Decisions and actions taken – 17/02/2021

Ministry of Public Health

- The officials of the Corona vaccination platform at the Ministry of Public Health announced three methods that can be adopted to register for taking the vaccine, especially if there are any technical difficulties the person has in registering:

- 1) Through the Impact platform at the link <https://covax.moph.gov.lb>, indicating the possibility of registering more than one person on the same phone number (for example, a son can register his father on the same phone number that he owns).

- 2) By calling the hotline 1214.

- 3) Through the municipalities that will help the person to register.

- The Ministry of Public Health reported that PCR examinations were completed for flights that arrived to Beirut and were conducted at the airport on February 11, 13 and 14, where nineteen (19) positive cases were recorded, distributed over the following flights:

General Decisions / Announcements

- Today, the Prime Minister launched the national vaccination campaign to combat the Corona epidemic from the Grand Serail, with the participation of the Vice President of the World Bank for the Middle East and North Africa and a number of ministers and the Committee for the Follow-up of Preventive Measures and Measures of Coronavirus, in addition to a number of representatives of international organizations and national societies, as the Prime Minister affirmed that Lebanon is at a pivotal moment in the fierce confrontation with the Corona epidemic that kills humanity, indicating that Lebanon is moving today from the fear of the epidemic to the stage of protection through vaccination in preparation for the gradual restoration of normal life.

- The meeting of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus, which was held on Friday 12/2/2021, issued the following recommendations:

- Amending the proposed preventive health protocol for the commercial sector as follows:
 - ✓ Carry out a periodic PCR examination for all employees working in the commercial sector when it is reopened.
 - ✓ Emphasizing that all customers must possess a transfer permit from the IMPACT platform before they shop in the store.
 - ✓ Forming a working group that includes a representative of the Committee on Preventive Measures and Measures to Confront the Coronavirus, and representatives of the Beirut Merchants Association, associations, committees and trade unions and the Federation of Chambers of Commerce, Industry and Agriculture in Lebanon to develop an implementation mechanism for the proposed protocol and the time frame for its implementation.
- The Ministry of Economy and Trade, in coordination with the Ministry of Finance, work to develop a financial stimulus plan for the commercial sector in light of the losses it suffered as a result of the Corona epidemic.

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 regarding updating The strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister. The main highlights of the decision:

First: Updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions raised by the Ministerial Committee, which included:

- ✓ Community response plan.
- ✓ Surveillance and tracking plan.
- ✓ The development of the number of government hospital beds.
- ✓ National vaccination plan

The mechanism for easing restrictions imposed on sectors and the movement of individuals is organized into four detailed stages attached to the decision, provided that the process of moving from one stage to another is subject to periodic evaluation by the relevant ministerial committee:

- ✓ The first phase: starts from five o'clock in the morning of Monday, 02/08/2021, until five o'clock in the morning of Monday, 02/22/2021.
- ✓ The second phase: starts from the end of the second phase until five o'clock on Monday 08/03/2021.
- ✓ The third phase: starts from the end of the third phase until the fifth hour of Monday morning, 3/22/2021
- ✓ The fourth stage: starts from the end of the third stage

Second: Extending the work of the first paragraph of Resolution No. 26 / M PB issued on 01/11/2021 with regard to:

- ✓ Preventing the movement of arriving travelers through land and sea border crossings, with the exception of transit ones, without including shipping operations, provided that the land borders are open one day a week for the passage of the Lebanese.
- ✓ The committee, consisting of the ministers of the interior, municipalities, public health, tourism, public works and transport, to determine the minutes of implementing procedures related to the movement of navigation and arrivals through the airport, on a regular basis.
