In light of the increase in the percentage of positive cases in the examinations to more than 8%, which poses an imminent threat to public health and causes the spread of the epidemic in the educational sector, the Follow-up Committee on Preventive Measures and Procedures to Confront the Coronavirus in its meeting held today on 9/24/2020 recommended a postponement The date of attendance education for students is for a period of 14 days, with the exception of official examinations in all its stages, provided that the departments raise the degree of commitment to the preventive measures and measures and develop a plan to identify the towns that have a high case rate and an escalating positive case rate, in order to take the necessary measures.

Note: The decisions can be found at www.drm.pcm.gov.lb
