General Decisions / Announcements

- The Ministry of Interior and Municipalities issued Decision No. 1611 on 12/20/2020 regarding the extension of work on the content of Resolution No. 1556 regarding amending measures and procedures to confront the Corona epidemic, until five in the morning on Wednesday, December 23, 2020.

- On 12/16/2020, the recommendations of the Committee for the Follow-up of Preventive Measures and Measures of the Coronavirus were issued based on a meeting headed by the Secretary-General of the Supreme Defense Council, during which the epidemiological reality was assessed in light of the current economic reality. 25% and that this increase in numbers is not due to the orderly opening of sectors that are subject to supervision. Rather, it is due primarily to the non-compliance of citizens with health measures in various social events such as weddings, funerals, gatherings in homes, chalets and others. Accordingly, the committee's recommendations came as follows:

- Amending the working hours in the tourism sector until three o'clock in the morning during the first week of the issuance of the decision by the Ministry of Interior and Municipalities, provided that the restriction of working hours stops during the second week of the decision with an emphasis on following up full compliance with preventive measures and the percentage allowed for customers (50%) in All times.
- That the Ministry of Information organize targeted media campaigns explaining the importance of adhering to preventive measures.
- That the epidemiological surveillance program at the Ministry of Public Health sends the committee daily a nominal list of deaths as a result of the Coronavirus.
- The Ministry of Public Health shall present the plan to be applied in terms of receiving, storing, distributing and using the vaccine for the Coronavirus to the Committee for Follow-up of Coronavirus Preventive Measures and Measures.

- The Ministry of Tourism announced that whoever wants to hold a party, event or a festive gathering must fill out the form at the following link: eventregistry.net, in line with the decisions of the Ministerial Committee.

- In cooperation with the Committee for Follow-up of Coronavirus Preventive Measures and Measures and the Lebanese Red Cross, the Ministry of Education and Higher Education launched an interactive electronic platform to monitor the development of Coronavirus infections in public and private schools and distribute them to districts, as this platform will be approved by the Minister to take appropriate decisions regarding the opening or closing of schools in coordination with the Ministry of Public Health and the Ministry of Interior and Municipalities

On 12/13/2020, the Ministry of Interior and Municipalities issued Resolution No. 1556 regarding the amendment of preventive measures and measures to confront the Corona epidemic, as it begins to be applied from the morning of 12/14/2020 until the morning of 12/21/2020, and the most prominent of what was mentioned in it:

- Determine the times of entry and entry into the streets between 23:30 until 5:00 in the next morning.
 - Transport instructions for private and public vehicles and trucks.
 - Opening times for the public sector and the economic and commercial sectors in all Lebanese regions.
 - Allowing the holding of various social events under specific conditions, in addition to coordinating with the religious authorities in terms of organizing and determining the number of worshipers in places of worship.
 - Setting specific conditions that allow restaurants, cabarets and bars to operate.
 - Limiting the decision to open or close educational institutions and administrative units in all towns and villages to the Minister of Education and Higher Education.
 - General provisions related to the numbers of people traveling by specific public and private means of transport, public prevention and safety measures, mandatory wearing of a mask, personal hygiene and especially hand washing, permanent sterilization and not overcrowding while maintaining distances between people and organizing roles on payment boxes.
 - Exclusions related to movement and curfews (military personnel, health sector employees, workers in the diplomatic corps, media professionals, port employees, maritime agencies and the airport, in addition to the Electricity of Lebanon and Kadisha, water establishments and their service providers, mill workers, sweeping companies, waste collection and transportation, military vehicles, civil defense mechanisms, firefighting, municipal police and the cross) The Lebanese Red Army, ambulances and medical apparatus, the diplomatic corps, the United Nations, the media and the media, the lifts and the vehicles designated for transporting and towing cars, the vehicles designated for people with special needs and those with a card from the Ministry of Social Affairs, arrivals and departures, and those who take them to and from the airport, provided they have a copy of the travel ticket.
 - The mandates of governors, mayors and district officials in implementing the decision.
 - The units of the General Directorate of Internal Security are strict in implementing this decision.
- Note: The full decision can be found at: <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Violations of the Ministry of Interior Decision No. 1432: promenade on the sea corniche, violations of authorized and single motor vehicle traffic, and violations of commercial establishments and stores that did not adhere to the decision.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a mask or face mask, sterilizing hands, maintaining a safe distance).
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, directly call the hotline of the Ministry of Public Health: 1214 or 01/59445
