Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis.

The detailed results can be viewed directly at the following link:

http://bit.ly/covidsectordata

Decisions and actions taken - 21/09/2020

Ministry of Public Health

The Ministry of Public Health submitted the recommendations issued by the medical scientific committee in the ministry to the Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus, as the most prominent of which was the call for a "complete closure for a period of two weeks, which constitutes an opportunity to prepare for the autumn season.

The Ministry of Public Health issued the results of additional examinations for incoming trips to Lebanon on 9/19/2020, where five new infections were recorded among the arrivals, and they were distributed over the following trips:

Arriving from	Company	Flight Number	Number of Positive Cases
Baghdad	Iraqi Airways	131	1
Irbeil	MEA	325	1
Paris	Air France	566	1
Istanbul	MEA	266	1
Kuwait	Kuwaiti Airlines	501	1
			5

General announcements

The following recommendations were issued by the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on 9/21/2020:

- The Ministry of Public Health activates the work of the epidemiological surveillance program, ensures that hospital and health institutions follow the agreed-upon risk containment protocol, circulates to laboratories, determines the timing for conducting examinations for contacts with a minimum of five days, develops a plan to increase the number of PCR examinations for contacts, studies and approves the proposed tariff To receive cases of Coronavirus infection in private hospitals and to activate adherence to the mechanism of reception, entry and exit of patients infected with Coronavirus in hospital institutions
- The Ministry of Public Health pays the material allowance owed to the directors of the isolation centers, provided that the international donors work to activate coordination and secure the operational costs of these centers
- The Syndicate of Private Hospitals and Doctors in Beirut and the North and the Syndicate of Nurses and Nurses in Lebanon set up an emergency line for each of them and put it at the disposal of health sector workers to report any problem or complaint related to the non-application or misapplication of the protocol for containing risks within health and hospital institutions.
- The Syndicate of Private Hospital Owners will work to open and operate special departments for Corona patients in all category "A" hospitals, while providing incentives for doctors, nurses, and workers in these departments.
- The Ministry of Interior and Municipalities and the Ministry of Tourism to activate the procedures of the third phase of the plan to reopen the generalized sectors in support of the recommendations issued on August 26, 2020 in terms of taking legal measures against violators
- The Ministry of Interior and Municipalities and the Ministry of Tourism to activate the procedures of the third phase of the plan to reopen the generalized sectors in support of the recommendations issued on August 26, 2020 in terms of taking legal measures against violators
- The Ministry of Justice works to reduce overcrowding in prisons
- Developing an action plan for responding and containing cases infected with Coronavirus in health care homes by the Ministries of Public Health and Social Affairs
- Include the daily report issued by the National Operations Room for Disaster Management an interactive map showing the affected cases for every thousand residents for fourteen days in each district, so that appropriate measures can be taken
- Waiting to close the sectors and work to implement and activate all recommendations while continuing to assess the reality
 of the epidemic
- The Ministry of Information circulates recommendations to citizens in order to raise awareness and adhere to preventive measures and procedures
- The General Directorate of Civil Aviation at the Ministry of Public Works and Transport issued Circular No. 52/2 on September 21, 2020 to all airlines and ground services companies operating at Rafic Hariri International Airport regarding procedures related to passengers arriving in Lebanon starting from September 23, 2020
- Implementing the Ministry of Interior and Municipalities Decision No. 1129 of 9/17/2020 regarding amending the opening
 and closing times of industrial and commercial establishments, which kept work at the time of preventing exit and entering
 the streets between the first hour of midnight until six in the morning of every day, and approved the recommendations
 issued by A meeting of the Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus
 on 9/16/2020

Note: The decisions can be found at www.drm.pcm.gov.lb

Examples of lack of adherence to safety measures

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, call directly the hotline of the Ministry of Public Health: 1214 or 01/594459
