General Decisions / Announcements

On 12/16/2020, the Committee for the Follow-up of Preventive Measures and Measures of Coronavirus held a meeting headed by the Secretary-General of the Supreme Defense Council and an assessment of the reality of the epidemic spread in light of the current economic reality. According to the available data, the rate of increase in Coronavirus infections will increase by 25% due to the existence of Various social events, and accordingly, these are the most prominent recommendations issued:

- Amending working hours in the tourism sector, with an emphasis on commitment to preventive measures
- The Ministry of Information should organize targeted media campaigns that clarify the necessity of adhering to preventive measures
- The epidemiological surveillance program at the Ministry of Public Health shall deposit the committee daily a list of the dead by Corona virus
- The Ministry of Health should present the mechanism for receiving, storing, distributing and using the vaccine to the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus

All reports and related decisions can be found at: <http://drm.pcm.gov.lb>

Or social media @DRM_Lebanon

- The Ministry of Tourism announced that whoever wants to hold a party, event or a festive gathering must fill out the form at the following link: eventregistry.net, in line with the decisions of the Ministerial Committee.

- In cooperation with the Committee for the Follow-up of Coronavirus Preventive Measures and Procedures and the Lebanese Red Cross, the Ministry of Education launched an interactive electronic platform to monitor the development of Coronavirus infections in public and private schools and distribute them to districts. The minister will rely on this platform to take the appropriate decision regarding the opening or closing of schools.

On 12/13/2020, the Ministry of Interior and Municipalities issued Resolution No. 1556 regarding the amendment of preventive measures and measures to confront the Corona epidemic, as it begins to be applied from the morning of 12/14/2020 until the morning of 12/21/2020, and the most prominent of what was mentioned in it:

- Determine the times of entry and entry into the streets between 23:30 until 5:00 in the next morning.
 - Transport instructions for private and public vehicles and trucks.
 - Opening times for the public sector and the economic and commercial sectors in all Lebanese regions.
 - Allowing the holding of various social events under specific conditions, in addition to coordinating with the religious authorities in terms of organizing and determining the number of worshipers in places of worship.
 - Setting specific conditions that allow restaurants, cabarets and bars to operate.
 - Limiting the decision to open or close educational institutions and administrative units in all towns and villages to the Minister of Education and Higher Education.
 - General provisions related to the numbers of people traveling by specific public and private means of transport, public prevention and safety measures, mandatory wearing of a mask, personal hygiene and especially hand washing, permanent sterilization and not overcrowding while maintaining distances between people and organizing roles on payment boxes.
 - Exclusions related to movement and curfews (military personnel, health sector employees, workers in the diplomatic corps, media professionals, port employees, maritime agencies and the airport, in addition to the Electricity of Lebanon and Kadisha, water establishments and their service providers, mill workers, sweeping companies, waste collection and transportation, military vehicles, civil defense mechanisms, firefighting, municipal police and the cross) The Lebanese Red Army, ambulances and medical apparatus, the diplomatic corps, the United Nations, the media and the media, the lifts and the vehicles designated for transporting and towing cars, the vehicles designated for people with special needs and those with a card from the Ministry of Social Affairs, arrivals and departures, and those who take them to and from the airport, provided they have a copy of the travel ticket.
 - The mandates of governors, mayors and district officials in implementing the decision.
 - The units of the General Directorate of Internal Security are strict in implementing this decision.
- Note: The full decision can be found at: <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Violations of the Ministry of Interior Decision No. 1432: promenade on the sea corniche, violations of authorized and single motor vehicle traffic, and violations of commercial establishments and stores that did not adhere to the decision.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a mask or face mask, sterilizing hands, maintaining a safe distance).
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, directly call the hotline of the Ministry of Public Health: 1214 or 01/59445
