Operations Chamber, and based on Decision No. 26 / M on 11/1/2021, issued the electronic guide for submitting a request for a special exit permit under the general closure from 01/14/2021 to 01/25/2021 for the persons included Those who are not included in the exceptions to the full closure decision by filling out the form via the website [covid.pcm.gov.lb](http://drm.pcm.gov.lb) or by sending a text message to 1120 including the full name, the judiciary, and the option number from the specified list With the exception of the employees of the General Directorate of the Presidency of the Republic, the General Secretariat for the Presidency of the House of Representatives, the Presidency of the Council of Ministers, the Ministries of National Defense and the Interior, Municipalities, Military, Health and Pharmacist Sectors, Workers in the Diplomatic Corps, United Nations Members, Media and Media Personnel

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
- Violations of the car transport decision (single - legal).
