Lebanese : 2448 cases out of 2859 (83 %)

Distribution of cases by gender (%)

Examples of lack of adherence of safety measures

- Demonstration, and Roadblocks
- Violations of curfew, and the medical mask decisions
- Failure of commercial stores, supermarkets, and others to comply with the closing hours
- Overcrowding in restaurants and cafes and failure to comply with the permitted number of customers (50%)
- gatherings in front of banks, money transfer offices and ATM machines without maintaining a safe distance or putting masks
- Gathering of citizens in hiking areas without committing to preventive measures
- Non-compliance of citizens with preventive measures in food markets
- Gathering in cafes
- hookah
- gatherings on beaches and sidewalks without wearing masks.
- social gatherings and celebrations and kids areas

LET'S STAY COMMITTED SO IT IS REMEMBERED BUT NOT REPEATED...

Physical Distancing

Keep a safe distance
1.5 meters at least

Prevention

- ▶ Wear face masks outside the house
- ▶ Avoid touching the face
- ▶ Cover mouth and nose with elbow when coughing or sneezing

Hygiene

- ▶ Wash your hands for at least 20 seconds
- ▶ Sterilize your purchased products before use or storing at home

▶ Adhere to all circulars by the Ministry of Public Health

Decisions and actions taken

Ministry of Public Health

- the ministry issued the results of pCR tests conducted for arrivals to Lebanon on July 16 and 17:

| Number of positive cases | Flight nb | company | Arriving from |
|--------------------------|-----------|----------|---------------|
| 2020/7/16 | | | |
| 1 | 218 | MEA | Frankfurt |
| 1 | 253 | EMIRATES | Dubai |
| 3 | 131 | IRACQ | Baghdad |
| 1 | 437 | MEA | Doha |
| 3 | 403 | MEA | Kuwait |
| 2020/7/17 | | | |
| 1 | 403 | MEA | Kuwait |
| 2 | 266 | MEA | Istanbul |
| 3 | 501 | KUWAIT | Kuwait |
| 1 | 416 | QATAR | Doha |
| 3 | 572 | MEA | Lagos |
| 1 | 826 | TURKISH | Istanbul |
| 1 | 212 | MEA | paris |
| 21 | | | total |

- The Ministry of Public Health launched the application "Together against coronavirus MA3AN" to track contacts of positive cases and reduce the spread of Coronavirus. the application can be downloaded for free on mobile phones
- The Ministry is developing and implementing a project to strengthen the health system in Lebanon in cooperation with the World Bank. the project will increase the Ministry's ability to assess the capacity of the health sector in Lebanon to respond to the pandemic, secure the necessary medical equipment and tools, and build the capacity of sector workers to counter the virus.
- The Ministry called for strict adherence to precautions and preventive measures in large institutions. It also called for the commitment of expatriates to the general mobilization procedures.
- The Ministry is working on setting a clear mechanism for transporting positive or suspected cases from the returnees to government hospitals directly, and transporting positive cases with no symptoms to quarantine centers.
- The Ministry is working to assess the airport's opening on the virus' reality in the country.
- increasing number of conducted PCR tests on suspected cas-

es in areas where the virus has spread to assess the situation.

- Following up on the application of Circular No. 2/37 which was issued on 4/7/2020 in coordination with the national covid committee related to the procedures approved by the Ministry of Public Health for all travelers coming to Lebanon.
- The ministry supervises all the conducted PCR tests for those who were in contact with positive cases in various government hospitals, at the expense of the ministry in order to determine the epidemiological reality in Lebanon and take the necessary steps.

Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army carried out patrols in different Lebanese regions, distributed food boxes to families in need (CIMIC) and dispersed gatherings.
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation.
- State security forces followed up on positive and suspected cases in home isolation. forces also announced the results on tests conducted on suspected cases. forces also announced the measures being taken in municipalities for preventing the spread of the virus
- The General Directorate of Civil Defense prepared 427 personnel and 69 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. The directorate also carried out sterilization missions in public and private areas and in labs conducting PCR tests.

- ISF aided the municipalities in isolation buildings where positive ramco workers were placed and issued a number of fine

| total fines issued to those who failed to adhere to the public mobilization decision since 8/3/2020 | number of fines issued to individuals who weren't wearing a medical mask (since 29/5/2020) |
|---|--|
| 10140 | 2906 1 new |

Lebanese Red Cross

| | | | | | | | |
|------------------|---|-------|---|---------|--|----------------|---|
| 33805 880 new | Number of PCR tests transferred to laboratories | 0 | Number of additional ambulance centers ready to respond | 47 | ambulance centers | 2735 29 new | cases transferred to hospitals |
| 166 | Number of volunteers trained to transfer PCR tests | 1444 | Number of trained paramedics | 8396 | total number of respondents | 64547 9 new | number of those benefiting from awareness *sessions |
| 967 | The number of university volunteers trained to follow up on prevention measures in companies and institutions | 217 | Number of university volunteers trained to conduct awareness sessions | 550 | total LRC volunteers for covid19 | 8176 28 new | number of trained managers for isolation centers |
| 3617 2 new | Number of beneficiaries from educational electronic platforms حرج COVID-19 | 42412 | Number of distributed equipment ** | 1207050 | total distributed posters, brochures, and flyers on covid19 prevention | 369 | number of rpsions that have been disinfected |

Note: The Lebanese Red Cross transported 131 workers who were confirmed positive in Jdeideh to the designated isolation center in Carintina

Ministry of Public Works

- issued Circular No. 42/2 and Circular No. 43/2 on 7/17/2020 related to the amendment of the previous two circulars on the classification of countries that have PCR tests approved by the Ministry of Public Health. also, the procedures required by travelers were issued by the General Directorate of Civil Aviation at the Ministry of Public Works and Transport Before traveling and upon arrival at Beirut Rafiq Hariri International Airport
