## General Directorate of State Security

Reporting the number of new positive cases in the various governorates and the cases in home quarantine.

The General Directorate of Public Security announced that, based on the decisions of the Council of Ministers issued on 3/21/2020 and the recommendations of the Committee for Follow-up of Preventive Measures and Procedures for Coronavirus on 3/17/2021, and in coordination with the Ministry of Public Health, to allow entry into Lebanon:

### Across the Al-Masna and Aboudieh border centers

**Mondays and Fridays** of every week from 9:00 am to 16:00 pm for:

- Exclusively for the Lebanese and their family members (their spouses and children).
- Palestinian refugees in Lebanon and their family members (husband, wife, son, daughter).

Provided that they undergo PCR, examinations conducted by the Ministry of Public Health teams at the border centers at a rate of / 300 / people through each border center.

Every **Wednesday** from 9:00 to 16:00 hours for:

- Syrians holding valid residency permits in Lebanon and Syrians holding temporary residency for a period of / 6 / several trips (exit and return features) at a rate of / 100 / people through each border post.

- Arabs and foreigners coming to Lebanon and their family members, according to the instructions in force, at a rate of / 50 / people through each border check point

- Provided that all of them have a PCR examination with a negative result issued by laboratories accredited by the Syrian Ministry of Health for a period of no more than / 96 / hours from the date of their arrival and a health insurance policy that covers the cost of treatment for Coronavirus for the duration of their stay in Lebanon. And to re-conduct a PCR examination for them at the border post upon arrival by the Ministry of Health teams, and to abide by the home quarantine until the results of the PCR tests that were performed for them are issued.

### Through all land border posts, seven days a week

Syrians coming to review foreign and Arab embassies operating in Lebanon provided that they have valid passports and a written document issued by the embassy to be reviewed and a PCR examination with a negative result of no more than / 96 / hour, and given them / 24 / hours with a statement of departure as a maximum. As for those coming to visit the Turkish embassy, the documents must be issued by the Visa for the globe "VPG" company contracting with the Turkish embassy.

Syrians coming for medical treatment, accompanied by two people at most, and exclusively from the origins or branches of the concerned parties, to visit a hospital or a doctor, provided that they have a written medical report proving this, and a PCR examination with a negative result of no more than / 96 / hour and giving them / 48 / hour with a statement of departure as a maximum.

Those wishing to transit from Syria via Lebanon to travel through the airport, provided that they possess a travel ticket and attend a maximum of 12 hours before the date of the plane and have a PCR test whose negative result is issued by laboratories accredited by the Syrian Ministry of Health for a period of no more than / 96 / hours from the date of travel

People who had left Lebanon for Syria under the PCR examination with a negative result can be allowed to return with the same document within a period not exceeding 72 hours from the date of issuance of its result, without undergoing any PCR examination in Syria that is conducted by the Lebanese Ministry of Health teams in Land border centers.

## General Decisions / Announcements

Adding to the executive data of Decision No. 96 / m on 6/2/2021 related to updating the strategy to confront the Coronavirus and the stages of gradually easing the closure restrictions issued by the National Operations Room for Disaster Management include the following:

- Abolish the current entry and exit ban measures
- Extending the timing of work for all commercial sectors until 21:00, while adhering to all preventive measures
- All sectors not mentioned in the statement: Comply with the preventive procedures and conditions previously circulated for the authority to obtain permissions from the platform
- Citizens: adhere to the request for permits to go to crowded places mentioned in the previous data
- All institutions: comply with all mandatory measures listed on the link: <http://bit.ly/3duFQ8f>
- Emphasize the obligation to wear a mask, social distancing, and follow protocols, procedures and preventive measures related to the virus
- Maintaining the ban on holding religious and social gatherings and events
- Keeping bars, cabarets, theaters, cinemas, and entertainment halls for children closed until further notice
- Popular markets except for markets for foodstuffs: they remain closed, and strict control over violations thereof
- Emphasize the need to conduct PCR or Antigen checks every 14 days for employees who are in direct contact with customers except for those who received the vaccine or were infected with the Corona epidemic within a 6-month period ago and upload the results of the PCR tests on the IMPACT platform
- Reactivating the Heat Map partial closure plan, with the aim of controlling the epidemic hotspots there
- Religious references: to warn against the danger of mixing and the dangers of the epidemiological reality, especially during the upcoming religious holidays (Passover and Eid al-Fitr) and the possibility of imposing a complete closure and a total curfew for a period of 3 days on the date of these events in order to avoid family gatherings and the resulting spread of the epidemic

The Presidency of the Council of Ministers issued Circular No. 5/2021 on 3/26/2021, whereby, based on the proposal of the Ministerial Committee, all public departments and institutions are required to work with an attendance rate not exceeding 50%

After the end of the meeting of the Supreme Defense Council headed by the President of the Republic, which was held before noon today 03/26/2021 in Baabda Palace, the following recommendations were raised:

- Re-extension of the general mobilization status for a period of six months, starting from 1/4/2021 until 9/30/2021 inclusive, with the enforcement of the measures and procedures imposed and their implementation during the general mobilization extension period.
- Request the technical committee charged with following up on the control of the Coronavirus, to complete communication with the concerned authorities, trade unions and associations, in order to put it into practice and to adhere to the procedures and measures that contribute to mitigating the spread of the epidemic.

The Minister of Education and Higher Education issued Decree No. 80 / M / 2021 related to the organization of administrative work in the Ministry, the Lebanese University, the Educational Center for Research and Development, and educational institutions, as of Monday morning 3/22/2021, based on the Cabinet Presidency Book No. 96 / M / P. Date 6/2/2021 regarding the update of the strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, in which the following was stated:

- The work of distance learning continues in private and official educational institutions until a decision is made to return to blended education.
- Principals of secondary schools, schools and public institutes, principals, health counselors, and the mechanization worker, in addition to employees, are allowed to attend on Tuesday and Thursday until the return to blended education (except for Thursday on 3/25/2021 to coincide with the Annunciation Day), to secure administrative work and prepare for the gradual return of integrated education later.
- Directors of private educational institutions and several administrators and accounting officials in them continue to be permitted to attend during official working hours to complete the necessary administrative work.
- The administrative work in the general directorates of the Ministry of Education and Higher Education and the Educational Center for Research and Development continues in the central departments and administrative units in the governorates, and at the Lebanese University as of Monday morning 3/22/2021, with a full attendance rate for employees according to their official working hours.
- Citizens wishing to come to the main building of the Ministry of Education in Beirut to present or receive university approval, university equivalency, school equivalency, official certificate or a true copy from the official examination department, are required to obtain prior permission from the IMPACT platform, choosing the Ministry Education and Higher Education in the type of destination field, and choosing one of the four options in the field of destination name through the following link, in order to prevent overcrowding: <https://covid.pcm.gov.lb/impactmobile/curfew>.
- Employees, members of the educational staff and other workers during their attendance period in administrative units and educational institutions are obligated to adhere to all necessary preventive measures against the Corona virus and the requirements of public safety.

The General Directorate of State Employees' Cooperative issued a special circular No. 1/2021 for hospitals about the allowance for personal protection supplies and oxygen during the treatment of Covid-19 patients, so that the cooperative approved a new lump sum as follows:

- Personal protective equipment: 300,000 LBP for a regular room and 500,000 LBP for an intensive care room per day.
- Expense for oxygen in the intensive care room: 3 thousand Lebanese pounds for a normal flow and 6 thousand Lebanese pounds for a high flow during one hour.
