Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link:

#### **General announcements**

The Ministry of Interior and Municipalities issued Decision No. 1250 on 10/11/2020 related to the closure of some villages and towns due to the high number of cases of Coronavirus in them, based on the recommendations of the Committee for Follow-up of Measures and Preventive Measures of Coronavirus. The main highlights of the decision:

• Closure of the towns listed in the decision starting from 6:00 a.m. on Monday 10/10/2020 until 6:00 a.m. on Monday, 10/19/2020, provided that work stops in all official and private departments and institutions within those villages and cancellation All social events, parties, parties and gatherings of all kinds, and coordination with the clergy to close the houses of worship. The decision specified the sectors excluded from the closure decision.

• Keeping work at the time of preventing exit and entering the streets and roads between the first hour of midnight until six in the morning.

• Determining the number of people traveling by public and private transportation (3 people in public cars, 4 people in private cars, half the carrying capacity of common transport vehicles and buses).

• A complete closure until further notice, without any exceptions, for all bars, cabarets, and nightclubs all over Lebanese territory, subject to the risk of referring the violators to the competent court.

• The commitment of citizens in all regions to wear masks, maintain safe distances, and avoid overcrowding.

• Assigning governors to determine the municipal zone in the major towns included in the decision and overlapping with other towns, taking appropriate measures to implement the content of the decision, stressing citizens in the villages and towns that will be closed with the necessity to stay in homes and not to walk around and to wear masks when forced movement.

• Assigning the General Directorate of Internal Security to strictly enforce this decision and suppress violations, and to organize arrest reports against violators.

The Ministry of Education and Higher Education issued Decision No. 463 / M / 2020 on 10/9/2020 regarding the date of the commencement of teaching in public and private schools and high schools for the academic year 2020/2021. The main highlights of the decision:

• The start of teaching in public and private schools and high schools starting from 10/21/2020 for students in the ninth, second and third grades of secondary, 10/26/2020 for students in the grades of kindergartens, seventh and eighth primary and first secondary, 11/2/2020 for students in the classes of the first and second grades.

• Beginning of teaching in private and public schools and high schools for non-Lebanese students in the afternoon shift starting from 10/21/2020.

• Adopting the blended learning scenario, considering the specificity of each educational institution, provided that the classroom occupancy rate does not exceed 50%.

• The class remains one group if the total number of students does not exceed 18, provided that the principle of spacing and a safe distance between students is respected.

• Organizing lists of students' names, phone numbers, and place of residence for notification if the school is closed, pursuant to the decision of the Minister of Interior and Municipalities to limit the spread of the epidemic.

Note: The decisions can be found at www.drm.pcm.gov.l

#### Examples of lack of adherence to safety measures

Failure of some municipalities to abide by the Ministry of Interior and Municipalities Decision No. 1025/2020 related to the closure of towns that have a high risk of the spread of the epidemic.

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in several stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459
