Age-Specific Cumulative Incidence rate (/100000)

Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

Ministry of Public Health

Today, the third batch of the Pfizer vaccine against Coronavirus arrived from Brussels to Beirut, containing 41,300 doses, which will be distributed to hospitals and centers approved by the Ministry of Public Health.

The Minister of Public Health opened a department for Corona patients at the Orange Nassau Hospital in Tripoli that includes 20 intensive care beds and 34 regular beds, and he also inspected the vaccination centers in Tripoli, where he indicated that the ministry is working to gradually increase their number.

The Ministry of Public Health is negotiating with twenty private companies to obtain the vaccines of Sputnik (thirteen companies) and Cinopharm (seven companies), with the exception of two companies whose request was rejected for their explicit violation of Lebanese law by requesting permission from an exclusive agency.

The Ministry of Public Health reported that PCR examinations were completed for flights that arrived in Beirut and were conducted at the airport on February 24 and 25, 2021, where eleven (11) positive cases were recorded, distributed as follows:

Direction	Company	Flight Number	Number of Cases
24/2/2021			
Cairo	MEA	305	1
Cairo	Egypt Airways	711	1
Istanbul	Turkish Airlines	826	3
Dubai	MEA	429	1
Total			6

Direction	Company	Flight Number	Number of Cases
25/2/2021			
Adis Abab	Ethiopian Airways	406	1
Baghdad	Iraqi Airways	1311	3
Dubai	MEA	427	1
Total			5

Lebanese Red Cross

Cases transferred to the hospital	20,610 (133 New)	Ambulance centers	48	Number of additional ambulance centers ready to respond	78,134 (413 New)	Number of PCR tests transferred to laboratories	241,227
Number of being benefitting from awareness sessions	145,355 (158 New)	total number of respondents	8,915	Number of trained paramedics	1,498	Number of volunteers trained to transfer PCR tests	166
Number of trained managers for isolation centers	8,887	total LRC volunteers for covid 19	550	Number of university volunteers trained to conduct awareness sessions	321	The number of university volunteers trained to follow up on prevention measures in companies and institutions	1025
Number of prisons that has been disinfected	1,273	Total distributed posters, brochures, and flyers on covid19 prevention	1,274,023	Number of distributed equipment	315,508	Number of beneficiaries from educational electronic platforms COVID-19	6,104 (1 New)

Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Distributing food aid in various Lebanese regions through the CIMIC Office.
- Breaking up gatherings and directing citizens to the necessity to adhere to preventive measures.

General Directorate of Internal Security Forces

38,991 minutes have been written against violators of the general closure decisions as of 01/14/2021.

Reports on Corona virus developments issued in internal prisons:

- The number of laboratory, clinical and temporal recoveries from the "Corona" virus in Roumieh Central Prison and in the Beirut Justice Palace glasses, and in the Minors' Prison and Baabda Women's Prison, reached 800 out of the total number of 920 positive cases, after 3347 PCR examinations were performed for the inmates, where 3 cases were hospitalized for treatment
- There are 33 positive cases in the Tripoli Prisons Platoon.
- The presence of 3 positive cases in the old Sidon police station.
- There are two positive cases in Jezzine prison.
- There was one positive case in each of the Amioun Prison and the Menia Group.
- 25 positive cases were found in the glasses of the Beirut Police Unit in the Central Women's Prison.
- There were 8 positive cases in the judicial police unit's glasses.

The reports that were written against the violators of the decisions of the general mobilization during the past 24 hours were distributed according to the regions as follows:

The number of seizure records during the past 24 hours					The total number of records since 03/08/2020	
Written records of violating institutions				2		
Written records of persons that violate curfew decision				282		
Written records of persons violating the decision to wear a mask				41	Beirut	50,724
Total				325	Mount Leb	64,035
					Begaa	24,741
					North	20,344
					South	20,527
Beirut	Mount Leb	Begaa	North	South	Total	180,389
99	158	35	20	13		

General Directorate of State Security

- Reporting the number of new positive cases in the various governorates and the cases in home quarantine.
- Follow-up of the procedures carried out by the medical teams at the arrival's examination centers at the airport and at the land borders.

General Directorate of General Security

Carrying out patrols in the various governorates and setting up fixed and mobile monitoring points to follow up the implementation of the general closure decision.

Reporting an almost non-existent commitment to the closure decision in the Akkar region, as the State Security patrols closed many establishments and shops in coordination with the municipalities

Reporting citizens' lack of commitment to preventive measures, especially wearing masks and social distancing in several areas of Mount Lebanon, where food and commercial stores and supermarkets witnessed overcrowding of customers

Reporting a gathering in front of the Military Court in Beirut and a car driving in the streets of Sidon

Reporting the support of representatives from the Ministry of Public Health in transferring a quantity of the anti-corona virus vaccine from Nabih Berri Governmental Hospital in Nabatiyeh to Dar Al-Aman Hospital for the care of the elderly in Abbasiya.

Reporting on initiatives undertaken by individuals, civil bodies, and parties to help Corona patients in various Lebanese regions and to secure medical equipment and respirators for hospitals

General Decisions / Announcements

The meeting of the Committee for Follow-up of Preventive Measures and Procedures to Confront the Coronavirus on Thursday 25/2/2021 issued the following recommendations:

- Amending the mobility strategy and permissions approved by the online platform IMPACT by dividing the sectors into three categories in terms of the risk of the spread of the epidemic (high risk, medium risk, low risk), as the work of high risk sectors requires work permits for employees and transfer permissions for the beneficiaries of its services, while The rest of the sectors must obtain work permits for employees only.
- The Ministries of Public Health and Education and Higher Education coordinate with each other to determine the date of opening all kindergartens and kindergarten classes.

The Minister of Education and Higher Education issued Decision No. 63 / M / 2021 on 26/2/2021 regarding the organization of emergency work in the Ministry of Education and Higher Education, the Lebanese University and the Educational Center for Research and Development during the period from Monday morning 3/1/2021 until Monday morning 8 / 3/2021 within the second phase of the gradual easing of the closure restrictions.

Based on the decision of the Presidency of the Council of Ministers related to updating the strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, the General Directorate of General Security announced that the Lebanese and their family members stranded in Syria and wishing to return to Lebanon would be allowed to enter, via the Al-Masnaa and Aboudieh border centers on 03/03/2021, effective From 9:00 to 18:00, provided that they have a PCR examination with a negative result of no more than 96 hours from Syria, provided that they undergo a PCR examination at the border again by the teams of the Ministry of Public Health

On 02/21/2021, the Supreme Judicial Council issued a decision related to updating the strategy to confront the Coronavirus, and the most prominent of what was stated in it:

- Continue to suspend the sessions until the morning of 1/3/2021
- Continue to decide on the cases of detainees with a reference from the Public Prosecution offices, in accordance with the circulars issued by the Supreme Judicial Council and the Public Prosecutor for Discrimination
- Continuing to decide on urgent cases in accordance with the circular issued in this regard regarding the orders on petitions
- Ensure the conduct of administrative work in the pens (determining the number of employees, prevention and safety measures)

On 02/21/2021, the Supreme Judicial Council issued a decision regarding updating the strategy to confront the Coronavirus, and the most prominent of what was stated in it:

- Continue to suspend the sessions until the morning of 1/3/2021.
- Continue to decide on the cases of detainees with a reference from the Public Prosecution offices, in accordance with the circulars issued by the Supreme Judicial Council and the Public Prosecutor for Discrimination
- Continuing to decide on urgent cases in accordance with the circular issued in this regard regarding the orders on petitions.
- Ensure the conduct of administrative work in the pens (determining the number of employees, prevention, and safety measures).

Based on the recommendation of the ministerial committee charged with following up on the issue of preventive measures and measures for the Coronavirus in its meeting on 02/05/2021, and based on the necessities of the public interest and safety requirements, the Presidency of the Council of Ministers issued Resolution No. 96 / PM on 6/2/2021 regarding updating The strategy to confront the Corona virus and the stages of gradually easing the closure restrictions, based on the exceptional approval of the President of the Republic and the Prime Minister, who specified the stages for the gradual easing of the closure restrictions as follows:

First Phase	Starting from Monday 02/08/2021 until 5 AM Monday 22/02/2021.
Second Phase	Starting from the end of the second phase until five o'clock on Monday 08/03/2021.
Third Phase	Starting from the end of the third stage until five o'clock on Monday 22/03/2021.
Fourth Phase	Start from the end of the third stage.

Note: The full text of the decision can be found on the website <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.

Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
