Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis.

The detailed results can be viewed directly at the following link:

http://bit.ly/covidsectordata

Decisions and actions taken - 17/09/2020

Ministry of Public Health

The Ministry of Public Health is working to develop a rapid response plan for prisons in Lebanon, after recording infections with the Coronavirus among prisoners, in cooperation between the Ministry and its partners in the health and humanitarian field, as the plan will include steps and escalatory measures based on the evaluation of the spread of the virus in a way that allows securing the required health and hospital accompaniment.

The Ministry of Public Health issued the results of additional examinations for incoming trips to Lebanon on 13, 14 and 15 September 2020, when ten new positive cases were recorded and distributed over the following flights:

Arriving from	Company	Flight Number	Number of Positive Cases					
	13/09/2020							
Bghadad	MEA	323	3					
	14/09	/2020						
Istanbul	MEA	266	1					
Dubai	FZ	159	1

General announcements

The following recommendations were issued by the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on 9/16/2020:

- That the Ministry of Public Health prepare a list of countries in which the PCR examination is considered reliable and approved in Lebanon, and another list of countries where this examination is not reliable and is not accredited in Lebanon.
- That the Ministry of Public Works and Transport circulate through the General Directorate of Civil Aviation to the concerned authorities the approved procedures as follows:

Countries where PCR testing is reliable and approved in Lebanon	Countries where PCR testing is considered unreliable and unsupported in Lebanon
- The expatriate's possession of a negative test result dating back to a maximum of 96 hours from the date of arrival in Lebanon.	- The expatriate's possession of a negative test result dating back to a maximum of 96 hours from the date of arrival in Lebanon.
- Choose to quarantine for a period of 9 days or re-examination after a period of 72 hours	- Perform a PCR examination upon arrival at Beirut International Airport.
	- Commitment to quarantine for a period of 5 days (place of residence or hotel according to the approved instructions).
	- Members of diplomatic missions accredited in Lebanon are exempt from conducting the examination upon arrival at the airport, provided that the examination procedure is performed after the five-day quarantine period has expired

- That the Ministry of Tourism circulate to restaurants, cafes, restaurants and tourism establishments full compliance with the Smoking Reduction Law No. 174/2011, while restricting the provision of hookahs to open spaces and adhering to all preventive measures circulated by the Ministry in this regard.
- Reopening of cinemas, theaters, amusement parks, parks and indoor spaces for children's games, provided that the occupancy rate of 50% as a maximum is adhered to and that all preventive measures and measures are adhered to.
- The Minister of Interior and Municipalities issued Decision No. 1129 of 9/17/2020 to amend the opening and closing times for industrial and commercial enterprises, as the timing of the prevention of exit and entry into the streets was kept between the first hour of midnight until six in the morning of every day, and approved the recommendations issued For the meeting of the Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus on 9/16/2020.

Note: The decisions can be found at www.drm.pcm.gov.lb

Examples of lack of adherence to safety measures

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459
