They dealt with the two health protocols established by the Federation of Chambers of Commerce, Industry and Agriculture in Lebanon and the delegation of the Supreme Syndicate of Beauty Salon Owners, where they demanded to reopen in the second phase, but the Ministry of Public Health emphasized the need to follow the approved opening plan and to keep the sectors mentioned above for the third phase in light of health data The hospitalization provided, especially in terms of the epidemic spread, which is still at the fourth level of societal prevalence. The Ministry of Economy and Trade also called for the necessity of opening the commercial sectors in compliance with the agreed protocols, in order to prevent the deterioration of the economic conditions and the resulting closure of institutions and the dismissal of workers, especially in light of the inevitability of closing the commercial sector for an additional two weeks.

Based on the foregoing, the recommendations came as follows:
