General Directorate of State Security

- Patrolling the various governorates to follow up on the implementation of the general closure decision, as the regional directorates:
 - o Sending warnings to establishments and stores that violate the general closure decision and requesting their owners to close them immediately.
 - o Sending warnings to establishments and shops that are excluded from the closure decision due to the number of their commitment to the necessary preventive measures and procedures.
 - o Dispersing gatherings in public places and foodstuff stores, and in the inner neighborhoods.
 - o Supporting the municipal police in carrying out neighborhood patrols in a number of towns.
- Reporting that the shops and institutions excluded from the general closure decision do not comply with the preventive measures and measures, especially putting on masks and maintaining a safe distance between customers.
- Reporting the death of a person in the districts of Marjayoun and Hasbaya
- Reporting the decrease in the percentage of commitment to the decision of general mobilization in the Akkar area, in an uneven manner, due to the decrease in the frequency of patrols by the army and security forces
- Reporting the percentage of compliance with the general mobilization decision in the governorates, which came as follows within the past 24 hours:

Beirut	South	North	Akkar	Beqaa	Nabatiyeh	Baalbek Hermel	Mount Leb
81%	86%	70%	65%	81%	91%	65%	87%

General Directorate of General Security

- Reporting new positive cases in different governorates and districts, and cases in home quarantine.
- Follow up the procedures performed by the medical teams at the arrival's examination centers at the airport and at the border crossings.
- Reporting the percentage of commitment to implement General Mobilization Resolution No. 1432 within the past 24 hours

Commitment ratio	South & Nabateih	Beirut	North & Akkar	Beqaa & Baalbek Hermel	Mount Lebanon

General Decisions / Announcements

The recommendations of the Coronavirus Follow-up Committee on Preventive Measures and Measures were issued after its meeting on 11/25/2020. The meeting was chaired by the Secretary General of the Supreme Defense Council and was attended by the Minister of Economy and Trade, advisors to the Presidency of the Republic, the Presidency of the Council of Ministers and representatives of the Ministries of Public Health, Interior and Municipalities, Education and Higher Education, Public Works, Transport and Agriculture, Military and Security Services, the President of the Doctors Syndicate in Beirut, the Syndicate of Hospital Owners, the Syndicate of Nurses and Nurses The World Health Organization, the Lebanese Red Cross, and a number of specialist doctors. The most prominent things mentioned in the recommendations: Providing the committee with the data of the PCR examinations that were performed in its laboratories and the percentage of positive cases as of 01/11/2020

- The Ministry of Public Health, depositing the National Operations Room for Disaster Management in the Presidency of the Council of Ministers, the weekly issue starting from 1/3/2020 for the following data:
 - The weekly number of people with corona who were admitted to hospitals.
 - The weekly number of people admitted to intensive care who required artificial respiration.
 - The weekly number of deaths due to corona infection (those who died in normal beds and those who died in intensive care).
 - This is via the email: Sawsan.bou-fakherddine@undp.org.
- Syndicate of Private Hospitals in Lebanon:
 - Circular to all private hospitals to deposit the Ministry of Economy and Trade a list of insurance companies that do not cover Corona patients who receive treatment in the hospital and have a health insurance contract with these companies.
 - Provide the committee with the data it has as of 11/1/2020 related to the PCR examinations that were conducted for people and patients in its laboratories (before admission, before performing surgeries, before performing the endoscopy) in addition to the percentage of positive cases to the total of those examinations mentioned.
 - A list of beds (normal / intensive care) assigned to private hospitals for Corona patients ready and scheduled to be equipped within two weeks of its date.
 - This is via the email: Sawsan.bou-fakherddine@undp.org.
- World Health Organization: Presenting a simulation of the health situation and the epidemic in Lebanon to the Committee for Follow-up of Preventive Measures and Measures of Coronavirus.

Implementation of the Ministry of Interior and Municipalities Decision No. 1432 dated 11/12/2020 related to the decision of the Supreme Defense Council to close the general closure to confront the high number of Corona injuries, from 11/14/2020 until 11/30/2020, which specified:

- Times of entry and entry to the streets.
- Tourist car movement (privacy), the permitted number of passengers in public and private transport mechanisms, and exceptions.
- Opening and closing times of the economic and commercial sectors in all Lebanese regions that are excluded from the closure decision.
- Sectors that are closed without any exceptions, which include: bars, cafes and night discos, sports clubs, stadiums, indoor and outdoor swimming pools, the sea corniche, public parks, major shopping centers, Casino du Liban, video and electronic games halls, popular markets, in addition to all stops Public and private parties, all sports activities, all social events and gatherings of all kinds, and coordination with religious authorities to close places of worship and cancel religious events.
- Religious references for closing places of worship and canceling religious events.
- A mechanism for following up the implementation of the content of the decision through the governors, in coordination with the mayors and municipalities.
- Assigning the General Directorate of Internal Security Forces to instruct all units to strictly enforce this decision and suppress violations, especially with regard to wearing the muzzle, and to organize arrest records against violators in accordance with the legal principles and regulations in force

All reports and related decisions can be found at: <http://drm.pvm.gov.lb>

Or social media @DRM_Lebanon

- Note: The full decision can be found at: <http://drm.pcm.gov.lb>

Examples of lack of adherence to safety measures

- Violations of the Ministry of Interior Decision No. 1432: promenade on the sea corniche, violations of authorized and single motor vehicle traffic, and violations of commercial establishments and stores that did not adhere to the decision.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a mask or face mask, sterilizing hands, maintaining a safe distance).
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.

If you feel any symptoms, directly call the hotline of the Ministry of Public Health: 1214 or 01/594459
