#### The Online platform to measure the level of risk of the spread of the new Corona virus

This interactive platform allows you to know the level of risk of spreading the kurna virus according to districts, based on the number of cases registered daily and the number of residents in each district. For more information daily, you can access the following link: <a href="https://bit.ly/DRM-RiskLevelInMunicipalities">https://bit.ly/DRM-RiskLevelInMunicipalities</a>

#### Online platform to track sector commitment in general mobilization procedures

Based on the recommendation issued by the National Committee for Follow-up of Preventive Measures and Measures to Confront the Coronavirus to open all sectors, provided that the general mobilization procedure (safe distance, muzzle, and hand sterilization) be applied, a special electronic platform was created that allows monitoring and measuring the percentage of commitment by various sectors on an ongoing basis.

The detailed results can be viewed directly at the following link http://bit.ly/covidsectordata

#### **Ministry of Public Health**

- A statement was issued by the Ministry of Public Health in which it clarified the procedures that the Ministry is undertaking in coordination with the security services to ensure the implementation of general mobilization procedures. It also clarified its relationship with hospitals in terms of plasma donation by individuals as the relationship remains confined to the patient, the donor and the hospital without any role for the ministry. In addition to clarifying the mechanism for distributing Remdesivir to treat Corona patients, which was presented to the Ministry as a gift and was distributed to needy patients. Finally, the ministry confirmed through the statement that the numbers of injured people in Lebanon are documented with names by the ministry as it is received from accredited laboratories

#### **General announcements**

The Ministry of Education and Higher Education announced that lessons would be halted in attendance in official and private educational institutions on Monday and Tuesday, November 9 and 10, 2020, pending the decisions issued by the Supreme Defense Council meeting on Tuesday, provided that education is completed within the two days specified according to the available means and used in each An educational institution, and that schools, institutes, extension centers, and teachers 'homes remain open to secure administrative work, taking into account the rotation of attendance among members of the administrative body. The Ministry also affirmed that the official examinations and examinations in higher education institutions should be completed and the Colloquium examinations in attendance, provided that the necessary health measures are taken.

Note: The decisions can be found at www.drm.pcm.gov.lb

#### **Examples of lack of adherence to safety measures**

Failure of some municipalities to abide by the Ministry of Interior and Municipalities Decision No. 1025/2020 related to the closure of towns that have a high risk of the spread of the epidemic.

- Demand gatherings and demonstrations.
- Failure to comply with the preventive measures and procedures required in several stores and markets (putting on a muzzle or face mask, sterilizing hands, maintaining a safe distance).
- Non-compliance with the 50% occupancy rate in several restaurants and amusement game centers.
- Gatherings for social events.
- Failure of those in contact with confirmed cases to adhere to home isolation procedures until the results of the laboratory tests
  are issued.
