Examples of lack of adherence of safety measures

- Demonstration, and Roadblocks
- Violations of curfew, and the medical mask decisions
- Failure of commercial stores, supermarkets, and others to comply with the closing hours
- Overcrowding in restaurants and cafes and failure to comply with the permitted number of customers (50%)
- gatherings in front of banks, money transfer offices and ATM machines without maintaining a safe distance or putting masks
- Gathering of citizens in hiking areas without committing to preventive measures
- Non-compliance of citizens with preventive measures in food markets
- Gathering in cafes
- hookah
- gatherings on beaches and sidewalks without wearing masks.
- social gatherings and celebrations and kids areas

Decisions and actions taken

Ministry of Public Health

- Coordinating with the Ministry of Education and Higher Education and the Presidency of the Lebanese University on measures taken to prevent the spread of the virus in the university.
- In coordination with the committee for the followup and prevention of coronavirus, the ministry set the price of PCR tests in the airport at 50 USD.
- The ministry is following up on issued circular nb 99 on 30/6/2020 stating the specific regulations that should be followed by those arriving to Lebanon starting July 1
- The Ministry is visiting areas where the pandemic has spread to followup on the implementation of isolation and is following up with Lebanese who have recently returned to Lebanon.
- The ministry supervises all the conducted PCR tests for those who were in contact with positive cases in various government hospitals, at the expense of the ministry in order to determine the epidemiological reality in Lebanon and take the necessary steps.

Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army carried out patrols in different Lebanese regions.
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation. Forces also announced the results of PCR tests conducted randomly.

- State security forces followed up on positive and suspected cases in home isolation. also announced the results on tests conducted on suspected cases
- The General Directorate of Civil Defense prepared 427 personnel and 69 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. The directorate also carried out sterilization missions in public and private areas and in labs conducting PCR tests.
- ISF issued a number of fine

total fines issued to those who failed to adhere to the public mobilization decision since 8/3/2020	number of fines issued to individuals who weren't wearing a medical mask (since 29/5/2020)
