The Online platform to measure the level of risk of the spread of the new Corona virus

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information on a daily basis, you can access the following link:

https://bit.ly/DRM-RiskLevelInMunicipalities

Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link:

Occupancy rate of isolation centers for cases infected with Coronavirus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: http://bit.ly/DRM-IsolationCentersProfiles

Note: These centers have been equipped in cooperation between the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus and Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon and the Syndicate of Specialists in Social Work.

General announcements

The Ministry of Interior and Municipalities issued Memorandum **No. 107 / A.M. / 2020** on **10/14/2020** on the mechanism for controlling the conditions of the quarantined and the procedures to be implemented at the level of the governorates, districts, municipalities, and the Lebanese Red Cross, which was mandated to follow up the conditions of those quarantined in homes through its representatives deployed in Various governorates and districts. The most prominent actions mentioned in the memorandum:

• Governors:

- Coordination with the Red Cross through the representative specified in the memorandum.
- Asking the district administrators to inform the municipalities of the duties of the delegates of the Lebanese Red Cross to ensure proper implementation and coordination.
- Requesting the district mayors to provide the municipalities and representatives of the Red Cross with all information about the quarantined persons.
- Follow up on the conditions of the basic quarantine centers specialized for the injured who do not need health care.

• Kaa'makam:

- Follow up the conditions of quarantined quarantine and approved quarantine centers in the towns that fall within their scope of work, in coordination with the concerned municipalities.
- Coordinating the work of the judiciary doctor, delegates and volunteers of the Red Cross, and the municipal work teams.

• Mayors:

- Ensure that quarantined persons adhere to quarantine procedures and instructions in coordination with representatives of the Red Cross.
- Training a rapid intervention team to transfer infected cases to quarantine centers or hospital.
- Coordination with representatives of the Red Cross to confirm information about all interdicted cases and monitor the development of their conditions.

• Lebanese Red Cross:

- -Training teams of volunteers from villages and towns to raise awareness about quarantine and prevention measures.
- Follow up the conditions of the quarantined in all Lebanese regions through delegates and ensure their commitment to the required procedures in coordination with the municipality.
- Providing the quarantined and their families with clear instructions and instructions on how to act during the home quarantine and when any symptoms appear
