Ministry of Foreign Affairs

The Ministry of Foreign Affairs and Expatriates is in constant contact with the Lebanese diplomatic missions abroad to find out the latest developments regarding the spread of the Corona pandemic and to follow up on the situation of the Lebanese expatriates.

The Ministry of Foreign Affairs and Expatriates continues to coordinate with the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus and with the Ministry of Public Health and other ministries and departments concerned with the implementation of the approved procedures and measures, and the Ministry also communicates with all foreign embassies and regional and international organizations in this regard.

General announcements

- The Ministry of Interior and Municipalities issued Decision No. 1032 of 8/27/2020 regarding the amendment of the opening and closing times of industrial and commercial establishments within the general mobilization procedures and the suspension of the implementation of Resolution 1003 related to the maximum closure, starting on Friday morning 28/8/2020. The decision included defining the preventive plan that must be approved by all sectors within a preparatory stage and three time stages related to the assessment of the epidemiological health situation and taking into account the economic and social situation, and its application shall start from the date of the opening of industrial and commercial enterprises. The decision also included amending the time for entry and exit from the streets to become from ten in the evening until six in the morning.
- On 26/8/2020, the Supreme Defense Council issued a decision to extend the general mobilization to the end of the year 2020 to confront the outbreak of the Corona pandemic.

Note: The decisions can be found at www.drm.pcm.gov.lb
