## Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

## Decisions and actions taken – 24/03/2021

### Ministry of Public Health

The Minister of Public Health received the Minister of Industry, accompanied by the Vice President of the Industrialists Association. The discussion dealt with the issue of obtaining the vaccine for the productive industrial sectors.

The Minister of Public Health received the President of the Union of Jbeil Municipalities and the Head of the Municipality of Qartaba, where the discussion dealt with the conditions of Qartaba Governmental Hospital.

The Ministry of Public Health announced that the arrival date of the first shipment of AstraZeneca vaccine to Beirut airport is this evening

The Ministry of Public Health issued Decision No.1/381 through special initiatives, with the aim of including them in the national platform for fertilization, which is as follows:

- Conducting the IgG test two weeks after completing the second dose of the vaccine and obtaining an official document from an accredited laboratory on or outside the Lebanese territory confirming the results of this test.
- Presenting a medical report on a unified medical prescription, signed, and stamped with the seal of a doctor registered in one of the two Lebanese Medical Syndicates.
- The Preventive Medicine Department at the Ministry of Public Health issues an official document certifying that the person concerned will be vaccinated after submitting all documents and checking them

The Ministry of Public Health announced the approval of the Presidency of the Council of Ministers on its request to exempt citizens from the cost of calling the hotlines 1214 and 1787 in order to reduce the financial burden.

### General Decisions / Announcements

The General Directorate of Civil Aviation issued Circular No. 14/2 dated 22/03/2021 regarding procedures related to passengers arriving in Lebanon, as passengers coming to Lebanon are no longer required to fill in the form issued by the Ministry of Public Health, which was available electronically. As of 23/03/2021

Statement of the National Disaster Management's Operations Room Decision 19/03/2021

Further to the implementation procedure of Decision No. 96 issued on 6/2/2021, related to the regarding the update of the strategy to confront the Coronavirus and the stages of gradually easing the lockdown restrictions, especially phase 4 of decisions dated 22/03/2021 the following was decided:

1. Current measures regarding going out and curfew remain applicable from 20:00 till 5:00
2. People exempted from above mentioned Article 1 who can circulate 24rs include those working in approved sectors according to their work hours based on schedules and circulars as well as those benefiting from approval through the IMPACT platform
3. Timing extension to all commercial sectors and retail stores specified in previous decision extended till 19:00
4. All sectors not mentioned in the current statement should abide by the restrictions and procedures previously circulated including preventive safety measures related to PCR testing, request exemption from the platform in addition to citizens respecting requests for exemptions and respecting number of people allowed in crowded places mentioned in previous decisions
5. Decision issued on 02/02/2021 to be adjusted so that the PCR testing is canceled for UN agencies and NGOs so long as the request for exemption for transportation from the Ministry of Interior remains valid and in place
6. All institutions that qualify to open during this phase should abide by the safety measures dictated in the following link: <http://bit.ly/3duFQ8f>
7. Stress and commitment to wear masks, physical distancing and following safety measures and protocols related to covid-19 to be respected
8. Holding social gatherings remain to be banned (weddings)
9. Percentage of staff working in banks and industries increased to 100% from overall number of staff
10. Pubs and nightclubs remain to be closed until further notice

The General Directorate of State Employees' Cooperation issued a hospital circular No. 1 /2021 About the allowance for personal protection supplies and oxygen during the treatment of Covid-19 patients, so that the cooperative approved a new lump sum amount as follows:

- Personal protective equipment: 300,000 LBP for a regular room and 500,000 LBP for an intensive care room per day.
- Tariff for oxygen in the intensive care room: 3 thousand Lebanese pounds for a normal flow and 6 thousand Lebanese pounds for a high flow during one hour.

In keeping with the national immunization campaign carried out by the Ministry of Public Health and the licenses issued by it to a number of pharmaceutical companies to import vaccines that have been approved for use in Lebanon, the Governor of Mount Lebanon issued Circular No. 331 / A / 2021, Under which he allowed municipalities to secure the Corona vaccine through pharmaceutical companies licensed by the Ministry of Public Health, where he asked the district administrators in the districts of Mount Lebanon Governorate to urge the municipalities and their unions that have the necessary capabilities to negotiate with the Lebanese pharmaceutical companies licensed by the Ministry of Public Health in order to secure quantities Of the vaccine for citizens residing in the municipal area, provided that the vaccine has obtained the approval of the Ministry of Public Health and in accordance with all the approved conditions and standards, in coordination with the competent authorities and in accordance with the mechanism established by the Ministry of Public Health, especially with regard to the centers where people will receive the vaccine, The relevant procurement contracts shall be presented for the supervision and approval of the competent administrative authority

The meeting of the Committee on Preventive Measures and Measures to Confront the Coronavirus on March 17, 2021 issued the following recommendations:

- The Ministry of Public Health: preparing a list of countries with a low infection rate below the thousand sixty days ago, in preparation for the abolition of the necessity of conducting a PCR examination upon arrival at Rafic Hariri International Airport.

- The Ministry of Public Works and Transport - General Directorate of Civil Aviation: Standardizing the registration of data for arrivals to Lebanon via the airport on the platforms of the Ministry of Public Health and the Ministry of Interior and Municipalities by canceling the circular mandating filling out the form on the website <https://arcg.is/OGaDnG>.
- Ministry of Interior and Municipalities - General Directorate of Public Security: The Aboudieh and Factory border crossings were opened for the Lebanese and their families on Mondays and Fridays, at a rate of 300 people per day at each crossing, provided that they undergo PCR checks at the borders upon their arrival by the Ministry of Public Health teams.
- Ministry of Interior and Municipalities - General Directorate of Public Security: The Aboudieh and Al Masna border crossings were opened on Wednesday for Syrians with valid residency in Lebanon and their family members at a rate of 150 people at each crossing, provided that they have a PCR examination. For a second checkup at the border upon arrival by the Ministry of Public Health teams.

The General Directorate of State Employees' Cooperative issued a special circular No. 1/2021 about the allowance for personal protection supplies and oxygen during the treatment of Covid-19 patients, so that the cooperative approved a new lump sum amount as follows:

- Personal protective equipment: 300,000 LBP for a regular room and 500,000 LBP for an intensive care room per day.
- Tariff for oxygen in the intensive care room: 3 thousand Lebanese pounds for a normal flow and 6 thousand Lebanese pounds for a high flow for one hour

**Note:** The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

### Examples of lack of adherence to safety measures

Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.

Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
