4589	NUMBER OF DEPARTING INDIVIDUALS	2718	NUMBER OF ARRIVALS

Examples of lack of adherence to safety measures

- Demonstration, and Roadblocks
- Overcrowding in restaurants and cafes
- Non-compliance of citizens with preventive measures
- Gathering in cafes
- gatherings without wearing masks.
- social gatherings and celebrations and kids areas

General Decisions

Recommendations issued by the National Committee for Coronavirus on 8/12/2020:

- remove medical supplies from the port of Beirut, to avoid damage to them.
 - private hospitals are only allowed to hospitalize covid patients in special wards.
 - Adopting the transfer of covid cases to government hospitals as a first priority and private hospitals as a second priority.
 - limit the spread of cases by closing and isolating the concerned areas, neighborhoods and streets
 - inform the Syndicate of Medical Laboratories that positive cases must be reported to the Ministry of Public Health
 - Assigning general directors in all ministries to develop a plan within 72 hours to prevent the spread of the virus in ministries
- Note: Full recommendations can be found at www.drm.pcm.gov.lb.
