Age-Specific Cumulative Incidence rate (/100000)

Occupancy rate of isolation centers for cases infected with Corona virus

For more information about the isolation centers' distribution and the percentage of their occupancy, enter the following link: <http://bit.ly/DRM-IsolationCentersProfiles>

Note: These centers have been equipped in cooperation with the National Committee for Follow-up of Preventive Measures and Measures to Confront Coronavirus, Governors and Municipalities, the United Nations Development Program, the World Health Organization, UNICEF, the Ministry of Public Health, the Syndicate of Nurses in Lebanon, and the Syndicate of Specialists in Social Work

Ministry of Public Health

- The Ministry of Public Health has launched the registration form for taking the anti-corona virus vaccine on the website covax.moph.gov.lb
- The Minister of Health wished citizens to respond to the ministerial plan to raise the vaccination rate to 80% in order to achieve community immunity to the Coronavirus
- The Ministry of Public Health stated that the contract with Saint Therese Hospital was immediately suspended as a result of the investigation that was conducted against the background of the hospital's refusal to receive a patient with the Coronavirus, which led to his death.
- The Minister of Public Health announced that the number of regular beds will be 300 and two intensive care beds in government hospitals within two weeks

Lebanese Red Cross

Cases transferred to the hospital	16,700 (201 New)	Ambulance centers	48	Number of additional ambulance centers ready to respond	63,930 (141 New)	Number of PCR tests transferred to laboratories	241,165
Number of being benefitting from awareness sessions	142,918 (64 New)	total number of respondents	8,907	Number of trained paramedics	1,498	Number of volunteers trained to transfer PCR tests	166
Number of trained managers for isolation centers	8,879	total LRC volunteers for covid 19	550	Number of university volunteers trained to conduct awareness sessions	321	The number of university volunteers trained to follow up on prevention measures in companies and institutions	1025
Number of prisons that has been disinfected	1,241	Total distributed posters, brochures, and flyers on covid19 prevention	1,274,023	Number of distributed equipment	270,987	Number of beneficiaries from educational electronic platforms COVID-19	5,620 (32 New)

Lebanese Army Forces

- The army units continue to distribute social aid (400,000 Lebanese pounds) to families with limited income in all Lebanese territories.
- Distributing food aid in various Lebanese regions through the CIMIC Office.
- Establishing circumstantial barriers in various regions and supporting the Internal Security Forces in implementing the general closure decision in the country

General Directorate of Internal Security Forces

- Carrying out patrols, setting up circumstantial checkpoints and fixed and mobile control points in various regions, and drafting arrest reports against violators of the general mobilization decisions, as their number since 01/14/2021 to date reached 12,514 minutes.
- The minutes that were written against the violators of the decisions of the general mobilization during the past 24 hours were distributed as follows:

The number of seizure records during the past 24 hours					The total number of records since 03/08/2020		
Written records of violating institutions					10		
Written records of persons that violate curfew decision					33		
Written records of persons violating the decision to wear a mask					2	Beirut	44,395
Total					45	Mount Leb	54,129
						Beqaa	21,238
						North	18,906

General Directorate of State Security

- Reporting the number of new positive cases in the various governorates and districts, cases in home quarantine, and deaths.
- Follow up the procedures performed by the medical teams at the arrivals examination centers at the airport.
- The report of the death of three people from Deir Antar, Jaba and Kafarfila.

General Directorate of General Security

- Carrying out patrols in the various governorates, establishing fixed and mobile control points to follow up the implementation of the general mobilization decision, alerting citizens to adhere to preventive measures, and alerting stores and commercial establishments to the necessity to regulate customer entry roles to prevent overcrowding and maintain social distancing.
- Reporting the number of quarantined arrivals in hotels, and the non-compliance of some arrivals with compulsory quarantine.
- Reporting the number of positive cases and deaths in different regions.
- Reporting sit-ins, protest movements and riots in various Lebanese regions due to the general closure and the deterioration of living conditions.
- Notification of the percentage of compliance with the general mobilization decision in the governorates, which came as follows within the past 24 hours:

Beirut	South	North	Akkar	Beqaa	Nabatiyeh	Baalbek Hermel	Mount Leb

- The General Directorate of Civil Aviation in the Ministry of Public Works and Transport issued Circular No. 5/2 issued on 01/18/2021 regarding the procedures related to passengers coming to Lebanon until 01/25/2021, where it was added to the exclusion's clause from the hotel quarantine:

- Passengers who present documents confirming a previous infection with the Coronavirus.
- Passengers who have taken a positive IGG test show the level of antibodies in the blood above the required level.
- The handicapped, people with special needs, and autistic patients through a medical report confirming the case

- Law No. 211 of 01/16/2021 was issued in the Official newspaper regarding the regulation of the new use of medicinal products to face the Corona pandemic, which included one article that included:

- Definition: Corona pandemic, development, management or use of any product for medical treatment, severe injury and intentional misconduct. Not to prosecute persons or public entities specified in the law for liability arising from the development, management, or use of any medical product in the context of the Corona pandemic related to acts that took place within the period of twenty-four months from the date this law came into effect.
- To allow the private sector to develop, manage or use any product for medical treatment to confront the Corona pandemic, under a license issued by a decision by the Minister of Public Health in accordance with the principles related to emergency use.
- Compensation through the Ministry of Public Health in accordance with the law regarding products contracted or approved by it, with the exception of claims in cases of death or serious injury resulting from intentional misconduct.
- Establishing a committee in the Ministry of Public Health by a decision of the Minister that includes specialists in order to consider claims, determine damages, determine their causes, and the amount of compensation required.
- Determine the details of this law according to a decree taken by the Council of Ministers based on the proposal of the Ministers of Public Health and Finance, especially with regard to the independent fund for compensation and state contributions and compensation standards, from a maximum period of three months from the date this law comes into effect.

The National Operations Chamber, and based on Decision No. 26 / M on 11/1/2021, issued the electronic guide for submitting a request for a special exit permit under the general closure from 01/14/2021 to 01/25/2021 for the persons included Those who are not included in the exceptions to the full closure decision by filling out the form via the website covid.pcm.gov.lb or by sending a text message to 1120 including the full name, the judiciary, and the option number from the specified list With the exception of the employees of the General Directorate of the Presidency of the Republic, the General Secretariat for the Presidency of the House of Representatives, the Presidency of the Council of Ministers,

the Ministries of National Defense and the Interior, Municipalities, Military, Health and Pharmacist Sectors, Workers in the Diplomatic Corps, United Nations Members, Media and Media Personnel

The full manual can be found at: <http://drm.pcm.gov.lb>

Based on the recommendation of the ministerial committee charged with following up on the preventive measures and procedures for the Coronavirus in its meeting on the morning of 11/1/2021, the Supreme Defense Council, convened under the presidency of the President of the Republic on 11/1/2021, issued a decision regarding the complete closure of the country as of the morning of Thursday corresponding to the 14th / 1/2020 until Monday morning, corresponding to 1/25/2021. The main highlights of the decision:

- Compelling the arrivals from Baghdad, Istanbul, Adana, Cairo and Addis Ababa to take specific measures
- Prevent the movement of travelers across land borders, except in transit
- The requirement to fill out the dedicated form on the electronic application (# Together Against Coronavirus) for all arrivals
- Conduct periodic evaluation by a committee composed of the ministers of the interior, municipalities, public health, tourism, public works and transportation
- Request to the concerned ministers to tighten the procedures provided by the law and the declared general mobilization situation
- Tightening of the application of laws that penalize hospitals when they do not receive emergency cases, including cases of corona
- Preventing going out and entering the streets and roads from five o'clock in the morning on Thursday corresponding to 01/14/2021 until five o'clock in the morning of Monday, corresponding to 1/25/2021, with some specific exceptions
- Closure of all administrations, public institutions, independent interests, universities, public and private schools, various kindergartens, public parks, docks, public and private sports stadiums, both internal and external, and the Casino du Liban, with some specific exceptions.

- Excluding the main institutions of the Ministry of National Defense, the Ministry of Interior and Municipalities, in addition to the General Directorate of State Security, the Lebanese Red Cross, Civil Defense and firefighting groups of all kinds. Except for the General Directorate of Social Security, the General Directorate of State Employees' Cooperation, Mutual Guarantor Funds, insurance companies, health monitors, auditors and the TPA, in relation to hospital, health, pharmaceutical and laboratory approvals. An exception is also made for the Ministry of Public Health and its field and volunteer teams, hospitals, government clinics, social care centers, and everything related to the health sector in the hospital, pharmaceutical, laboratory, and pharmaceutical fields. The exception of Rafic Hariri International Airport and everything related to its management as well as the management of all sea and land ports, with the exception of the Electricity of Lebanon Corporation and all other institutions and companies that secure and distribute electrical current in all Lebanese regions, with everything related to production, feeding, distribution and emergency maintenance. In addition to the exception of the General Directorate of Oil at the Ministry of Energy and Water and the management of oil installations, with everything related to securing, storing and distributing fuels, including fuel stations, companies and institutions that import, store and distribute gas, the General Directorate of Water and Electrical Resources, water institutions, the National Authority of the Litani River and the General Directorate of Investment, And that is related to securing, storing and distributing water, and the private companies and institutions that undertake the mobilization and distribution of water. The Ministry of Communications, the Ogero Authority, and everything related to the telecommunications sector in terms of securing the continuity of the Internet service and the fixed and cellular telephone networks, in addition to the judges and lawyers related to securing remote trials for the purpose of deciding the requests for the release of detainees, as well as looking into emergency cases and urgent matters, and excluding the heads and members of the corps The diplomat, the International Red Cross, and United Nations personnel to the extent that would conduct emergency matters according to a decision issued by the UN Special Coordinator. An exception is also made for clerics who are assigned to tasks in social centers, provided that they possess a card of this capacity issued by the competent religious authorities and whose use is restricted during the period of closure

The General Directorate of Civil Aviation issued Circular No. 4/2 dated 01/12/2021 regarding passengers arriving to Lebanon from 01/14/2021 until 01/25/2021, and the most prominent of what was stated in it:

- A commitment by airlines to reduce the number of passengers to 20%
- The necessity to bring a negative PCR test result before boarding the plane, within a maximum of 96 hours
- It is necessary to fill out the Ministry of Public Health form before boarding the aircraft coming to Lebanon
- Passengers must undergo a PCR examination upon arrival at the airport
- Require quarantine for a period of 7 days in one of the approved hotels for those coming from Addis Ababa, Istanbul, Adana, Cairo, and Baghdad, and re-examination on the sixth day
- Obligating those coming from other countries to quarantine one of the approved hotels until the airport inspection results are issued
-

The exceptions are: diplomats and their families, officials, official delegations, UNIFIL, transit passengers to Syria, children under the age of 12, persons who received the vaccine according to an official medical report to be examined at the airport, persons who left Lebanon and returned to it within a period 7 days and complete quarantine in a hotel for

a period of 72 hours or until the results of the examination are issued, the plane crews coming to Lebanon for a period not exceeding 48 hours, provided that they complete the quarantine in one of the approved hotels

- The Supreme Defense Council issued an exception to the media from the general closure decision, provided that the press card is approved to facilitate passage.

Examples of lack of adherence to safety measures

- Overcrowding in foodstuff stores, failure to organize roles on payment boxes, failure to respect the safe distance between customers, and the obligation to wear masks.
- Overcrowding inside banks and gatherings in front of cash withdrawal machines and money transfer offices.
- Violations of the car transport decision (single - legal).
