General Directorate of Public Security

- Implementing the required security and preventive measures at the airport, seaports and border crossings.
- Investigating and following up on suspected and positive cases and cases in home quarantine for residents and expatriates in the various Lebanese regions.
- Reporting new casualties among the elements of the internal security forces, internal security and the army.

The Ministry of Public Health announced the strategy followed in order to confront the outbreak of the Coronavirus, which revolves around:

- Follow-up of arrivals at the airport through the epidemiological surveillance and preventive medicine team
- Rapid reporting of test results for both expatriates and residents.
- Emphasizing the role of local authorities and security forces in monitoring compliance with quarantine.
- Joint forces with NGOs to support and help.
- Approving the diagnosis of discovering infected cases at the airport using trained dogs (the last experiments stage).
- Emphasis on hospitals, without exception, to receive cases of COVID-19.
- Following up on the equipping of governmental hospitals through the World Bank loan
- Launching an intensive media campaign across all media and social media.

- Providing aid to all hospitals from donations that are received in Lebanon in coordination with the army.
- Activating primary health care laboratory, radiographically and medicinally.
- Distributing medicines to hospitals and medicine distribution centers in the governorates and districts to reduce the movement of citizens.
- Working with the competent authorities and with the Egyptian, Japanese and Russian embassies and the World Health Organization to secure the vaccine against the virus and preserve the right of the Lebanese to medicine after completing the necessary studies.
- Adding new laboratories that conduct PCR tests to help in the rapid diagnosis of the virus, in addition to coordination and cooperation in this field with the Lebanese University

The ministry issued the results of the tests for the second batch of incoming flights on 21/8/2020, where one positive case was recorded on the incoming flight from Doha with the Iraqi company, Flight No. 418.
