The Online platform to measure the level of risk of the spread of the new Corona virus

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information on a daily basis, you can access the following link:

https://bit.ly/DRM-RiskLevelInMunicipalities

Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link:

Occupancy rate of isolation centers for cases infected with Coronavirus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: http://bit.ly/DRM-IsolationCentersProfiles

Note: These centers have been equipped in cooperation between the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus and Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon and the Syndicate of Specialists in Social Work.

Ministry of Public Health

- The Ministry of Public Health has reminded that all travelers coming to Lebanon must register on the Ministry of Public Health's COVID-19 MOPH PASS electronic platform and ensure the correctness of the information before sending it to enable the Ministry's work team to follow up their health status via the following link: https://arcg.is/0GaDnG
- The Ministry of Public Health stated that every hospital that provides an intensive care room for people with Coronavirus will benefit from respirators that the Ministry works to secure for hospitals.
- Within the framework of implementing its strategy to confront the second stage of the outbreak, and in accordance with the recommendations of the National Committee for Follow-up of Preventive Measures and Procedures for Coronavirus, the Ministry is intensifying campaigns to conduct PCR examinations in various Lebanese regions, especially in the villages and towns that record increasing numbers of infections and which are included in the closure decision No. 1258/2020 issued by the Ministry of Interior and Municipalities. The Ministry is also closely following the measures implemented by the municipalities in order to limit the spread of the virus locally, in coordination with the doctors in the districts and the security services.

General announcements

- The Minister of Interior and Municipalities issued Decision **No. 1258 on 10/18/2020** regarding the continued closure of some villages and towns due to the high number of corona infections in them, based on the recommendations of the small committee affiliated to the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus. The main highlights of the decision:
- The closure of the towns listed in the decision starting from 6:00 a.m. on Monday 10/19/2020 until 6:00 a.m. on Monday, 10/26/2020, provided that work stops in all official and private administrations and institutions within those villages and cancellation All social events, parties, parties and gatherings of all kinds, and coordination with the clergy to close the places of worship, and this decision specified the sectors excluded from the closure decision.
- Keeping work at the time of preventing exit and entering the streets and roads between the first hour of midnight until six in the morning.
- Determining the number of people traveling by public and private transport (3 people in public cars, 4 people in private cars, half the carrying capacity of common transport vehicles and buses).
- A complete closure until further notice, and without any exceptions, for all bars, cabarets and nightclubs all over the Lebanese territories, under penalty of referring the violators to the competent court.
- The commitment of citizens in all regions to wear a mask, maintain safe distances, and avoid overcrowding when forced to move.
- The decision to open or close educational institutions and administrative units of the Ministry of Education and Higher Education in unlocked towns and villages is limited to the Minister of Education and Higher Education.
- Assigning governors to determine the municipal zone in the major towns included in the decision and overlapping with other towns, taking appropriate measures to implement the content of the decision and requesting the support of the security forces when necessary, stressing citizens in villages and towns that will be closed with the necessity to remain in homes and not to walk around and to wear a muzzle when Forced mobility, asking the district administrators to instruct the mayors to review the daily lists of positive cases that are sent to them via the IMPACT platform to check them and correct their data as soon as they are received, and to assign them to supervise this task in coordination with the Judicial Doctor and the Lebanese Red Cross.
- Assigning the General Directorate of Internal Security to strictly enforce this decision and suppress violations and organize seizure records against violators

Note: The decisions can be found at www.drm.pcm.gov.lb

Examples of lack of adherence to safety measures

Failure of some municipalities to abide by the Ministry of Interior and Municipalities Decision No. 1025/2020 related to the closure of towns that have a high risk of the spread of the epidemic.

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in several stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- · Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459
