Ministry of Public Health

- The Minister of Public Health chaired a meeting on the national plan for vaccination, which will be discussed at the Grand Serail tomorrow, where the plan was reviewed, information updated, and some amendments made to a number of its provisions.
- The Ministry of Public Health stated that the World Bank has secured financial transfers to buy the Corona vaccine, and two million and one hundred thousand doses have been seized with Pfizer.
- The Minister of Public Health stated that the goal of the plan is to protect the most vulnerable and targeted groups from the Corona virus, in addition to reducing injuries and deaths as possible. In addition, health, civil and national organizations and official departments will provide realistic scientific data for the citizen to make his decision regarding the vaccine.
- The Minister of Health announced that any donation of vaccines will be accepted according to the national plan, and that a scientific and technical committee will be formed to establish a mechanism to ensure the quality, effectiveness and safety of any vaccine from non-reference countries, in addition to that the vaccine will be free of charge through the Ministry of Public Health and will not be subject to any financial fees. .
- The Minister of Public Health stated that global scientific data confirm that the vaccine that will be approved is the most effective and safe.
- The Ministry of Public Health has set a tentative date before noon next Thursday to launch the vaccine registration platform at the Ministry of Public Health.
- The Ministry of Public Health reported that PCR tests were completed for flights that arrived in Beirut and were conducted at the airport on January 24 and 25, and the results showed that there were twenty-six (26) positive cases distributed over the following flights:
