The Online platform to measure the level of risk of the spread of the new Corona virus by district

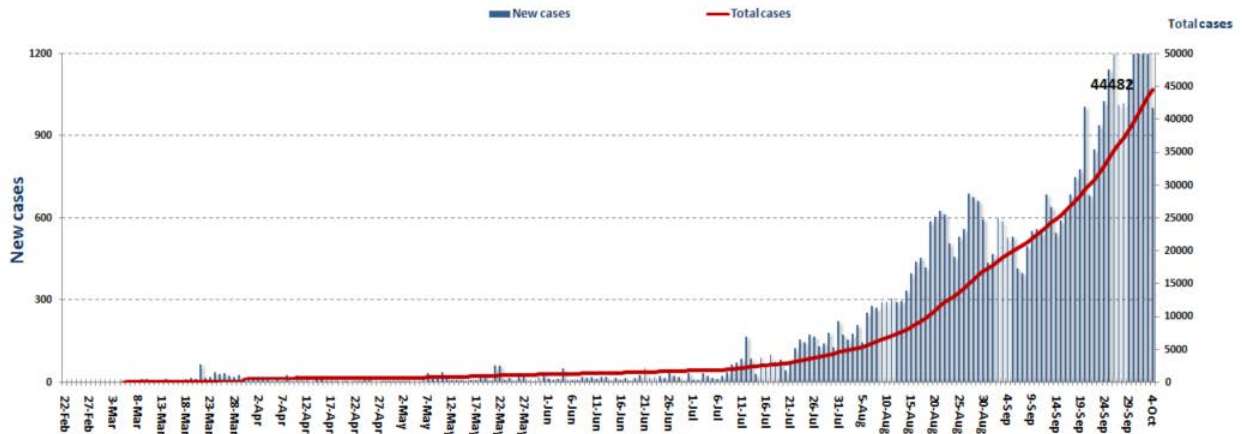

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information on a daily basis, you can access the following link: <https://bit.ly/DRM-RiskLevelInMunicipalities>

Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis. The detailed results can be viewed directly at the following link: <http://bit.ly/covidsectordata>

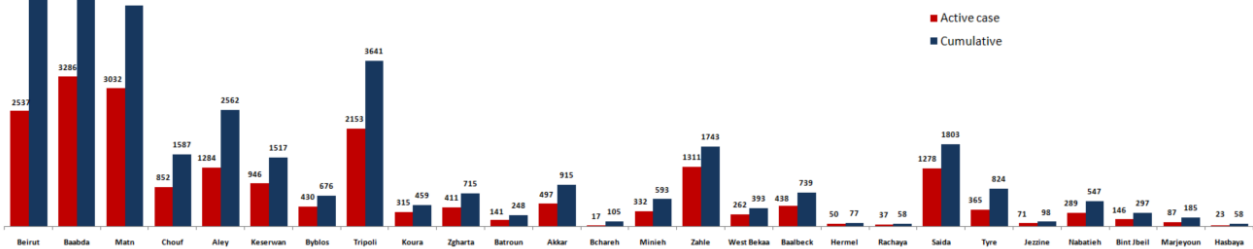

Cases per day

The percentage of positive cases out of the number of daily checks (21 September to 04 October 2020)

Distribution of Active Cases by Districts

Recoveries

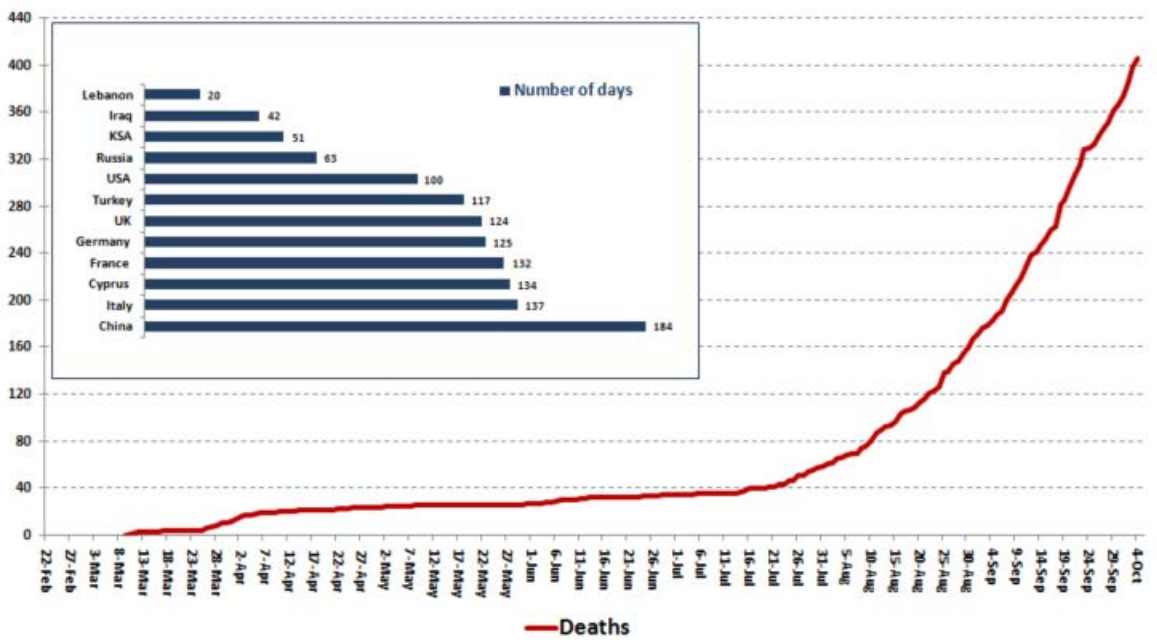

Distribution of deaths by Governorates

Distribution of deaths by Age

Comparison of the rate of doubling of the number of deaths in Lebanon with other countries (death doubling rate)

Decisions and actions taken – 04/10/2020

Ministry of Public Health

The Ministry of Public Health announced that its medical teams will start from Monday 10/5/2020 a national campaign to conduct the necessary medical examinations in the 111 towns covered by the closure decision due to the spread of injuries in them.

The Ministry of Public Health signed an agreement between the Lebanese University and the General Directorate of Civil Aviation at the Ministry of Public Works under which the Lebanese University would conduct PCR checks for arrivals at the airport.

Lebanese Red Cross

233,758	Number of PCR tests transferred to laboratories	47,017	Number of additional ambulance centers ready to respond	48	ambulance centers	5,388 (83 New)	cases transferred to hospitals
166	Number of volunteers trained to transfer PCR tests	1,498	Number of trained paramedics	8,732 (8 New)	total number of respondents	79,354 (43 New)	number of those benefiting from awareness *sessions
967	The number of university volunteers trained to follow up on prevention measures in companies and institutions	291	Number of university volunteers trained to conduct awareness sessions	550	total LRC volunteers for covid19	8,575 (43 New)	number of trained managers for isolation centers
4,243 (2 New)	Number of beneficiaries from educational electronic platforms COVID-19	93,442 (983 New)	Number of distributed equipment	1,240,401	total distributed posters, brochures, and flyers on covid19 prevention	577	number of prisons that have been disinfected

General Directorate of State Security

Reporting the closure of several villages in Akkar governorate, based on the decision of the Ministry of Interior and the municipalities, which are Al-Qobayat, Sheikh Taba, Majdalaya and Al-Muhammarah.

- Reporting official statements issued by some municipalities (Bhamdoun Al-Dayaa, Ain Darah, Al-Kahala, Houmal, and Abel Al-Saqi) requesting a review of the closure decision, especially since the number of injuries in them is limited and the municipalities are committed to all the required procedures and measures.

- The statement that there are 52 active cases among the General Directorate of State Security, and one death. Reporting cases registered in the various districts and cases in home quarantine.

Reporting the percentage of compliance with the general mobilization decision in the governorates, which came as follows within the past 24 hours:

Beirut	South	North	Akkar	Beqaa	Nabateih	Baalbek Hermel	Mount Leb
45%	55%	55%	40%	N/A	65%	5%	30%

General Directorate of Internal Security Forces

- Supporting the municipalities in isolating the town of Aramoun (Aley), the Radisson Hotel in Ain Mreisse (Beirut) and the Golden Tulip Hotel in Hamra (Beirut)
-
- Writing arrest records against violators of the general closure decision

The number of seizure records during the past 24 hours					The total number of records that have been organized against violators of the general mobilization decisions since 03/08/2020		
Written records of violating institutions (absorptive capacity and preventive measures)					0		
Written records of persons violating the decision to wear a mask					0	Beirut	20,646
Written records of people violating the general mobilization decision (Aragil* and social distancing)					12	Mount Leb	18,816
Total					12	Beqaa	8,064

General announcements

The Ministry of Interior and Municipalities issued Decision No. 1205 on 10/2/2020 related to the closure of some villages and towns due to their high number of Coronavirus cases, as the decision kept on working at the time of preventing exit and entering the streets and roads between the first hour after midnight until the hour Six o'clock in the morning, the decision also included the closure of **111 towns** in various Lebanese regions based on an analysis of the epidemiological situation in them for a full week, starting from **Sunday 10/4/2020** until **10/12/2020** with specifying exceptions and the implementation mechanism for implementing the decision in cooperation between governors, municipalities and all security agencies.

Note: The decisions can be found at www.drm.pcm.gov.lb

A list of the laboratories accredited by the MoPH to conduct PCR tests

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in a number of stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests are issued.
