## Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

## Decisions and actions taken – 19/03/2021

### Ministry of Public Health

The Minister of Public Health received from the Brazilian ambassador to Lebanon a donation, the second provided by the Brazilian government to support the ministry in its efforts to combat the Corona pandemic, which includes portable oxygen devices and medical reagents for PCR examinations that will be distributed to hospitals.

The Ministry of Public Health reported that there were forty-five (45) positive cases on flights coming to Lebanon on the dates of 14, 15 and 16 March 2021, and they were distributed as follows:

Direction	Company	Flight Number	Number of Cases
14/3/2021			
Frankfurt	LH	1306	2
Frankfurt	MEA	218	2
Adana	Turkish Airlines	7836	1
Dubai	Emirates Airways	953	2
Al Najaf	MEA	327	11
Istanbul	Turkish Airlines	826	4
Istanbul	MEA	268	2
Doha	Qatari Airways	418	1
<b>Total</b>			<b>25</b>

Direction	Company	Flight Number	Number of Cases
15/3/2021			
Doha	Qatari Airways	416	1
Oman	MEA	311	1
Al Najaf	Iraqi Airways	139	1
Sharqah	G9	385	5
Dubai	MEA	427	1
Baghdad	MEA	323	2
Cairo	Egypt Airways	711	1
Cairo	MEA	307	1
Istanbul	PEGASUS	863	1
Damascus	Rb	181	1
Dubai	MEA	429	2
<b>Total</b>			<b>17</b>

Direction	Company	Flight Number	Number of Cases
1/3/2021			
Doha	Qatari Airways	416	1
Yerkan	MEA	276	1
Istanbul	MEA	266	1
<b>Total</b>			<b>3</b>

## Lebanese Red Cross

Cases transferred to the hospital	23,418 (173 New)	Ambulance centers	48	Number of additional ambulance centers ready to respond	82,480 (281 New)	Number of PCR tests transferred to laboratories	241,227
Number of being benefitting from awareness sessions	146,976 (8 New)	total number of respondents	8,915	Number of trained paramedics	1,498	Number of volunteers trained to transfer PCR tests	166

**General Decisions / Announcements**

Statement of the National Disaster Management's Operations Room Decision 19

Further to the implementation procedure of Decision No. 96 issued on 6/2/2021, related to the regarding the update of the strategy to confront the Coronavirus and the stages of gradually easing the lockdown restrictions, especially phase 4 of decisions dated 22/03/2021 the following was decided:

1. Current measures regarding going out and curfew remain applicable from 20:00 till 5:00
2. People exempted from above mentioned Article 1 who can circulate 24rs include those working in approved sectors according to their work hours based on schedules and circulars as well as those benefiting from approval through the IMPACT platform
3. Timing extension to all commercial sectors and retail stores specified in previous decision extended till 19:00
4. All sectors not mentioned in the current statement should abide by the restrictions and procedures previously circulated including preventive safety measures related to PCR testing, request exemption from the platform in addition to citizens respecting requests for exemptions and respecting number of people allowed in crowded places mentioned in previous decisions
5. Decision issued on 02/02/2021 to be adjusted so that the PCR testing is canceled for UN agencies and NGOs so long as the request for exemption for transportation from the Ministry of Interior remains valid and in place
6. All institutions that qualify to open during this phase should abide by the safety measures dictated in the following link: <http://bit.ly/3duFQ8f>
7. Stress and commitment to wear masks, physical distancing and following safety measures and protocols related to covid-19 to be respected
8. Holding social gatherings remain to be banned (weddings)
9. Percentage of staff working in banks and industries increased to 100% from overall number of staff
10. Pubs and nightclubs remain to be closed until further notice

Casino du Liban	Yes	Citizens should get exemption request from the platform covid.pcm.gov.lb	24 hrs	
Amusement game centers	Yes		6	19

The General Directorate of State Employees' Cooperation issued a hospital circular No. 1 /2021 About the allowance for personal protection supplies and oxygen during the treatment of Covid-19 patients, so that the cooperative approved a new lump sum amount as follows:

- Personal protective equipment: 300,000 LBP for a regular room and 500,000 LBP for an intensive care room per day.
- Tariff for oxygen in the intensive care room: 3 thousand Lebanese pounds for a normal flow and 6 thousand Lebanese pounds for a high flow during one hour.

In keeping with the national immunization campaign carried out by the Ministry of Public Health and the licenses issued by it to a number of pharmaceutical companies to import vaccines that have been approved for use in Lebanon, the Governor of Mount Lebanon issued Circular No. 331 / A / 2021, Under which he allowed municipalities to secure the Corona vaccine through pharmaceutical companies licensed by the Ministry of Public Health, where he asked the district administrators in the districts of Mount Lebanon Governorate to urge the municipalities and their unions that have the necessary capabilities to negotiate with the Lebanese pharmaceutical companies licensed by the Ministry of Public Health in order to secure quantities Of the vaccine for citizens residing in the municipal area, provided that the vaccine has obtained the approval of the Ministry of Public Health and in accordance with all the approved conditions and standards, in coordination with the competent authorities and in accordance with the mechanism established by the Ministry of Public Health, especially with regard to the centers where people will receive the vaccine, The relevant procurement contracts shall be presented for the supervision and approval of the competent administrative authority

The meeting of the Committee on Preventive Measures and Measures to Confront the Coronavirus on March 17, 2021 issued the following recommendations:

- The Ministry of Public Health: preparing a list of countries with a low infection rate below the thousand sixty days ago, in preparation for the abolition of the necessity of conducting a PCR examination upon arrival at Rafic Hariri International Airport.
- The Ministry of Public Works and Transport - General Directorate of Civil Aviation: Standardizing the registration of data for arrivals to Lebanon via the airport on the platforms of the Ministry of Public Health and the Ministry of Interior and Municipalities by canceling the circular mandating filling out the form on the website <https://arcg.is/OGaDnG>.
- Ministry of Interior and Municipalities - General Directorate of Public Security: The Aboudieh and Factory border crossings were opened for the Lebanese and their families on Mondays and Fridays, at a rate of 300 people per day at each crossing, provided that they undergo PCR checks at the borders upon their arrival by the Ministry of Public Health teams.
- Ministry of Interior and Municipalities - General Directorate of Public Security: The Aboudieh and Al Masna border crossings were opened on Wednesday for Syrians with valid residency in Lebanon and their family

members at a rate of 150 people at each crossing, provided that they have a PCR examination. For a second checkup at the border upon arrival by the Ministry of Public Health teams.

The Ministry of Communications announced that based on the approval of the Council of Ministers, the hotlines for Covid-19 will be exempted from the cost of calling to citizens, provided by the Ministry of Public Health, and thus the four-way numbers 1214 and 1787 assigned to the Ministry of Health on the fixed land network and on the MIC1 and MIC2 cellular networks are exempt from The cost of communication, which are numbers dedicated to answering citizens' inquiries about anti-Coronavirus vaccines, helping to access the registration platform and to report side effects of vaccination, if any, and for psychological support, in order to reduce the financial burden on citizens, the Coronavirus patient and his contacts.

The Public Housing Corporation announced that it will close its doors starting from Wednesday morning, March 17, due to the infection of a number of its employees with the Corona virus, and that it will receive citizens according to prior dates only, and for citizens who have housing loans who want to follow their files and pay dues in advance, and everyone who wants to review them Call 01425101 to schedule an appointment.

The Minister of Education and Higher Education announced that it has been agreed to open schools starting from March 22, 2021, gradually, starting from the ranks of official certificates, where the financial, technical and health requirements for achieving safe return to schools are studied with the Prime Minister and the Minister of Public Health.

The Director General of the National Social Security Fund issued a media note No. 661 on 3/12/2021 according to which he decided to amend the tariff for laboratory examination for Coronavirus PCR to become 100 thousand Lebanese pounds instead of 150 thousand pounds as a maximum for all health service providers, based on studies Prepared by the fund management on the cost of the CORONA examination, and in implementation of the decision of the Board of Directors' Bureau No. 849, taken in the session No. 904 of March 10, 2021, where it was stressed the need to adhere to the new tariff under the risk of taking appropriate penalties against the violators.

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

### Examples of lack of adherence to safety measures

Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.

Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
