## Ministry of Public Health

---

The Ministry of Public Health has opened a wing designated for treating people with Covid-19 at Al Zahra Hospital Center - University Medical Center, which was equipped in response to the call made by the Ministry of Public Health for private hospitals to contribute to providing medical services, in the context of confronting the local outbreak of Coronavirus.

The Ministry of Public Health issued Memorandum No. 126 on 8/25/2020 regarding the identification of close contacts within two days before the appearance of symptoms (for the case with symptoms) or two days from the diagnosis of the case (for the case without symptoms), as follows:

- The contacts residing in the same house with the confirmed case.
- Contact persons working in the same place of work of the confirmed case.
- Contacts who have spoken directly with a confirmed case face to face at less than 1.5 meters for more than 10 minutes.

The Ministry is following up on the donations provided to the hospital sector to increase its readiness to receive Corona patients, such as providing equipment and respirators.

The ministry is following up through its work teams the implementation of the strategy that has been put in place to curb the spread of the Coronavirus.

The Ministry issued the results of additional examinations for the upcoming trips on 27 and 28 August 2020, where five new positive cases were recorded, and they were distributed as follows:

### General announcements

---

- The Ministry of Interior and Municipalities issued Decision No. 1032 of 8/27/2020 regarding the amendment of the opening and closing times of industrial and commercial establishments within the general mobilization procedures and the suspension of the implementation of Resolution 1003 related to the maximum closure, starting on Friday morning 28/8/2020. The decision included defining the preventive plan that must be approved by all sectors within a preparatory stage and three time stages related to the assessment of the epidemiological health situation and taking into account the economic and social situation, and its application shall start from the date of the opening of industrial and commercial enterprises. The decision also included amending the time for entry and exit from the streets to become from ten in the evening until six in the morning.
- On 26/8/2020, the Supreme Defense Council issued a decision to extend the general mobilization to the end of the year 2020 to confront the outbreak of the Corona pandemic.

**Note: The decisions can be found at [www.drm.pcm.gov.lb](http://www.drm.pcm.gov.lb)**
