Notes:

- The airport: All arrivals through Rafic Hariri International Airport are subject to health and security measures approved in the plan for the return of Lebanese expatriates by the Ministry of Public Health, the General Directorate of General Security and the General Directorate of Civil Aviation.
- Ports: Before allowing any vessel to enter the campus's harbor, the entire crew of the vessel is examined by a device approved by the Ministry of Public Health to ensure that there are no infections.

Ministry of Education and Higher Education

- The Ministry of Education and Higher Education prepared the requirements for accrediting the distance learning platform (Microsoft Teams), and during the past two weeks, it managed to create more than one million and two hundred thousand accounts for professors, teachers and students in the official and private sectors. The directors of public schools and high schools were also introduced to the platform (more than 1,200 employees) in addition, 37,000 teachers were also trained.

Ministry of Labor

The Ministry of Labor issued Circular No. 25/1 on 04/15/2020 related to the health and safety procedures that should be implemented in grocery stores and supermarkets to limit the spread of the new COVID-19 and protect workers.

The Ministry of Labor released Circular No. 26/1 on 04/15/2020 related to the health and safety procedures that should be implemented in industrial institutions to limit the spread of the new COVID-19 and protect workers.

Objectives of the National Operations Room

The National Operations Room works on coordinating efforts in order to accomplish the following goals:

- First Objective: Control the spread of the virus through the application of precautionary measures, minimize direct contact among people, and increase awareness of the population and access to information.
- Second Objective: Ensure the continuity of services at the national level and adopt and encourage remote working.
- Third Objective: Increase health sector capacity by continuously assessing available resources, gaps and look for funding and technical assistance to build up capacities and case management.

General Directions and Recommendations

- Implement the decisions issued by the Presidency of the Council of Ministers at the level of public and private institutions and municipalities.
- Stay at home and don't go out unless it is necessary.
- Frequently wash hands and follow all safety measures set by the Ministry of Public Health.
- Avoid crowded places and social contact and commit to a safe distance between individuals.
- Seek medical care if you feel fever, cough and difficulty of breathes. Call the Ministry of Public Health hotline 1214 or 01-594459

Risks that Might Result in the Rapid Spread of the Virus

- Lack of adherence to the medical advisories.
- Disrespecting to compulsory home quarantine.
- The spread of the virus in crowded places.
- Allowing gatherings to take place
